

Waterproof Cold Storage Room , Warehouse / Kitchen Cold Room With PU Panels

Our Product Introduction

Basic Information

- Place of Origin: CHINA
- Brand Name: DM
- Certification: CE;ISO
- Model Number: DM-0005
- Minimum Order Quantity: 1
- Price: \$2000~\$100000
- Packaging Details: Customized according to customers
- Delivery Time: 30 Work days
- Payment Terms: T/T
- Supply Ability: 300000

Product Specification

- Size: Any Size Is Ok
- Cooling System: Compressor/ Condenser/ Evaporator
- Condenser Type: Air Cooled/Water Cooled
- Panel Material: High Density PU Foam
- Panel: PU Panels
- Usage: Cold Storage
- Core Components: Pressure Vessel, Motor, Bearing
- Defrost Type: Electric Defrosting
- Power: Energy Save
- Temperature: - 40°C ~ + 20°C, Optional
- Product Type: Cold Storage Room
- Core Material: PUR/PIR
- Key Selling Points: Energy Saving
- Door Type: Sliding Door
- Weight: 500 KG

Product Description

PU Sandwich Panel Cold Storage Room Condenser With PU Panels Blast Freeze Warehouse Kitchen

Cold room

The Cold Storage Room's Condenser Type can be Air Cooled or Water Cooled, tailored to the user's needs and preferences. Both options are designed to efficiently maintain the desired internal temperature. The Air Cooled type is ideal for well-ventilated areas, whereas the Water Cooled type fits better in places with restricted airflow.

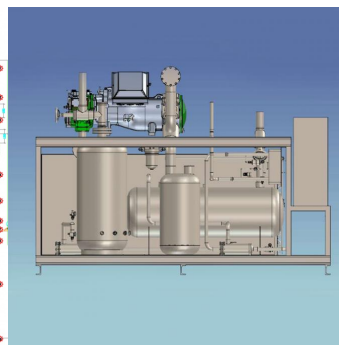

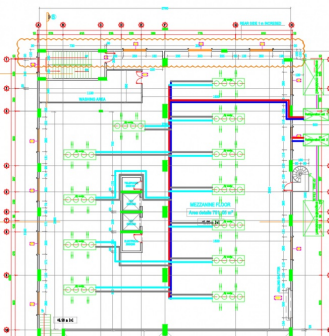

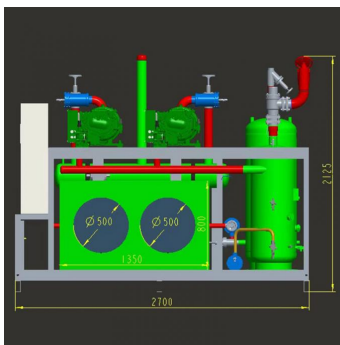

Select

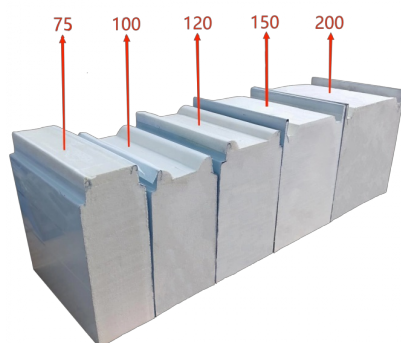

Use nature/Suitable for	Temperature range
Fruit ripening	>25C
Processing room	12~19C
Fruit, vegetable, dry food	-5~+10C
Medicine, cake, pastry, chemical material	0C~-5C
Ice storage room	-5~-10C
Fish, meat storage	-18~-25C
Deep freezer, low temperature storage, quick-freeze, blast freezer	-25C~-40C

Product list

Fireproof grade B1
Waterproof
Easy to install
Thickness and pattern can be customized

Compressor
Expansion valve
Condenser
Control system
Ball valve
Oil separator
Liquid storage tank
Solenoid valve

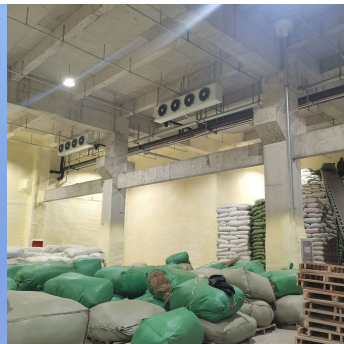

Micro-light motor,
customizable, good
cooling effect, thick
copper tube wall, large
fan diameter, fast
cooling speed, simple
installation, beautiful

machine

Engineering Cases

We are a professional manufacturer of refrigeration equipment with over ten years of experience in the refrigeration industry. Our equipment supports customization.

Company advantages

Zhejiang Damai Cold Chain Equipment Co., Ltd. is located in Shaoxing City, Zhejiang Province. Damai is a professional company that produces refrigeration equipment. Our main equipment includes refrigeration rooms, evaporators, condensers, condensing units, compressors, refrigeration room panels/doors, etc. We have over ten years of experience in the field of refrigeration, possessing high-quality technology and professional product knowledge. We can provide consumers with professional and high-quality technical services. Our product quality can be guaranteed.

Packing

The protective packaging of the PU Panel:

- 1, film packaging to prevent moisture, rust and transportation scratches
2. Four-corner cardboard protection to prevent impact
- 3, neatly placed, avoid shaking

The protective packaging of the Smart Packaged Unit:

1. Wooden box: fix the compressor and fan to prevent shaking
2. Bottom support: easy to load and unload to prevent packaging damage

Freezer room is a warehouse that artificially generates a specific temperature. It is usually designed to store products in an environment below the outside temperature. Combination cold room was assembled by PU panels, cold room at the same time has good air tightness and heat insulation effect.

According to the requirements of use of thermal insulation and cold room panel place is different, can choose different size and the thickness of the material according to the requirements of panel products.

RFQ

Q: Are you trading company or manufacturer?

A: We are professional manufacturer.

Q: How many different types of products your company manufactures?

A: Now we have more than 5,000 products. We have a strong advantage of OEM, just give us the actual products or your idea that you want, we will manufacture for you.

Q: What's your MOQ?

A: 1Pc

Q: Visting factory is allowed or not?

A: It's ok. Our factory is located Wangfeng hangkong town.
