

## Customization Cold Room Walk In Freezer For Cooling System Refrigeration cooler

Our Product Introduction

for more products please visit us on [coldroomunit.com](http://coldroomunit.com)

### Basic Information

- Place of Origin: CHINA
- Brand Name: DM
- Certification: CE
- Model Number: DM-LK-0003
- Minimum Order Quantity: 1
- Price: \$3000~\$100000/PCS
- Packaging Details: Customized
- Delivery Time: 15-30 word days
- Payment Terms: T/T
- Supply Ability: 1PCS/30 Days

### Product Specification

- Temperature Range: -18 To 10
- Condenser Type: Air-cooled/Water-cooled
- Compressor Brand: Bitzer/Copeland
- Dimension: Customized
- Door: Hinged Door, Sliding Door, Etc
- Functions: Frozen Food Storage
- Key Selling Points: Energy Saving
- Thickness: 50mm To 250mm
- Frequency: 50Hz/60Hz
- Density: 150-200 Kg/m3
- Feature: Container
- Insulation Material: Polyurethane Foam
- Power: Customized
- Name: Cold Room Walk In Freezer
- Highlight: **Container Cold Room Walk in Freezer,**

## Product Description

## Cold Room

## Detailed Photos:

## Type:

Freezer room, blast freezer room, cold storage room, MEAT refrigeration, FRUIT and VEGETABLE STORAGE room, seafood storage room, display cold storage room, freezer room, logistics cold storage room.

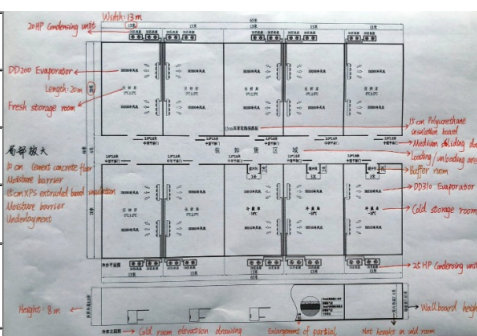

Our cold storage can be customized

## Product Description:

<b>Model NO:</b>	DM-LK-0002	<b>Dimension(L*W*H):</b>	Customized
<b>Material of panels:</b>	Polyurethane cold storage board	<b>Copper tube connector:</b>	Fitting reducer
<b>Voltage:</b>	380V460V220V customize	<b>Controller:</b>	Automatic electric controller, PLC
<b>Refrigerant:</b>	R404a R22a R134a	<b>Quality Assurance:</b>	2.6Mpa leak-proof stress test
<b>Door type:</b>	Swing Door/Sliding Door/Double Door/Single Door	<b>Cold room compressor type:</b>	Piston, screw, scroll etc
<b>Use nature:</b>	Fresh Keeping Freezing	<b>Trademark:</b>	N/M
<b>Density of panel:</b>	40-42kg/cm3	<b>Certification:</b>	ISO CE
<b>Core material:</b>	Rock wool Polyurethane	<b>Temp of room:</b>	-60°C~+20°C optional/Customization
<b>Fittings:</b>	All necessary fittings are included, optional		

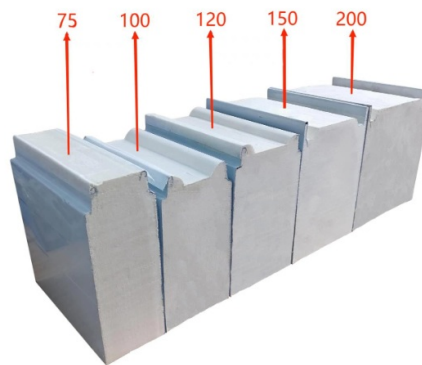

## Cold Room Parameters

Use nature/Suitable for	Temperature range
Fruit ripening	>25
Processing room	12~19
Fruit, vegetable, dry food	-5~+10
Medicine, cake, pastry, chemical material	0~-5
Ice storage room	-5~-10

Fish, meat storage	-18~-25
Deep freezer, low temperature storage, quick-freeze, blast freezer	-25~-40

## Freezer Room PU Panel:

### Material selection:

Color steel plate, stainless steel plate, nano anticorrosive plate, specific materials, according to customer requirements, customized thickness and color.

### Advantages:

High pressure strength, flexible combination, easy installation, etc.

## Condensing Unit:

•Compressor Optional:

1-Hermetic Scroll

2-Semi-hermetic or Screw

•Condenser: Air cooled or Water cooled

•Frame: can be steel shell with spray painting or open type on steel frame

•Refrigerant: R404a/R410a

•Capacity: Single compressor 2HP-50HP

## Air cooler:

Size can be customized

Defrosting speed is fast, effect is good, energy consumption is small

Selection of well-known fan motor, low noise, large air volume

Aluminum profiles are processed by hot and cold processes in the production process, which has strong corrosion resistance

Beautiful appearance, double shell spray

## Packing:

### The protective packaging of the PU Panel:

- 1, film packaging to prevent moisture, rust and transportation scratches
2. Four-corner cardboard protection to prevent impact
- 3, neatly placed, avoid shaking

### The protective packaging of the Smart Packaged Unit:

1. Wooden box: fix the compressor and fan to prevent shaking
2. Bottom support: easy to load and unload to prevent packaging damage

**Freezer room is a warehouse that artificially generates a specific temperature. It is usually designed to store products in an environment below the outside temperature. Combination cold room was assembled by PU panels, cold room at the same time has good air tightness and heat insulation effect.**

**According to the requirements of use of thermal insulation and cold room panel place is different, can choose different size and the thickness of the material according to the requirements of panel products.**

## Company Profile:

Zhejiang Damai Cold Chain Equipment Co., Ltd. was established in 2001, is a specialized company engaged in cold storage design, installation and sales. The company is located in Shaoxing, Zhejiang, China, the company has a strong technical design team, with strong technical force and advanced production equipment, to provide customers with high quality, high efficiency, high benefit quality service.

## Why choose our company ?

1. Because our company has CAC official .
2. We have a good one-year after-sales service.
3. We have over 20 years of sales experience.
4. We have our own Equipment manufacturing plant
5. We will try our best to provide a professional response as soon as possible.

## Product advantages

1. Quite operation.
2. Seamless connection.
3. Easy installation
4. Beautiful and elegant placement of circuit devices.
5. Using the best equipment.
6. Not easily damaged.

## FAQ:

### Q: Are you trading company or manufacturer?

A: We are professional manufacturer specialized in refrigeration equipment.

### Q: How many different types of products your company manufactures?

A: Now we have more than 1,000 products. We have a strong advantage of OEM, just give us the actual products or your idea that you want, we will manufacture for you.

### Q: What's your MOQ?

A: If we have the products in stock, it will be no MOQ. If we need to produce, we can discuss the MOQ according to customer's exact situation.

### Q: Visting factory is allowed or not?

A: Yes, we welcome customers visiting our factory. Our factory is located Shaoxin city, Zhejiang province, China mainland.

## After Sales Service:

**Pre-sales:** We provide assistance to our customers, provide valid information according to the requirements of our guests, answer questions, leave a professional impression, and lay the foundation for future sales.

**Selling:** let our customers know more about our products, and enthusiastically answering questions for customers and providing customers with a pleasant buying experience.

**After-sales:** In the normal operation process, when the user finds a fault or abnormal situation, he shall notify our company or the manufacturer in time, and contact the manufacturer according to the contact information provided in this plan.
