

## Heat Fire Water Resistant Metal Cold Room Wall Panels For Kitchen Cooling Storage Room

Our Product Introduction

for more products please visit us on [coldroomunit.com](http://coldroomunit.com)

### Basic Information

- Place of Origin: China
- Brand Name: damai
- Certification: Fireproof Grade
- Model Number: CRP6
- Minimum Order Quantity: 8 m<sup>2</sup>
- Price: 7.12 usd/m<sup>2</sup>
- Packaging Details: For sea freight exporting Package
- Delivery Time: 15~18 working days
- Payment Terms: L/C, T/T, Western Union, MoneyGram
- Supply Ability: 1000000001 per year

### Product Specification

- Product Type: Build Cold Room Freezers
- Panel Thickness: 100mm 120mm 150mm 180mm 200mm
- Package Type: Plywood Package With Pallet
- Cooling Way: Air Cooling/ Water Cooling
- Usage: Blast Freezer
- Selling Units: Single Item
- Color: White
- Room Temperature: According To Customer Requirement
- Refrigeration Part: Danfoss
- Shelf Material: Stainless Steel
- Type Of Door: Hinged Door
- Compressor: Bitzer/Copeland
- Design Style: Industrial
- Standard Width: 960mm
- Insulation: Polyurethane Foam

## Product Description

### Commercial Heat Fire Water Resistant Metal Cold Room Wall Panels For Kitchen Cooling Storage Room

Zhengjiang Damai Cold Chain Equipment Co., Ltd.

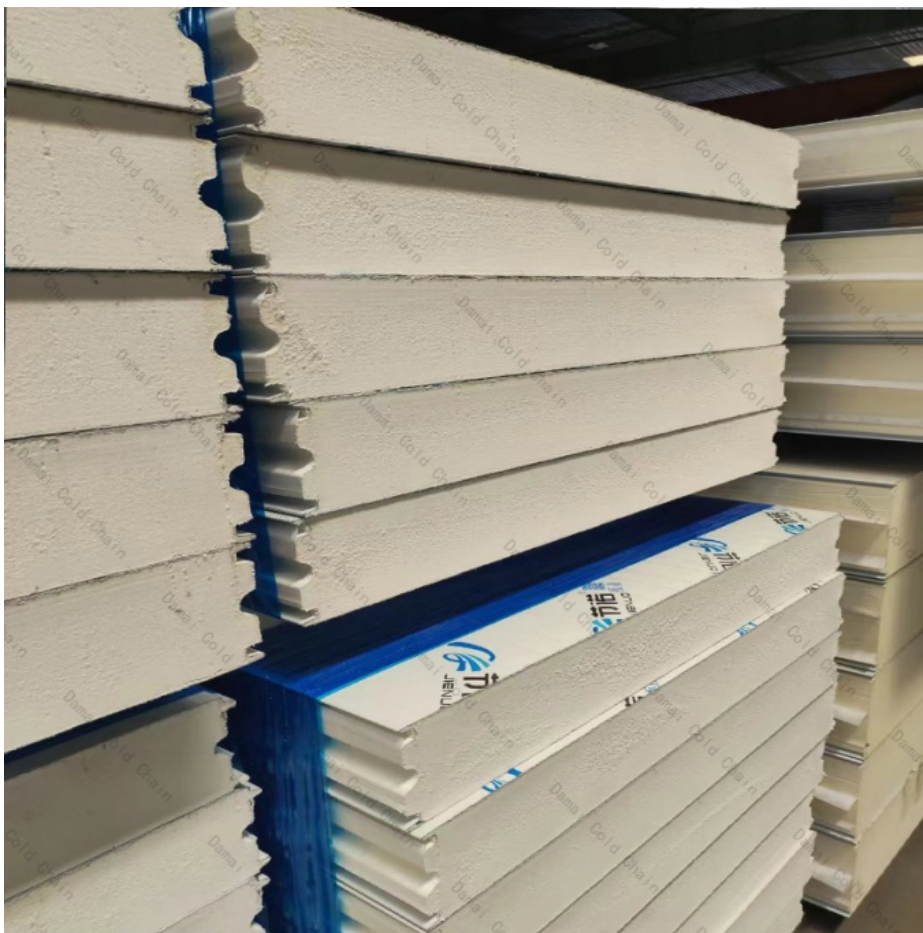

We are a professional supplier to solve the whole cold storage project.

We are located in Zhejiang Province, very close to Shanghai.

Over the past 18 years, we have helped hundreds of customers to solve their cold storage construction and other problems.

For sandwich panels, we can offer our customers PIR/PUR/Cam lock models to meet all their requirements for any project. Our sandwich panels are safe, aesthetically pleasing and economical with high sealing and B1 fire rating.

By applying the OMS high-pressure pentane foaming system and Siemens intelligent production control technology, the company realizes “fluorine-free green production” and “fully automated intelligent production”, In turn, it achieves full automation of “green,” “clean” and “intelligent production”, and meets the individual needs of different customers to establish one-stop maintenance systems.

Specifications	
Type	Polyurethane sandwich panels

Specifications	
PU Thickness	50mm/75mm/100mm/150mm/200mm/250mm
Metal sheet thickness	0.3~0.8mm
Effective Width	1000mm/1120mm
Surface	Prepainted
Thermal conductivity	0.023
Fireproof grade	B1/A1
Temperature range	-55~+160°
Density	35~45kg/m³
Color	RAL or customization
Service	OEM/ODM
Customization is welcome	

We insist on realizing the spirit of excellence, focusing on customers' needs and problems, providing competitive solutions and system services, so that the customer builds a more colorful corporate mission, for modern cold chain logistics, fitness centers, large-scale cold storage, air-conditioned cold storage, clean factories, high-tech industrial enterprises, various kinds of food enterprises, pharmaceutical / biological products production, etc. to ensure a green environment. Providing customers with environmental protection and energy saving solutions, "environmental protection and energy saving", "people-oriented" as the core values of the enterprise. The company's core values are "environmental protection and energy saving" and "people-orientation".

DAMAI strives to protect the environment, save energy, ensure people's quality of life and promote social progress.

## FAQ

**Q: Are you a factory or a trading company?**

A: We are professional manufacturer specialized in refrigeration equipment.

A: Now we have more than 1,000 products. We have a strong advantage of OEM, just give us the actual products or your idea that you want, we will manufacture for you.

**Q: What's your MOQ?**

A: If we have the products in stock, it will be no MOQ. If we need to produce, we can discuss the MOQ according to customer's exact situation.

**Q: Visting factory is allowed or not?**

A: Yes, we welcome customers visiting our factory. Our factory is located Shaoxin city,Zhejiang province,China mainland.

## Why choose our company ?

- 1.Because our company has CAC official .
- 2.We have a good one-year after-sales service.
- 3.We have over 20 years of sales experience.
- 4.We have our own factory.
- 5.We will try our best to provide a professional response as soon as possible.

## Product advantages

- 1.Quite operation.
- 2.Seamless connection.
- 3.Easy installation
- 4.Beautiful and elegant placement of circuit devices.
- 5.Using the best equipment.
- 6.Not easily damaged
