

Insulated PU Foam Wall Panel , Container House Cold Storage Panel For Fish Meat

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: DAMai
- Certification: fireproof grade
- Model Number: CRP5
- Minimum Order Quantity: 6 m²
- Price: 7.1 usd/m²
- Packaging Details: For Sea freight exporting package
- Delivery Time: 15~16 working days
- Payment Terms: L/C, T/T, Western Union, MoneyGram
- Supply Ability: 2000000002 2 years

Product Specification

- Cooling Way: Air Cooling/ Water Cooling
- Lighting: LED
- Application Of Industry: Fresh Storage
- Humidity: Low
- Compressor Type: Semi-Hermetic/Scroll
- Technical Support: Technicians
- Refrigeration Part: Danfoss
- Finish: Powder Coated, Galvanized
- Keywords: Coldroom Cold Storage
- Size: Large
- Expansion Valve: Denmark Brand DANFOSS
- Application: Food Storage/Pharmaceutical Storage
- Steel Material: Color Steel , Stainless Steel
- Cold Room Door: Sliding Door/Swing Door
- Control System: Full Automatic System

Product Description

Insulated Pu Foam Wall Panel For Container House Cold Storage Room Cold Room For Fish Meat

Zhengjiang Damai Cold Chain Equipment Co., Ltd.

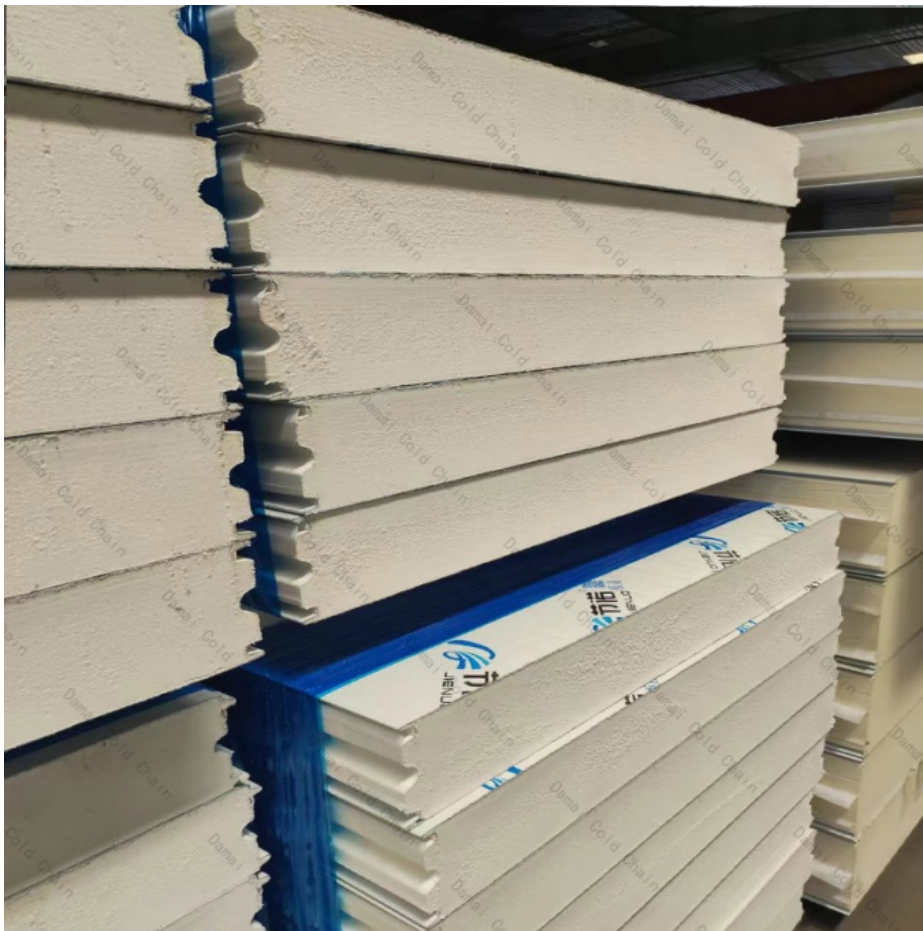

We are a professional supplier of total cold store solutions.

We are located in Zhengjiang, just outside Shanghai.

Over the past 18 years, we have helped hundreds of customers solve their cold store construction and other problems.

For sandwich panels, we can offer our customers PIR/PUR/Cam lock models to meet all their requirements for any project. Our sandwich panels are highly waterproof and B1 rated flame retardant and are safe, aesthetically pleasing and cost effective.

We have realized “Fluorine Free Green Manufacturing” and “Fully Automated Intelligent Manufacturing” by adopting OMS High Pressure Pentane Foam System and Siemens Intelligent Manufacturing Control Technology, And we realize full automation of green production, clean production, and intelligent production to meet various customers' maintenance system construction needs in a one-stop solution.

Specifications	

Specifications	
Type	Polyurethane sandwich panels
PU Thickness	50mm/75mm/100mm/150mm/200mm/250mm
Metal sheet thickness	0.3~0.8mm
Effective Width	1000mm/1120mm
Surface	Prepainted
Thermal conductivity	0.023
Fireproof grade	B1/A1
Temperature range	-55~+160°
Density	35~45kg/m³
Color	RAL or customization
Service	OEM/ODM
Customization is welcome	

We insist on carrying out the spirit of craftsmanship, focusing on customer needs and concerns, providing competitive maintenance system solutions and services, and making the customer building more colorful business mission, to provide green, energy-saving and heat preservation, high quality and beautiful new building materials for modern cold chain logistics, fitness centers, large-scale cold storage, air-conditioned cold storage, clean factories, high-tech industrial plants, various kinds of food processing plants, pharmaceutical / biological products manufacturing, etc. Offer green, energy saving and heat preservation, high quality and beautiful new building materials, as well as different specifications of cold storage thermal insulation door and other series of products, according to different needs to provide customers with high quality products, Provide customers with environmental protection and energy-saving solutions, "environmental protection and energy conservation", "people-oriented" as the core values of the enterprise. Environmental protection and energy-saving solutions," and 'people-oriented' as the company's core values.
