

100mm 120mm 75mm Cold Room Insulation Panels For Keeping Sea Food Fresh

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: damai
- Certification: Fireproof grade B1
- Model Number: CRP7
- Minimum Order Quantity: 7.12m²
- Packaging Details: For Sea freight exporting package
- Delivery Time: 15~18 working days
- Payment Terms: L/C, T/T, Western Union, MoneyGram
- Supply Ability: 1000000003 per year

Product Specification

- Power: 1.5kW/2.5kW
- Accessories: Provide All Cold Storage Accessories
- Panel: PU Insulation 50-200mm Thickness
- Humidity: Selectable Humidity Control
- Panel Thickness: 100mm, 120mm, 75mm
- Shelving Material: Galvanized Steel
- Voltage: 220V/380V
- Density: 40~42KG/M3
- Shelves: Adjustable
- Temperature: -45 ~20 (it Is Adjustable)
- Advantage: Easy Install
- Connection Type: Cam-lock
- Cooling System: Direct Expansion
- Control System: Digital Temperature Controller
- Cold Room Door: Sliding Door/Swing Door

Product Description

Cold Storage Panel 100mm Made To Size Cold Room Insulation Panels For Keeping Sea Food Fresh

Zhengjiang Damai Cold Chain Equipment Co., Ltd.

We are a specialized supplier of project solutions for the entire refrigeration industry.

We are located in Zhejiang province, very close to Shanghai.

For 18 years, we have helped hundreds of customers with their refrigeration project construction and other problems.

Sandwich Panels can provide PIR/PUR/Cam Lock models to meet your requirements for any project. Our panels feature high sealing and B1 fire quality, as well as safe, aesthetic, and economical characteristics.

OMS high-pressure pentane foam system and Siemens intelligent production control technology are used to realize “fluorine-free green production” and “fully automated intelligent production.”

We are a one-stop solution for various customers' maintenance system construction needs, realizing the full automation of green production, clean production and intelligent production.

Specifications	
Type	Polyurethane sandwich panels

Specifications	
PU Thickness	50mm/75mm/100mm/150mm/200mm/250mm
Metal sheet thickness	0.3~0.8mm
Effective Width	1000mm/1120mm
Surface	Prepainted
Thermal conductivity	0.023
Fireproof grade	B1/A1
Temperature range	-55~+160°
Density	35~45kg/m³
Color	RAL or customization
Service	OEM/ODM
Customization is welcome	

We insist on carrying on the spirit of craftsmanship, focus on customer needs and concerns, provide competitive system solutions and maintenance services, customer buildings more colorful corporate mission, modern cold chain logistics, fitness centers, large refrigerated warehouses, air-conditioned For cold storage, clean facilities, high-tech industrial facilities, various types of food processing plants, pharmaceutical / bio-product production, etc., provide green environment, energy saving, heat insulation, new high-quality and beautiful building materials, as well as various specifications of insulated doors for cold storage and other product series, provide customers with high-quality products according to different requirements to provide, Provide solutions for customers with “environmental protection and energy saving” and “people-oriented” as the core values of the company. Our core values are “environmental protection and energy saving” and “people-oriented”.

FAQ

Q: Are you a factory or a trading company?

A: We are professional manufacturer specialized in refrigeration equipment.

Q: How many different types of products your company manufactures?

A: Now we have more than 1,000 products. We have a strong advantage of OEM, just give us the actual products or your idea that you want, we will manufacture for you.

Q: What's your MOQ?

A: If we have the products in stock, it will be no MOQ. If we need to produce, we can discuss the MOQ according to customer's exact situation.

Q: Visting factory is allowed or not?

A: Yes, we welcome customers visiting our factory. Our factory is located Shaoxin city,Zhejiang province,China mainland.

Why choose our company ?

1. Because our company has CAC official .
2. We have a good one-year after-sales service.
3. We have over 20 years of sales experience.
4. We have our own factory.
5. We will try our best to provide a professional response as soon as possible.

Product advantages

1. Quite operation.
2. Seamless connection.
3. Easy installation
4. Beautiful and elegant placement of circuit devices.
5. Using the best equipment.
6. Not easily damaged
