### Basic Information

- Place of Origin: China
- Brand Name: damai
- Certification: Fireproof grade
- Model Number: CRP2
- Minimum Order Quantity: 10m<sup>2</sup>
- Price: 7.1 usd/m<sup>2</sup>
- Packaging Details: For Sea freight exporting package
- Delivery Time: 15 working days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1000000000 per year

DAMAI COLD CHAIN EQUIPMENT

### Product Specification

- Key Selling Points: Competitive Price
- Refrigeration Parts: Danfoss Castel Emerson
- Lighting: LED/ Fluorescent
- Application: Cold Storage Room Freezer Room
- Doors: Hinged-type
- Evaporator Type: Air-cooled/Water-cooled
- Material: Stainless Steel
- Compressor: Hermetic/ Semi-Hermetic/ Scroll
- Feature: Container
- Cold Room Logo: Custom-made
- Connection: Cam-lock
- Compressor Brand: Bitzer, Emerson
- Refrigerant: R404A/ R22/ R134a
- Interior Lighting: LED Lighting
- Panel Material: Color Steel/Stainless Steel

DAMAI COLD CHAIN EQUIPMENT

## Product Description

### New Technology China Manufacture High Quality Customized Pu Cold Room Wall Panel With Cam Lock

Zhejiang Damai Cold Chain Equipment Co., Ltd. is a professional supplier of total solutions in the field of refrigeration equipment. The company specializes in providing customers with a full range of refrigeration solutions, including but not limited to the design, manufacture, installation and after-sales service of cold storages, freezers, supermarket freezers, pharmaceutical cold storage equipment and so on.

With its professional technical team, advanced production equipment and strict quality control system, Damai Cold Chain enjoys a high reputation in the industry. The company focuses on technological innovation and product research and development, and constantly launches new products that meet the market demand, in order to meet the customer's demand for high-efficiency, energy-saving and environmentally friendly refrigeration equipment.

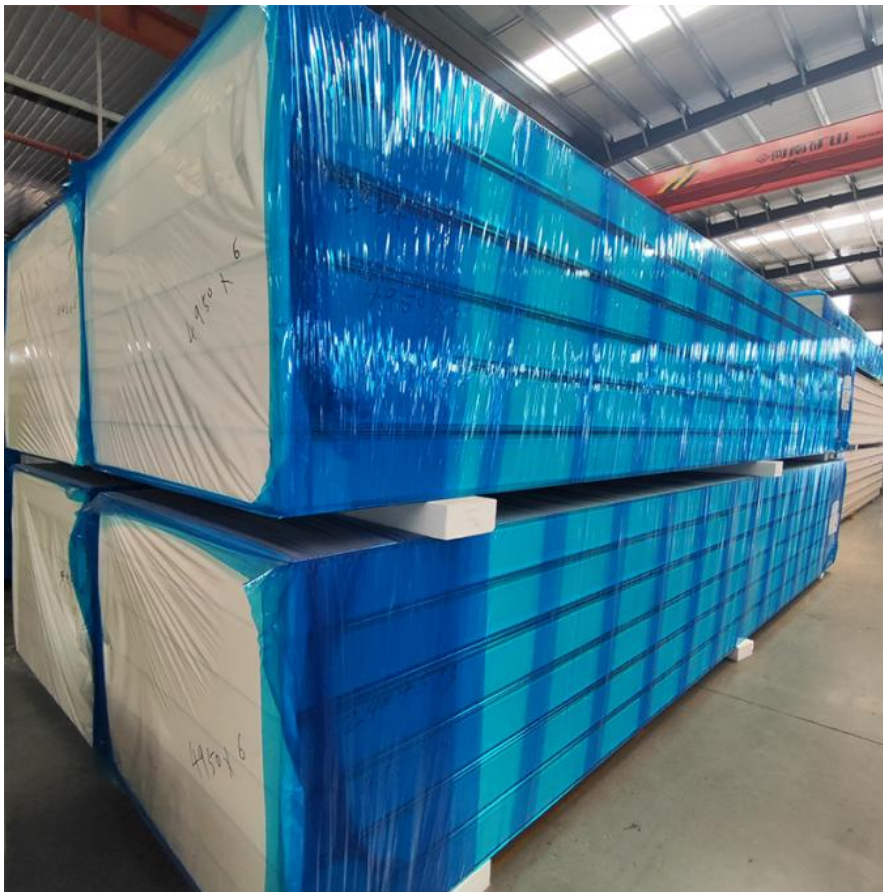

In addition, Damai Cold Chain also provides one-stop service experience, from project consulting, program design, equipment selection, installation and commissioning to the later maintenance, there is a professional team responsible for the follow-up to ensure that customers can enjoy a worry-free service.

To summarize, Zhejiang Damai Cold Chain Equipment Co., Ltd. is a trustworthy refrigeration equipment solution provider, dedicated to providing customers with quality products and services.

Specifications	
Type	Polyurethane sandwich panels
PU Thickness	50mm/75mm/100mm/150mm/200mm/250mm
Metal sheet thickness	0.3~0.8mm
Effective Width	1000mm/1120mm
Surface	Prepainted
Thermal conductivity	0.023
Fireproof grade	B1/A1
Temperature range	-55~+160°
Density	35~45kg/m³
Color	RAL or customization
Service	OEM/ODM
Customization is welcome	

The core values of Zhejiang Damai Cold Chain Equipment Co., Ltd. clearly reflect the great importance it attaches to environmental protection, energy saving and humanistic care. These two core values not only guide the company's business direction, but are also deeply integrated into the company's corporate culture.

The core value of "environmental protection and energy conservation" indicates that Damai Cold Chain has always regarded sustainable development as an important goal in its business development. The company is committed to researching, developing and producing highly efficient and energy-saving refrigeration equipment, reducing energy consumption and greenhouse gas emissions, and contributing to the protection of the environment. At the same time, the company also actively promotes green refrigeration technology, guiding the industry to a more environmentally friendly and low-carbon direction. The core value of "Focus on People" reflects Damai Cold Chain's deep concern for employees and high respect for customers. The company focuses on the career development and personal growth of its employees, providing rich training opportunities

and a good working environment to stimulate their creativity and enthusiasm. At the same time, the company always puts the needs of customers in the first place, through the provision of high-quality products and services to meet the diversified needs of customers, to win the trust and support of customers.

To summarize, the core values of Zhejiang Damai Cold Chain Equipment Co., Ltd. not only reflect the company's sense of social responsibility and corporate commitment, but also lay a solid foundation for the company's sustainable development. In the future development, Damai Cold Chain will continue to uphold these core values and promote the green development and technological progress of the refrigeration equipment industry.

A: Yes, we welcome customers visiting our factory. Our factory is located Shaoxin city,Zhejiang province,China mainland.

## Product advantages

- 1.Quite operation.
- 2.Seamless connection.
- 3.Easy installation
- 4.Beautiful and elegant placement of circuit devices.
- 5.Using the best equipment.
- 6.Not easily damaged

## Export packaging

## Why choose our company ?

- 1.Because our company has CAC official .

Having an official CAC (which may refer to a particular industry-specific official certification, such as food cold chain related certification) certification is an important sign that our company has reached international or domestic industry standards in product quality and safety management. It not only proves that our products and technologies meet stringent standards, but also strengthens our customers' trust and satisfaction with our brand.CAC certification wins us more market opportunities and customer recognition, and is a reflection of our company's strength and credibility.

- 2.We have a good one-year after-sales service.

We understand the importance of after-sales service to the customer experience, so we provide a one-year high quality after-sales service. This means that after customers purchase our products, if they encounter any problems or need technical support within one year, we can respond quickly and provide professional solutions. This hassle-free after-sales service guarantee gives customers more peace of mind and satisfaction in the process of using our products.

- 3.We have over 20 years of sales experience.

As a company with more than 20 years of sales experience, we have accumulated a wealth of market experience and expertise in the field of refrigeration equipment. We are familiar with the market demand and industry dynamics, and can accurately grasp the actual needs of customers and provide targeted solutions. This long-term accumulated experience and expertise enables us to maintain a leading position in the industry and provide more professional and reliable services to our customers.

- 4.We have our own factory.

Having our own factory means we can better control the production process and product quality. From raw material procurement to production and processing, to finished product inspection and packaging, every step of the process is subject to strict quality control and management. This in-house production model not only reduces costs and improves production efficiency, but also ensures the quality and stability of our products. At the same time, we can also customize the production to meet the special needs of our customers.

5. We will try our best to provide a professional response as soon as possible.

We understand that our clients' time is valuable, so when we receive inquiries or needs from our clients, we respond quickly and provide professional solutions. Our team has a wealth of professional knowledge and practical experience to accurately understand our clients' needs and provide effective assistance. We promise to provide the most satisfactory service experience to our customers with the fastest speed and the most professional attitude.
