

## White Cold Room Panel Rock Wool Sandwich Exterior Wall Sandwich Panel

Our Product Introduction

for more products please visit us on [coldroomunit.com](http://coldroomunit.com)

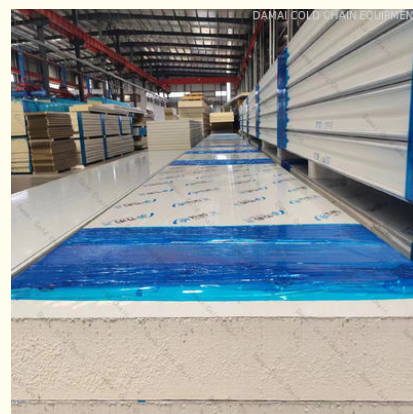

### Basic Information

- Place of Origin: China
- Brand Name: damai
- Certification: Fireproof grade
- Model Number: CRP2
- Minimum Order Quantity: 3m<sup>2</sup>
- Price: 9 usd/m<sup>2</sup>
- Packaging Details: for sea freight exporting package
- Delivery Time: 15 working days
- Payment Terms: L/C, T/T, Western Union, MoneyGram
- Supply Ability: 2000000000 2 years

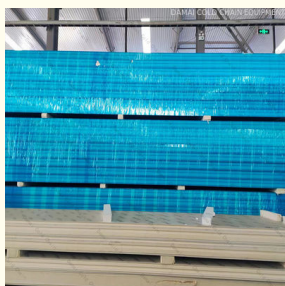

### Product Specification

- Connection Type: Cam-lock
- Compressor Brand: Copeland
- Panel Thickness: 50,75,100,120,150,200mm
- Temperature Range: ≤-18
- Cooling Way: Air Cooling/ Water Cooling
- Product Type: Build Cold Room Freezers
- Humidity Control: Yes
- Usage: Blast Freezer
- Refrigerant: R134a
- Door: Swing/Sliding
- Screen Netting Material: PLASTIC
- Cooling Capacity: Customer Requirements
- Color: White
- Cooling System: Air Cooling
- Machinery Test Report: Provided

## Product Description

### Cold Room Rock Wool Sandwich Exterior Wall Sandwich Panel For Food Pharmacy Cold Chain Logistic Industries

Zhengjiang Damai Cold Chain Equipment Co., Ltd.,

Damai is a professional supplier of project solutions for entire cold storage facilities.

We are located in Zhengjiang province, very close to Shanghai.

After 18 years, we have helped hundreds of customers solve their cold storage buildings and other issues.

Sandwich Panels can provide PIR/PUR/Cam Lock models to meet your requirements for any project. Our panels feature high sealing and B1 fire quality, as well as safe, aesthetic, and economical characteristics.

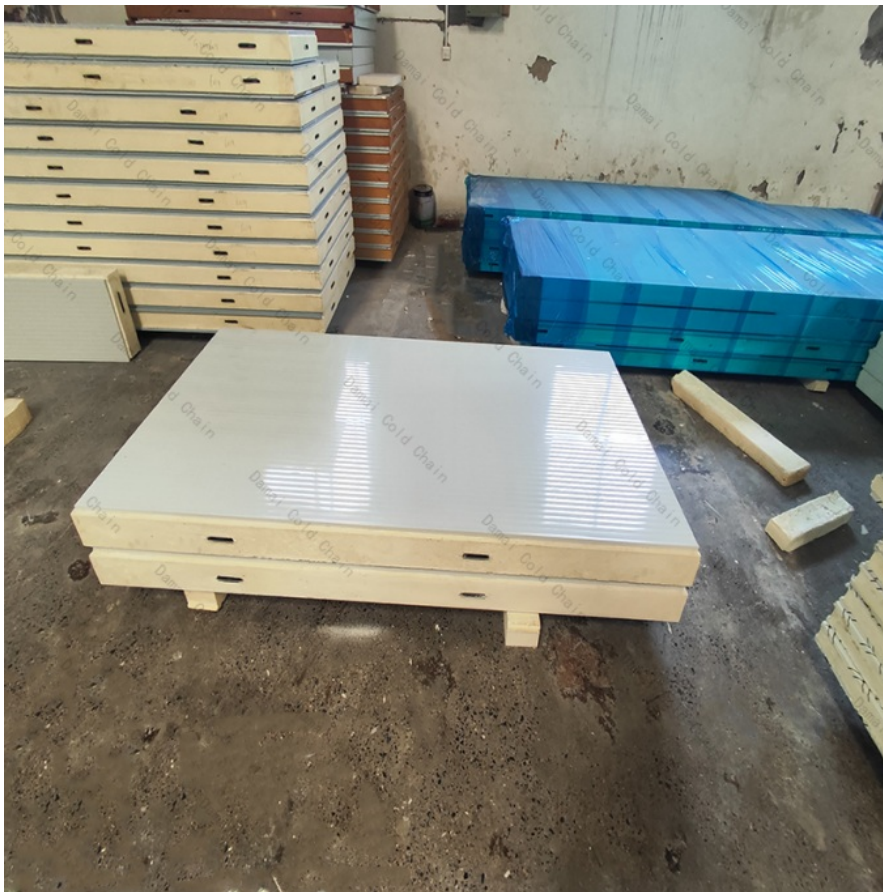

The OMS high-pressure pentane foam system and Siemens intelligent production control technology are used to achieve "fluorine-free green production" and "fully automated intelligent production", We are a one-stop solution to our customers' maintenance system building needs by realizing full automation of green production, clean production and smart production.

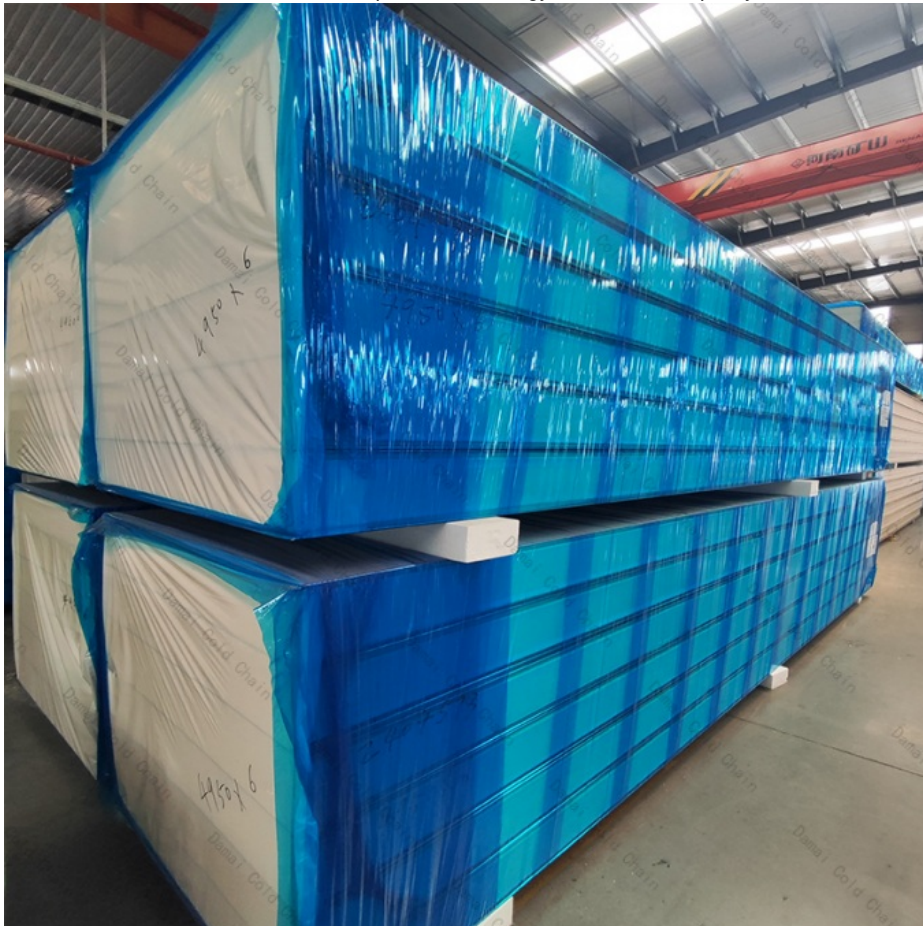

Specifications	
Type	Polyurethane sandwich panels
PU Thickness	50mm/75mm/100mm/150mm/200mm/250mm
Metal sheet thickness	0.3~0.8mm
Effective Width	1000mm/1120mm
Surface	Prepainted
Thermal conductivity	0.023
Fireproof grade	B1/A1
Temperature range	-55~+160°
Density	35~45kg/m³
Color	RAL or customization
Service	OEM/ODM
Customization is welcome	

We continue the spirit of craftsmanship, focus on customer needs and interests, provide competitive maintenance system solutions and services and make your building more colorful and corporate mission, modern cold chain logistics, fitness centers, large refrigerated warehouses, climate controlled cold storage, clean factories, high tech industrial plants, various food processing plants, pharmaceutical/biological production, etc., Insisting on green environment, energy saving and thermal insulation, providing high quality and beautiful new building materials, as well as cold insulation doors and other product lines in different specifications, to provide customers with high quality products, According to different needs, the company's core values are "environmental protection and energy saving" and "people-oriented", to provide customers with environmental protection and energy saving solutions. The company's core values are "environmental protection and energy saving" and "people-oriented".
