

## 380V 220V Freezer Cold Room For Precise Temperature And Humidity Control

Our Product Introduction

for more products please visit us on [coldroomunit.com](http://coldroomunit.com)

### Basic Information

- Place of Origin: CHINA
- Brand Name: DM
- Certification: CE;ISO
- Model Number: DM-LK-0007
- Minimum Order Quantity: 1
- Price: \$2000~\$100000
- Packaging Details: Customized
- Delivery Time: 30 Work days
- Payment Terms: T/T
- Supply Ability: 1PCS/30 Days

### Product Specification

- Compressor: Konor / Danfoss
- Voltage: 220V, 380V
- Panel: PU Panels
- Alarm System: Temperature Alarm/Power Failure Alarm
- Condenser Type: Air Cooled/Water Cooled
- Defrost Type: Electric Defrosting
- Core Components: Pressure Vessel, Motor, Bearing
- Material: PU(Polyurethane)
- Name: Freezer Cold Room
- Highlight: 380V Freezer Cold Room ,  
220V Freezer Cold Room ,  
380V Cold Room Freezer Room

## Product Description

Customizable Cold Room for Precise Temperature and Humidity Control

# Cold Room

## Detailed Photos

## Product Description:

<b>Model NO:</b>	DM-LK-0007	<b>Dimension(L*W*H):</b>	Customized
<b>Material of panels:</b>	Polyurethane cold storage board	<b>Copper tube connector:</b>	Fitting reducer
<b>Voltage:</b>	380V/460V/220V	<b>Controller:</b>	Automatic electric controller, PLC
<b>Refrigerant:</b>	R404a R22a R134a R507	<b>Quality Assurance:</b>	2.6Mpa leak-proof stress test
<b>Door type:</b>	Swing Door/Sliding Door/Double Door/Single Door	<b>Cold room compressor type:</b>	Screw,Piston, Scroll etc
<b>Use nature:</b>	Fresh Keeping Freezing	<b>Trademark:</b>	N/M
<b>Density of panel:</b>	150-200kg/cm3	<b>Certification:</b>	ISO;CE
<b>Core material:</b>	Rock wool Polyurethane	<b>Temp of room:</b>	-40°C~+20°C Customization
<b>Fittings:</b>	All necessary fittings are included, optional		

## Features:

Product Name: Cold Room

Usage: Store food

Defrost Type: Electric Defrosting,Compressed Air Defrosting,Hot gas defrosting

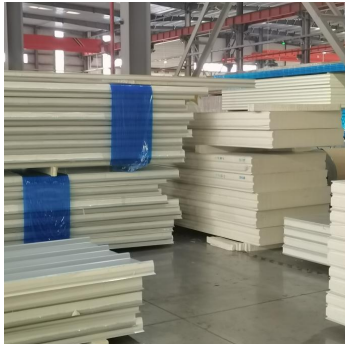

Compressor: Danfoss/Copeland/Bitzer

Condenser Type: Air Cooled/Water Cooled

## Technical Parameters:

Compressor	Konor / Danfoss
Voltage	220V, 380V
Usage	Store food
Condition	New
Panel	PU Panels
Defrost Type	Electric Defrosting
Core Components	Pressure Vessel, Motor, Bearing
Panel Material	High Density PU Foam
Cooling System	Compressor/ Condenser/ Evaporator
Size	Customized

## Freezer Room PU Panel:

### Material selection:

Color steel plate, stainless steel plate, nano anticorrosive plate, specific materials, according to customer requirements, customized thickness and color.

### Advantages:

High pressure strength, flexible combination, easy installation, etc.

## Condensing Unit:

•Compressor Optional:

1-Hermetic Scroll

2-Semi-hermetic or Screw

•Condenser: Air cooled or Water cooled

•Frame: can be steel shell with spray painting or open type on steel frame

•Refrigerant: R404a/R410a

•Capacity: Single compressor 2HP-50HP

## Air cooler:

Size can be customized according to customer needs

Defrosting speed is fast, effect is good, energy consumption is small

Selection of well-known fan motor, low noise, large air volume

Aluminum profiles are processed by hot and cold processes in the production process

Beautiful appearance, double shell spray

## Applications:

Cold Storage Room for Food Storage

The DM-LK-0005 Cold Storage Room is perfect for businesses that need to store food products at low temperatures. With its advanced cold room air cooler system, the room is able to maintain a consistent temperature that keeps food fresh for longer. The electric defrosting system ensures that the room is easy to maintain, while the high-density PU foam panel material ensures that the room is well-insulated and energy-efficient. The room also comes equipped with a temperature alarm and power failure alarm to ensure that your products are always protected.

Blast Cold Room for Industrial Applications

The DM-LK-0005 Cold Storage Room is also ideal for industrial applications where products need to be rapidly cooled. The room's advanced cooling system is able to quickly bring the temperature down to the required level, making it perfect for businesses that need to store products like chemicals, pharmaceuticals, or other sensitive materials.

Cold Storage Room for Agricultural Products

The DM-LK-0005 Cold Storage Room is also perfect for businesses that need to store agricultural products like fruits and vegetables. With its energy-efficient design, the room is able to maintain a consistent temperature that keeps products fresh for longer. The room's Konor/Danfoss compressor ensures that the room is able to maintain the required temperature even in extreme conditions. Whether you're looking for a cold storage room for food storage, industrial applications, or agricultural products, the DM-LK-0005 Cold Storage Room is the perfect solution. With its high-quality construction, advanced cooling system, and temperature and power failure alarms, this product is sure to meet all your cold storage needs. The minimum order quantity is 1, and the price ranges from \$2000 to \$100000 depending on the size and configuration of the unit. Delivery time is 30 work days, and payment terms are T/T. The product is CE and ISO certified, ensuring that it meets the highest standards of quality and safety.
