

Polyurethane Freezer Room Panels PU Insulated Cold Room Sandwich Panel For Cold Storage

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: DAmal
- Certification: fireproof Grade
- Model Number: CRP3
- Minimum Order Quantity: 7 m²
- Price: 7.11 usd/m²
- Packaging Details: for Sea freight exporting package
- Delivery Time: 15~17 working days
- Payment Terms: L/C, T/T, Western Union, MoneyGram
- Supply Ability: 2000000003 2 years

Product Specification

- Selling Units: Single Item
- Voltage: 220V/50Hz
- Warranty: One Year
- Door Type: Sliding Door
- Type Of Door: Sliding Door/Swing Door
- Panel: PU Insulation 50-200mm Thickness
- Panel Thicknesss: 75mm, 100mm, 120mm, 150mm, 200mm,etc
- Lighting: LED
- Model: FRCR-01
- Expansion Valve: Denmark Brand DANFOSS
- Compressor Brand: Copeland
- Control System: Digital Temperature Controller
- Door Panel Thickness: 100mm 150mm 200mm
- Temperature Range: -18°C To -25°C
- Refrigerant: R404a

Product Description

Competitive Price Freezer Polyurethane Insulation Pu Insulated Sandwich Cold Room Panels

Zhengjiang Damai Cold Chain Equipment Co., Ltd.

We are a specialized provider of comprehensive cold storage solutions.

We are located in Tay Giang province, very close to Shanghai.

Over the past 18 years, we have helped hundreds of customers with cold storage construction and other issues.

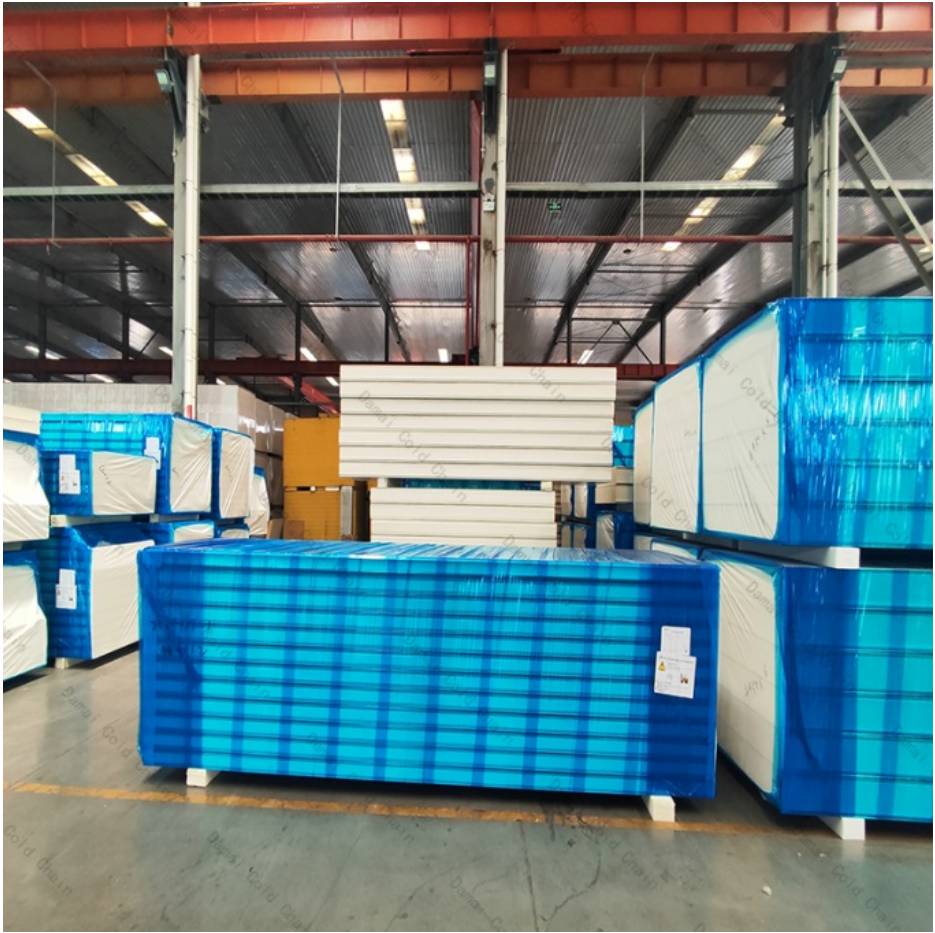

For sandwich panels, we can provide customers with PIR/PUR/Cam lock models to meet all customer requirements for any project.

Our panels are sealed to a high level and Class B1 fire resistant, with safety, beauty and cost-effective features.

We use OMS high pressure pentane foam system and Siemens intelligent production control technology to realize “fluorine-free green production” and “fully automated intelligent production”, We realize “fluorine-free green production” and “fully automated intelligent production” to meet customers' individual requirements for maintenance system construction with a single solution.

Specifications	

Specifications	
Type	Polyurethane sandwich panels
PU Thickness	50mm/75mm/100mm/150mm/200mm/250mm
Metal sheet thickness	0.3~0.8mm
Effective Width	1000mm/1120mm
Surface	Prepainted
Thermal conductivity	0.023
Fireproof grade	B1/A1
Temperature range	-55~+160°
Density	35~45kg/m³
Color	RAL or customization
Service	OEM/ODM
Customization is welcome	

For modern cold chain logistics, fitness centers, large-scale cold storage, air-conditioned cold storage, clean factories, high-tech industrial enterprises, various types of food processing enterprises, pharmaceutical/biological products manufacturing, etc., we adhere to the customer needs and concerns as the center, to cultivate the spirit of excellence, to provide competitive solutions and maintenance of the system services, so as to make the customization become a more colorful corporate mission.

Provide customers with environmental protection and energy saving solutions, "environmental protection and energy saving" and "people-oriented" as the company's core values. Environmental protection and energy saving" and 'people-oriented' are the core values of the company.

Damai is committed to protecting the environment, saving energy, providing people with quality life and promoting social progress.

FAQ

Q: Are you a factory or a trading company?

A: We are professional manufacturer specialized in refrigeration equipment.

Q: How many different types of products your company manufactures?

A: Now we have more than 1,000 products. We have a strong advantage of OEM, just give us the actual products or your idea that you want, we will manufacture for you.

Q: What's your MOQ?

A: If we have the products in stock, it will be no MOQ. If we need to produce, we can discuss the MOQ according to customer's exact situation.

Q: Visting factory is allowed or not?

A: Yes, we welcome customers visiting our factory. Our factory is located Shaoxin city,Zhejiang province,China mainland.

Why choose our company ?

- 1.Because our company has CAC official .
- 2.We have a good one-year after-sales service.
- 3.We have over 20 years of sales experience.
- 4.We have our own factory.
- 5.We will try our best to provide a professional response as soon as possible.

Product advantages

- 1.Quite operation.
- 2.Seamless connection.
- 3.Easy installation
- 4.Beautiful and elegant placement of circuit devices.
- 5.Using the best equipment.
- 6.Not easily damaged
