

50mm-250mm PU Sandwich Wall Panel For Clean Room / Cold Room

Our Product Introduction

for more products please visit us on coldroomunit.com

Basic Information

- Place of Origin: China
- Brand Name: damai
- Certification: Fireproof grade
- Model Number: CRP2
- Minimum Order Quantity: 10m²
- Price: 7.11 usd/m²
- Packaging Details: for sea freight exporting package
- Delivery Time: 15 working days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 2000000000 2 years

Product Specification

- Compressive Strength: $\geq 160\text{kPa}$
- Effective Width: 960mm , 1150mm
- Core Material: Polyurethane Foam
- Power Supply: 220V,50HZ,1phase; 380V,60HZ,3Phase,etc
- Main Power: 37KW
- Applications: Kitchen,Restuarant,Home Use ,etc
- Power Voltage: 220v,380v,420v,460v
- Length: Customizable
- Joint: Camlock (tongue And Groove)
- Fire Resistant: Be Fire Resistant
- Package: Carton
- Power: 5kw-200kw
- Design: Auto CAD
- Cooling Approach: Water Cooled Or Air Cooled
- Joint Methods: Cam-lock, Plug-in,etc.

Product Description

2024 New Design Technology Factory Manufacturer Cheap Pu Sandwich Wall Panels For Clean Room/Cold Room

Zhejiang Damai Cold Chain Equipment Co., Ltd., nestled in the vibrant province of Zhejiang, which is conveniently located in the vicinity of Shanghai, has established itself as a leading player in the cold chain equipment industry over the past 18 years.

Our rich history is marked by a steadfast commitment to excellence and a proven track record of assisting hundreds of satisfied customers with their cold storage construction projects and other related challenges.

With a wealth of experience spanning two decades, we have honed our expertise in designing, manufacturing, and installing state-of-the-art cold storage solutions tailored to meet the unique needs of our clients. Our portfolio boasts a diverse range of successful projects, each one a testament to our technical proficiency and customer-centric approach.

At Zhejiang Damai Cold Chain Equipment Co., Ltd., we understand that every cold storage project is unique and requires careful planning and execution. That's why we work closely with our clients from the initial consultation stage through to the completion of the project, ensuring that every detail is attended to with the utmost precision and professionalism.

Specifications	
Type	Polyurethane sandwich panels
PU Thickness	50mm/75mm/100mm/150mm/200mm/250mm
Metal sheet thickness	0.3~0.8mm
Effective Width	1000mm/1120mm
Surface	Prepainted
Thermal conductivity	0.023
Fireproof grade	B1/A1
Temperature range	-55~+160°
Density	35~45kg/m³
Color	RAL or customization
Service	OEM/ODM
Customization is welcome	

Moreover, we are constantly pushing the boundaries of innovation, investing in research and development to bring forth new and improved products and services that cater to the evolving needs of the industry. Our in-house manufacturing capabilities enable us to maintain strict quality control over every aspect of the production process, ensuring that our customers receive only the finest cold chain equipment available.

In conclusion, Zhejiang Damai Cold Chain Equipment Co., Ltd. is the go-to partner for all your cold storage construction and related needs. With our extensive experience, cutting-edge products, and unwavering commitment to customer satisfaction, we are confident in our ability to deliver exceptional results every time.

FAQ

Q: Are you a factory or a trading company?

A: We are professional manufacturer specialized in refrigeration equipment.

Q: How many different types of products your company manufactures?

A: Now we have more than 1,000 products. We have a strong advantage of OEM, just give us the actual products or your idea that you want, we will manufacture for you.

Q: What's your MOQ?

A: If we have the products in stock, it will be no MOQ. If we need to produce, we can discuss the MOQ according to customer's exact situation.

Q: Visting factory is allowed or not?

A: Yes, we welcome customers visiting our factory. Our factory is located Shaoxin city, Zhejiang province, China mainland.

Why choose our company ?

1. Because our company has CAC official .
2. We have a good one-year after-sales service.
3. We have over 20 years of sales experience.
4. We have our own factory.
5. We will try our best to provide a professional response as soon as possible.

The product advantages of Zhejiang Damai Cold Chain Equipment Co., Ltd.'s offerings are numerous and significant, setting them apart in the cold chain industry. Here are six key advantages that highlight the superior quality and performance of our products:

Quiet Operation: Our cold chain equipment is designed to operate with minimal noise, ensuring a peaceful and comfortable environment for both your staff and the stored products. This is particularly important in settings where noise levels need to be kept low, such as hospitals, laboratories, and food processing facilities.

Seamless Connection: Our products feature seamless connections, ensuring a tight and reliable seal that prevents the escape of cold air and the infiltration of warm air. This helps maintain optimal temperature conditions within the cold storage space, reducing energy consumption and extending the shelf life of stored products.

Easy Installation: We understand the importance of efficiency and convenience, which is why our products are designed for easy installation. Our team of experts can guide you through the entire process, from selecting the right equipment to installing it seamlessly in your facility. This minimizes downtime and ensures a smooth transition to your new cold storage solution.

Beautiful and Elegant Placement of Circuit Devices: We pay attention to the aesthetics of our products, ensuring that circuit devices are beautifully and elegantly placed. This not only enhances the overall look of your cold storage space but also ensures that all components are easily accessible for maintenance and repairs.

Using the Best Equipment: We are committed to using only the best equipment in our products. This includes high-quality compressors, insulation materials, and control systems that are known for their reliability, durability, and energy efficiency. By investing in the best, we ensure that our customers receive products that perform optimally and last for years to come.

Not Easily Damaged: Our products are built to withstand the rigors of daily use and the harsh conditions of cold storage environments. They are designed with durability in mind, using materials that are resistant to corrosion, wear, and tear. This ensures that your investment in our cold chain equipment will continue to provide reliable service for years to come.

In summary, Zhejiang Damai Cold Chain Equipment Co., Ltd.'s products offer a combination of quiet operation, seamless connections, easy installation, beautiful aesthetics, top-quality equipment, and exceptional durability. These advantages make our products the ideal choice for any cold storage project, regardless of size or complexity.
