

## Custom Industrial Refrigeration Condensing Unit For Cold Storage Cooling System Air Cooling

Our Product Introduction

for more products please visit us on [coldroomunit.com](http://coldroomunit.com)

### Basic Information

- Place of Origin: CHINA
- Brand Name: DM
- Certification: CE;ISO
- Model Number: DM-JZ-0003
- Minimum Order Quantity: 1
- Price: \$150-\$1000
- Packaging Details: Customized
- Delivery Time: 15-30 work days
- Payment Terms: T/T
- Supply Ability: 5000000pieces/Year

### Product Specification

- Voltage: 380V/3p/50Hz,220V/3p/60Hz,380V/3p/60Hz
- Compressor Type: Elective
- Noise: Low Noise
- Transport Package: Transport Package
- Marketing Type: Hot Product
- Warranty: 1 Years Limited
- Original: China
- Weight: According To Product
- Fans Species: Frequency Fan
- Evaporation Temperature: -40 ~-10
- Power Supply: 380V/220V Or
- Showroom Location: None
- Evaporating Temperature: -45C~+7C
- Port: Ningbo , Shanghai
- Structure: Horizontal Condensing Unit

## Product Description

Industrial Custom Refrigeration Equipment Condensing Units For Cold Storage Cooling System Air Cooling

# Condensing Units

## Product Description:

### Main components:

compressor  
suction and discharge valves  
oil heating belt  
condenser  
liquid receiver  
Drier and filter  
sight glasses  
solenoid valve  
diaphragm type pressure switch  
H/L pressure gauge  
etc.

item	value
Condition	New
Weight (KG)	65
Showroom Location	Viet Nam
Video outgoing-inspection	Provided
Machinery Test Report	Provided
Marketing Type	New Product 2023
Place of Origin	China
Type	Refrigeration Compressor
Application	Refrigeration Parts
Warranty	1 Year
Product name	Condensing Unit
Refrigerant	R404A.R134a.R507
Description	Cold Storage Refrigeration System
MOQ	1 Set
Keywords	Customized and Low Noise With Cheaper Price

## Product Images:

## Product Advantages:

### RAPID COOLING & ENERGY SAVING

- High efficient refrigeration compressors
- Enable low refrigerant charges due to the optimised condenser and receiver design
- Energy saving, operate with environmental friendly refrigerant

### HIGH RELIABILITY & DURABILITY

- Robust design, Stable operation
- Use only high-quality refrigeration parts that are assembled with care to optimize performance
- Safety valves, high and low pressure protection, compressor overload protection
- Pressure testing and leak detection before leaving the factory
- Less noise and vibration
- Low failure rate, Long service life

### FLEXIBLE DESIGN

- VARIOUS CONDENSING METHOD

### Air Cooled Condenser

- The coil adopts a rubbing type and utilizes mechanical expansion to tightly bond the copper tube and aluminum sheet, resulting in good heat exchange effect.
- The aluminum sheet is tightly bonded to the copper tube, resulting in high heat exchange efficiency.
- Equipped with high power, high air volume, and low speed motors
- Various Structures: Open Type and Box type

## FAQ:

### 1. Q: Are you a manufacturer?

A: Yes, we are manufacturer.

### 2. Q: Can I get the warranty?

A: Yes, under the condition that the user apply the equipment correctly, we provide 1 year quality warranty.

### 3. Q: How to buy?

A: Please contact us by email or online at first, and then we will offer our proposal and quotation based on your demand.

### 4. Q: How to pay?

A: 40% of total amount to be paid before production, and the balance payment before shipment.

### 5. Q: How to ship?

A: We work with an experienced shipping agent who could arrange your delivery on the cheapest and fastest way. Our closest port is Xiamen.

### 6. Q: What about the delivery date?

A: 15-30 days, depends on the order.

### 7. Q: What about the maintenance?

A: All the products are tested before shipment, and maintenance is easy. We provide patient pre-sale service and considerate after-sale service.
