Basic Information

- Place of Origin: China
- Brand Name: damai
- Certification: Fireproof grade
- Model Number: CRP2
- Minimum Order Quantity: 10m²
- Price: 7.11 usd/m²
- Packaging Details: for sea freight exporting package
- Delivery Time: 15~16 working days
- Payment Terms: L/C, T/T, Western Union, MoneyGram, D/A, D/P
- Supply Ability: 10000000002 per year

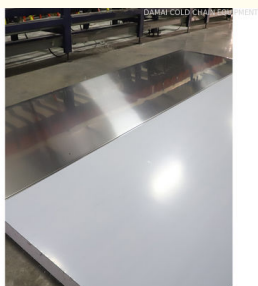

Product Specification

- Plate Thickness: 0.4mm-0.8mm, according To Your Needs.
- Insulation Material: PU Panel
- Color: White ,Yellow, Grey
- Panel Thickness: 50mm -200mm
- Type: Ceiling Panels
- Joint Type: Cam Lock, Tongue And Groove
- Material Thickness: 2-4mm
- Size: As Per Customer's Needs
- Compressive Strength: $\geq 160\text{kPa}$
- Surface Treatment: Chemical Nickel $7\mu\text{m}$
- Material: Polyurethane (PU) Foam
- Fire Proof Rate: B1
- Dimensions: Customized Size
- Plate Material: Metal
- Dimension: Customized

Why choose our company ?

CAC Official Certification: Our company holds CAC (a presumably renowned industry certification or standard, depending on the context, which could stand for various acronyms) official certification. This certification ensures that our products and services meet the highest standards of quality, safety, and performance. It gives our customers peace of mind knowing that they are partnering with a reputable and trustworthy company.

Excellent One-Year After-Sales Service: We understand the importance of customer satisfaction and are committed to providing excellent after-sales service. Our one-year after-sales service guarantee ensures that our customers receive prompt and professional support whenever they need it. We stand by our products and are always ready to address any issues or concerns that may arise.

Over 20 Years of Sales Experience: With over two decades of experience in the industry, we have a deep understanding of the market and the needs of our customers. Our extensive sales experience has equipped us with the knowledge and expertise to provide tailored solutions that meet the unique requirements of each client. We have a proven track record of success and are confident in our ability to deliver exceptional results.

In-House Manufacturing: Having our own factory allows us to maintain strict control over the quality and production process of our products. This ensures that every product we sell is of the highest quality and meets our rigorous standards. Additionally, it enables us to offer competitive pricing and faster delivery times, as we eliminate the need for third-party manufacturers.

Prompt and Professional Response: We value our customers' time and strive to provide a prompt and professional response to all inquiries and requests. Our team is dedicated to ensuring that our customers receive the attention and support they deserve. We understand that timely communication is key to building strong relationships and delivering exceptional customer experiences.

Product advantages

1. Quite operation.
2. Seamless connection.
3. Easy installation
4. Beautiful and elegant placement of circuit devices.
5. Using the best equipment.
6. Not easily damaged
