

Fireproof Cold Room Panel 100mm Thermal PU Heat Insulation Sandwich Panel

Our Product Introduction

for more products please visit us on coldroomunit.com

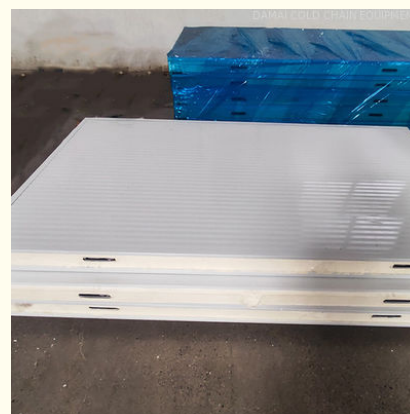

Basic Information

- Place of Origin: China
- Brand Name: damai
- Certification: Fireproof grade
- Model Number: CRP2
- Minimum Order Quantity: 10m²
- Price: 7.1 usd/m²
- Packaging Details: For Sea freight exporting package
- Delivery Time: 15 working days
- Payment Terms: L/C, D/A, D/P, T/T, MoneyGram, Western Union
- Supply Ability: 1000000000 per year

Product Specification

- Cold Room Logo: Custom-made
- Port: Shanghai Port For Walk In Cold Room
- Key Selling Points: High Productivity
- Screen Netting Material: PLASTIC
- Cooling Capacity: 25ton
- Thickness Of Panel: 100 150mm
- Compressor Brand: Bitzer/Copeland/Tecumseh
- Panel Type: PU Panel
- Control System: Thermostat System
- Capacity: 10m³ To 100m³
- Connection Type: Cam-lock
- Refrigeration Parts: Danfoss Castel Emerson
- Dry Filter: Danfoss
- Single Gross Weight: 5000.0 Kg
- Product Type: Cold Storage Room

Product Description

100mm Thermal Pu Heat Insulation Mineral Sandwich Board/Panel Slab B1 Fire Proof Grade For Cold Storage Room

Zhejiang Damai Cold Chain Equipment Co., Ltd: Specialized in providing the total solution of cold storage equipment supplier.

As a leader in the industry, Zhejiang Damai Cold Chain Equipment Co., Ltd. specializes in the field of refrigeration equipment and is committed to providing customers with comprehensive, professional and efficient solutions. We understand the importance of cold storage equipment in many industries such as modern logistics, food processing, pharmaceutical storage, etc. Therefore, we keep investing in R&D and innovation to meet the growing market demand.

As a professional supplier, we have first-class technical team and advanced production equipment, which can provide customers with one-stop service from planning and design, equipment selection, installation and commissioning to post maintenance. Our product line covers various types of cold storage equipment, including cold storage, refrigerated trucks, refrigerated containers, etc., which can meet the needs of customers in different industries and different scales.

Product Structure

Plates surface

Flat, Square waves, Water waves

Polyurethane

good thermal insulation, corrosion resistance, light weight, etc.

Plates surface

We focus on product quality and technological innovation, and all of our products undergo strict quality control and performance testing to ensure stable operation in harsh environments. At the same time, we follow the development trend of the industry, and constantly introduce new technologies and materials to improve the energy efficiency and environmental performance of our products, so as to create greater value for our customers.

Our Advantages

 Eco-friendly and healthy	 streamlined installation	 durability	 quality assurance
 precision design	 fireproof materials	 strictly selected materials	 heat insulation and heat preservation

Specifications	

Specifications	
Type	Polyurethane sandwich panels
PU Thickness	50mm/75mm/100mm/150mm/200mm/250mm
Metal sheet thickness	0.3~0.8mm
Effective Width	1000mm/1120mm
Surface	Prepainted
Thermal conductivity	0.023
Fireproof grade	B1/A1
Temperature range	-55~+160°
Density	35~45kg/m³
Color	RAL or customization
Service	OEM/ODM
Customization is welcome	

Project Cases

Logistics cold chain warehouse

Industrial Factory

Medical chemical industry

Food cold chain warehouse

Dairy Industry cold room

Juice and food processing industry

In addition to high quality products, we have won the trust of our customers with our professional services. We have established a perfect after-sales service system to provide customers with timely and effective technical support and maintenance services. Our service team consists of experienced engineers who can respond quickly to customer needs and solve all kinds of problems.

Zhejiang Damai Cold Chain Equipment Co., Ltd. will continue to adhere to the “quality-oriented, customer first” principle, and constantly improve their own strength and service level, to provide customers with more high-quality, efficient and professional cold storage equipment overall solutions.

Zhejiang Damai Cold Chain Equipment Co., Ltd: Leading the New Era of Green Intelligent Production.

At Zhejiang Damai Cold Chain Equipment Co., Ltd, we are always at the forefront of the industry, constantly exploring and innovating, and are committed to bringing our customers more environmentally friendly, efficient and intelligent production solutions. We proudly adopt OMS high-pressure pentane foaming system and Siemens intelligent production control technology, successfully realizing the dual goals of “fluorine-free green production” and “fully automated intelligent production”.

FAQ

Q: Are you a factory or a trading company?

A: We are professional manufacturer specialized in refrigeration equipment.

Q: How many different types of products your company manufactures?

A: Now we have more than 1,000 products. We have a strong advantage of OEM, just give us the actual products or your idea that you want, we will manufacture for you.

Q: What's your MOQ?

A: If we have the products in stock, it will be no MOQ. If we need to produce, we can discuss the MOQ according to customer's exact situation.

Q: Visting factory is allowed or not?

A: Yes, we welcome customers visiting our factory. Our factory is located Shaoxin city, Zhejiang province, China mainland.

Export Areas

Export Areas More than 100 countries

Our products represent not only our craftsmanship and quality, but also our commitment to globalization

Why choose our company ?

1. Because our company has CAC official .
2. We have a good one-year after-sales service.
3. We have over 20 years of sales experience.
4. We have our own factory.
5. We will try our best to provide a professional response as soon as possible.

Product advantages

1. Quite operation.
2. Seamless connection.
3. Easy installation
4. Beautiful and elegant placement of circuit devices.
5. Using the best equipment.
6. Not easily damaged
