

Polyurethane Cold Room Panels PU Insulated Sandwich Freezer Room Panels

Our Product Introduction

for more products please visit us on coldroomunit.com

Basic Information

- Place of Origin: China
- Brand Name: Damai
- Model Number: CRP2
- Minimum Order Quantity: 5m²
- Price: 7 usd/m²
- Packaging Details: package suitable for sea, train, car transportation
- Delivery Time: 15 days
- Payment Terms: L/C, T/T, Western Union, MoneyGram
- Supply Ability: 20000000000000 per year

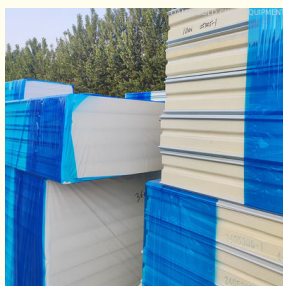

Product Specification

- Name: Cold Room Panel
- Core Material: Pu
- Width: 950mm/980mm/1000mm/1120mm
- Length: 0.5m~customized
- Core Thickness: 50mm/100mm/150mm/200mm/250mm
- Surface Material: Stainless Steel/color Steel/aluminium
- Thickness: 0.3~0.8mm
- Color: RAL Or Customized
- Production Time: 15~45 Days
- Fireproof Grade: A1/B1/B2
- Other Material: Rock Wool
- Application: Cold Room Storage
- Suitable Field: Food Industry/pharmacy/medical
- Exporting District: Asia, Africa, Northern America, southern Ameica, europe, Ocenia

Product Description

Competitive Price Freezer Polyurethane Insulation Pu Insulated Sandwich Cold Room Panels

Zhejiang Damai Cold Chain Equipment Co. is a professional supplier of complete solutions in the field of cold storage. We are located in Zhengjiang Province, very close to Shanghai.

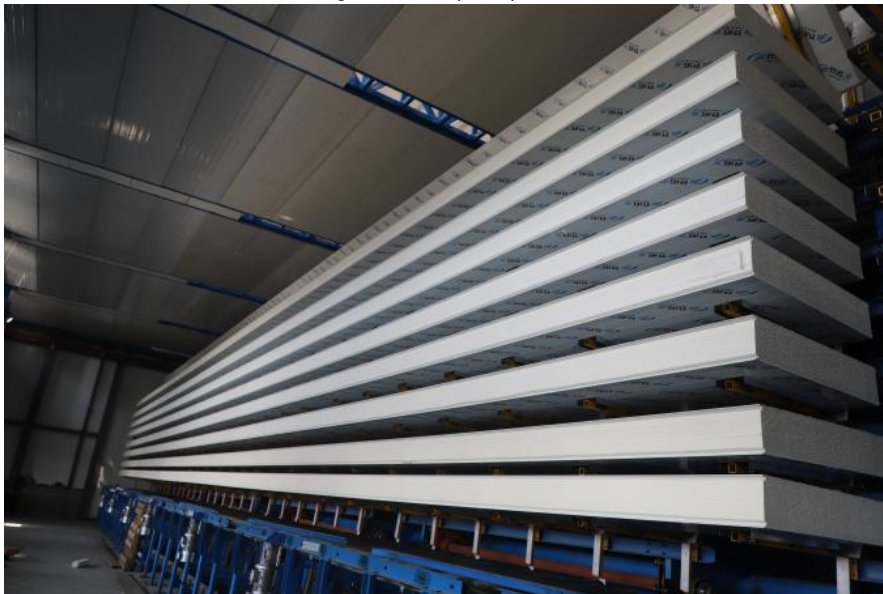

After 18 years, we have helped hundreds of customers to solve their cold storage construction and other issues.

For sandwich panels, we can supply customers with PIR/PUR/Cam Lock models to meet their requirements for each project. Our panels have high sealing and B1 fireproof rating, with safe, beautiful and economical characteristics.

We use the OMS high-pressure pentane foam system and Siemens intelligent production control technology to achieve "fluorine-free green production" and "fully automated and intelligent manufacturing", and then implement fully automated green manufacturing, clean manufacturing and intelligent manufacturing to meet the individual maintenance system construction needs of different customers through a one-stop shop.

Specifications	
Type	Polyurethane sandwich panels
PU Thickness	50mm/75mm/100mm/150mm/200mm/250mm
Metal sheet thickness	0.3~0.8mm
Effective Width	1000mm/1120mm

Specifications	
Surface	Prepainted
Thermal conductivity	0.023
Fireproof grade	B1/A1
Temperature range	-55~+160°
Density	35~45kg/m³
Color	RAL or customization
Service	OEM/ODM
Customization is welcome	

We insist on craftsmanship, focus on customer needs and interests, provide competitive maintenance system solutions and services, make customer buildings more colorful business operation, modern cold chain logistics, fitness center, large-scale cold storage, climate controlled cold storage, clean factories, high-tech industrial plants, various food processing plants, pharmaceutical/biological product manufacturing, etc., enabling green environment, energy saving, heat retention, high quality, and beautiful new building materials, providing various cold insulation doors and other product specifications to meet various needs, and providing customers with environmental protection and Provide environmental protection and energy saving solutions to customers. The core values of the company are "environmental protection and energy saving" and "people-oriented". The core values of the company are "environmental protection and energy saving" and "people-oriented".

DAMAI is committed to protecting the environment, saving energy, providing people with a high quality of life, and promoting social progress.

FAQ

Q: Are you a factory or a trading company?

A: We are professional manufacturer specialized in refrigeration equipment.

Q: How many different types of products your company manufactures?

A: Now we have more than 1,000 products. We have a strong advantage of OEM, just give us the actual products or your idea that you want, we will manufacture for you.

Q: What's your MOQ?

A: If we have the products in stock, it will be no MOQ. If we need to produce, we can discuss the MOQ according to customer's exact situation.

Q: Visting factory is allowed or not?

A: Yes, we welcome customers visiting our factory. Our factory is located Shaoxin city,Zhejiang province,China mainland.

Why choose our company ?

- 1.Because our company has CAC official .
- 2.We have a good one-year after-sales service.
- 3.We have over 20 years of sales experience.
- 4.We have our own factory.
- 5.We will try our best to provide a professional response as soon as possible.

Product advantages

- 1.Quite operation.
- 2.Seamless connection.
- 3.Easy installation
- 4.Beautiful and elegant placement of circuit devices.
- 5.Using the best equipment.
- 6.Not easily damaged
