

Customized Refrigeration Parts Solder Thermostatic Expansion Valve

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: DM brand
- Certification: CE
- Model Number: DM-FJ-11TR
- Minimum Order Quantity: 1
- Price: \$2000 -\$10000000
- Packaging Details: Customized according to customers
- Delivery Time: 30 work day
- Payment Terms: T/T, L/C, D/A
- Supply Ability: 1pcs/per 25day

Product Specification

- Model NO.: Customized
- Trademark: N/M
- Certification: CCC
- Internal: External
- Transport Package: Transport Package
- Condition: New
- Material: Metal
- Compatibility: Universal
- Size: Various Sizes Available
- Application: Refrigeration Equipment
- Durability: Long-lasting
- Type: Replacement Parts
- Function: Maintains Proper Temperature
- Installation: Easy To Install
- Name: Thermostatic Expansion Valve

Product Description

Refrigeration Part Solder Thermostatic Expansion Valve For Cold Storage Room 11TR Type Danfoss R507 Copper

Danfoss valves

1. Application field:

Choose the appropriate valve type according to your specific application needs, such as refrigerant charging valve, pressure regulating valve, flow control valve, etc.

2. Performance requirements:

Including pressure range, flow rate, temperature range, durability, etc.

Table parameters

Refrigerant	Models	Pressure equaliser	Capillary (M)	Connections		Product Code No					
				inlet x outlet		N series -40~+10°C		NM series -40~-5°C	NL series -40~-15°C	B series -60~-25°C	
				in.xin	mmx mm	without MOP	with MOP	with MOP	with MOP	without MOP	with MOP

Or there are other models that you can privately chat with me about separately.

Product Legend

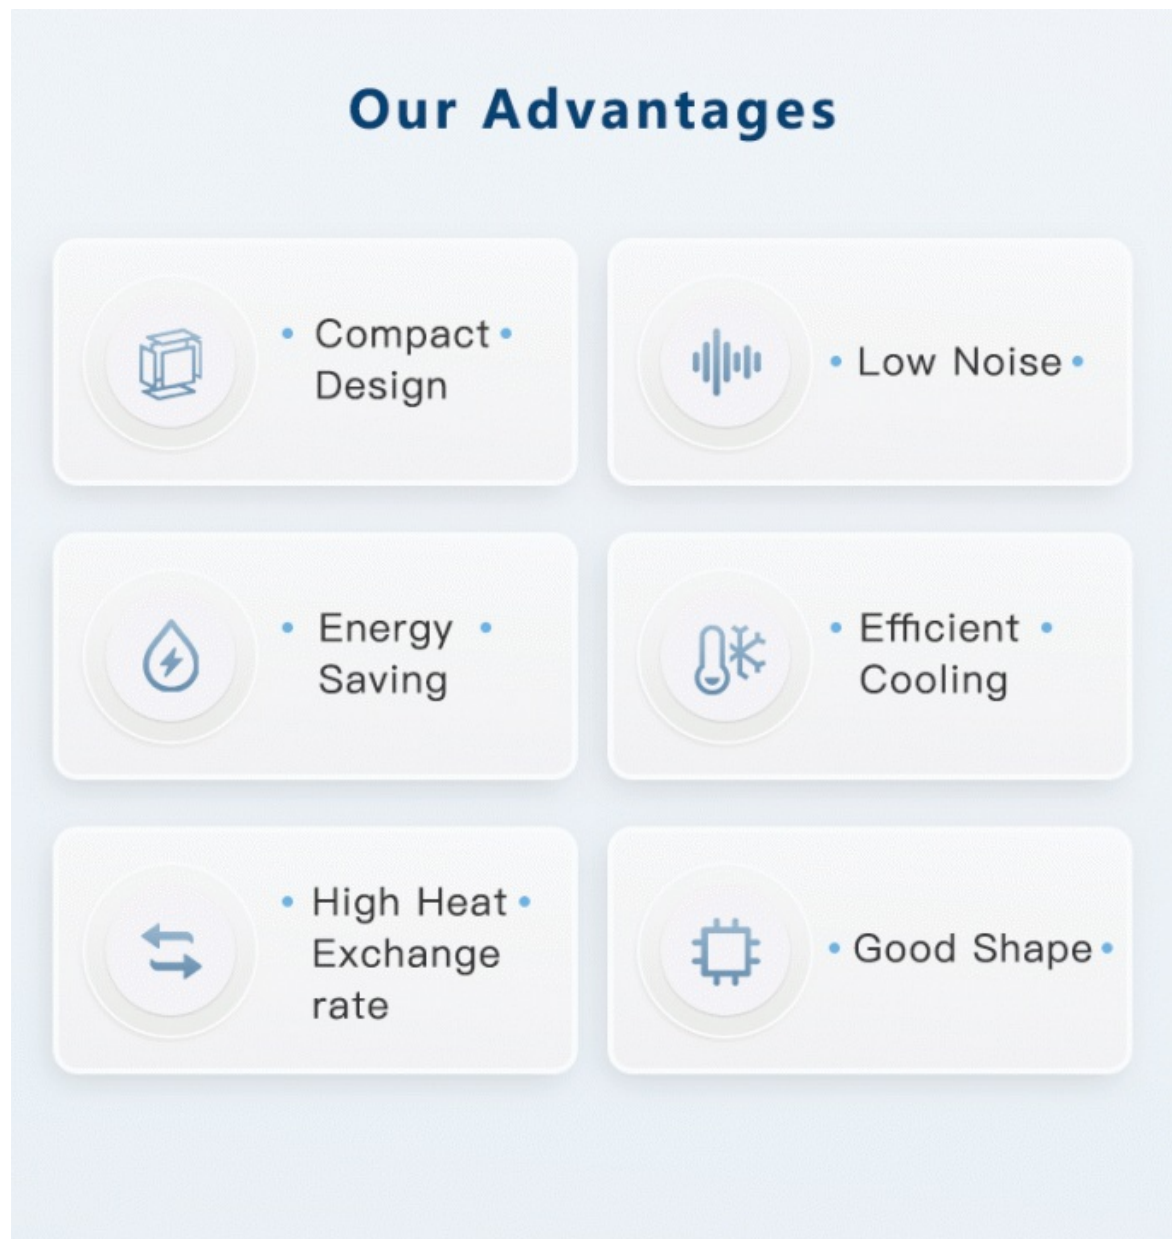

Our valves are all made of copper

Thermostatic expansion valve regulates the flow of liquid refrigerant entering the evaporator. The flow

is controlled by a thermal ball valve attached to the evaporator outlet suction pipe. Thermostatic ball sensing evaporator heating and regulating valve
Gets the coolant according to the cooling load.

Advantage

RFQ

1. Q: Are you a manufacturer?

A:A: Yes, we are manufacturer. Non-standard customization and OEM service are both welcomed and available.

2.Q: Can I get the warranty?

A: Yes, under the condition that the user apply the equipment correctly, we provide 1 year quality warranty.

3.Q: How to pay?

A: 30% of total amount to be paid before production, and the balance payment before shipment.

4.Q: How to ship?

A: We work with experienced shipping agent who could arrange your delivery on the cheapest and fastest way. Our closest port is Ningbo/ShangHai.

5.Q: What about the delivery date?

A: 10-30 days, depends on the order.

6.Q: What about the maintenance?

A: All the products are tested before shipment, and maintenance is easy. We provide patient pre-sale service and considerate after-sale service.
