

Industrial PU Freezer Cold Room , Air Cooler Walk In Freezer Condensing Unit

Our Product Introduction

for more products please visit us on coldroomunit.com

Basic Information

- Place of Origin: CHINA
- Brand Name: DM
- Certification: CE;ISO
- Model Number: DM-0005
- Minimum Order Quantity: 1
- Price: \$2000~\$100000
- Packaging Details: Customized according to customers
- Delivery Time: 30 Work days
- Payment Terms: T/T
- Supply Ability: 300000

Product Specification

- Core Components: Pressure Vessel, Motor, Bearing
- Condition: New
- Material: PU(Polyurethane)
- Evaporator Type: Air Cooler/Plate Cooler
- Defrost Type: Electric Defrosting
- Alarm System: Temperature Alarm/Power Failure Alarm
- Usage: Meat, Food, Sea Food, Fish, Etc
- Machinery Test Report: Provided
- Power: Energy Save
- Panel Thickness: 50mm/75mm/100mm
- Key Selling Points: Energy Saving
- Dimension: As Per Your Requirements
- Floor Material: Aluminum/ Stainless Steel

Product Description

Industrial PU Cold Room With Air Cooler And Walk In Freezer Condensing Unit For Temperature Control

Cold storage

Product Description:

Our cold room products are the perfect solution for businesses and industries that require reliable and efficient refrigeration. With their advanced technology, various size options, electric defrost systems and alarm systems, you can rest assured that your products will always maintain the ideal temperature.

Type:

Freezer; quick-freezing warehouse; fresh-keeping warehouse.

Use nature/Suitable for	Tempreture range
Fruit ripening	>25C
Processing room	12~19C
Fruit, vegetable, dry food	-5~+10C
Medicine, cake, pastry, chemical material	0C~-5C
Ice storage room	-5~-10C
Fish, meat storage	-18~-25C
Deep freezer, low temperature storage, quick-freeze, blast freezer	-25C~-40C

Condensing Unit

- Compressor Optional:
1-Hermetic Scroll
2-Semi-hermetic or Screw
- Condenser:Air cooled or Water cooled
- Frame:can be stell shell with spray painting or open type on stell frame
- Refrigerant:R404a/R410a
- Capacity:Singe compressor 2HP-50HP

Features of air cooler:

Durable, low noise, easy to install. Thicker copper tubes, no cutting corners, all tested by the market for a long time. Perfect match with refrigeration unit

Applications:

We have a reliable and efficient choice for any business looking for high-quality refrigeration equipment.

Choose the DM-0005 Cold Room for a new, high-quality, and efficient refrigeration solution.

Support and Services:

Our Cold room product technical support and services include:

- Installation and commissioning of the Cold room
- On-site training for the operation and maintenance of the Cold room
- Troubleshooting and technical assistance for any issues that may arise
- Regular maintenance and servicing of the Cold room to ensure optimal performance
- Upgrades and modifications to the Cold room to meet changing needs or requirements

FAQ:

Q: What is the brand name of the cold room product?

A: The brand name of the cold room product is DM.

Q: What is the model number of the cold room product? Q: Where is the cold room product manufactured?

A: The cold room product is manufactured in China.

Q: What certifications does the cold room product have?

A: The cold room product has CE and ISO certifications.

Q: What is the minimum order quantity for the cold room product?

A: The minimum order quantity for the cold room product is 1.

Q: What is the price range for the cold room product?

A: The price range for the cold room product is about between \$2000 and \$100000.

Q: What is the delivery time for the cold room product?

A: The delivery time for the cold room product is 30 work days.

Q: What are the payment terms for the cold room product?

A: The payment terms for the cold room product is T/T.

We will pack the goods reasonably according to different products
