

Fireproof Prefabricated Sandwich Panel Prefabricated Hard Foam Insulation Panels

Our Product Introduction

for more products please visit us on coldroomunit.com

Basic Information

- Place of Origin: China
- Brand Name: damai
- Certification: Fireproof grade
- Model Number: CRP2
- Minimum Order Quantity: 10m²
- Price: 7.1 usd/m²
- Packaging Details: For Sea freight exporting package
- Delivery Time: 15 working days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1000000000 per year

Product Specification

- Insulation Material: Polyurethane Foam
- Function: Cooling Storage Keeping Fresh
- Ventilation System: Yes
- Condition: New, Freindly
- Shelves: Adjustable/Fixed
- Control System: Digital/ Manual
- Screen Netting Material: PLASTIC
- Compressor: /Copeland/HANBELL/BOCK
- Density: 40~42KG/M3
- Shelving Material: Galvanized Steel/ Stainless Steel
- Steel Material: Color Steel , Stainless Steel
- Connection: Cam-lock
- Usage: Freezer
- Shelving Type: Adjustable/ Fixed
- Door: Hinged Door , Sliding Door

Product Description

China Factory Supplier Manufacturer Price Popular Polyurethane Prefabricated Hard Foam Insulation Panels

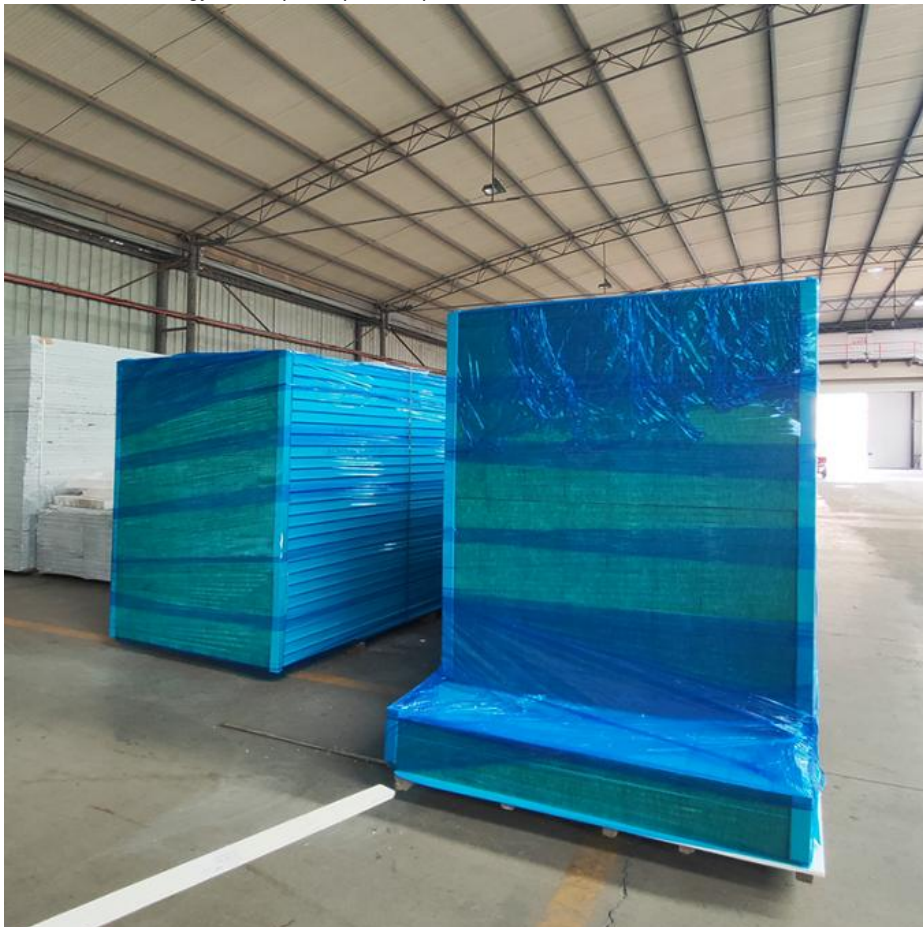

Zhejiang Damai Cold Chain Equipment Co., Ltd. is a professional supplier of complete solutions in the field of refrigeration equipment. Our company is located in Zhejiang Province, which enjoys convenient transportation and superior geographic location as a suburb of Shanghai.

Thanks to this location, we are able to respond quickly to market demands and efficiently provide products and services to national and international customers. Zhejiang Damai Cold Chain Equipment Co., Ltd. not only focuses on product quality and technological innovation, but also strives to ensure that customers can enjoy the best shopping experience through efficient logistics and perfect after-sales service system.

As a professional supplier, we are well aware of the importance of refrigeration equipment in various industries, whether it is food preservation, pharmaceutical storage or low-temperature treatment of chemical raw materials, all of which cannot be separated from reliable refrigeration equipment. Therefore, we continuously invest in research and development, introduce advanced technology and improve product performance to meet the diverse needs of different customers.

At the same time, we also focus on communication and cooperation with our customers, and through in-depth understanding of their specific needs and usage scenarios, we customize the most appropriate solutions for them. We believe that only by establishing a close partnership with our customers can we realize win-win development.

Specifications	

Specifications	
Type	Polyurethane sandwich panels
PU Thickness	50mm/75mm/100mm/150mm/200mm/250mm
Metal sheet thickness	0.3~0.8mm
Effective Width	1000mm/1120mm
Surface	Prepainted
Thermal conductivity	0.023
Fireproof grade	B1/A1
Temperature range	-55~+160°
Density	35~45kg/m³
Color	RAL or customization
Service	OEM/ODM
Customization is welcome	

Product Structure

Plates surface

Flat, Square waves, Water waves

Polyurethane

good thermal insulation, corrosion resistance, light weight, etc.

Plates surface

PIR and PUR, as highly efficient insulation materials, have excellent thermal insulation properties, which effectively reduce energy consumption and increase energy efficiency. They also have excellent weathering and chemical stability, ensuring that the sandwich panels maintain stable performance in a variety of environments.

Our Advantages

 Eco-friendly and healthy	 streamlined installation	 durability	 quality assurance
 precision design	 fireproof materials	 strictly selected materials	 heat insulation and heat preservation

The Cam Lock design provides a convenient way to install sandwich panels quickly and without the need for complex tools and skills. This design not only improves construction efficiency, but also reduces installation costs, making our sandwich panels the preferred choice of many customers.

In terms of safety, our sandwich panels undergo stringent quality control and testing to ensure compliance with the relevant standards and regulations. Class B1 fire rating means that the spread of fire can be effectively halted in the event of a fire, providing invaluable safety for people and property.

In addition, we focus on the exterior design of our sandwich panels, offering a wide range of color and texture options to meet the aesthetic needs of different customers. Whether it's a commercial building, an industrial plant or a cold chain logistics center, our sandwich panels can add a unique touch to your project.

In a word, the sandwich panel provided by Zhejiang Damai Cold Chain Equipment Co., Ltd. has won the trust and praise of our customers for its safety, beauty, economy and high efficiency. We will continue to uphold the principle of "quality first, customer first" to provide customers with more quality products and services.

FAQ

Q: Are you a factory or a trading company?

A: We are professional manufacturer specialized in refrigeration equipment.

Q: How many different types of products your company manufactures?

A: Now we have more than 1,000 products. We have a strong advantage of OEM, just give us the actual products or your idea that you want, we will manufacture for you.

Q: What's your MOQ?

A: If we have the products in stock, it will be no MOQ. If we need to produce, we can discuss the MOQ according to customer's exact situation.

Q: Visting factory is allowed or not?

A: Yes, we welcome customers visiting our factory. Our factory is located Shaoxin city, Zhejiang province, China mainland.

Product advantages

1. Quite operation.
2. Seamless connection.
3. Easy installation
4. Beautiful and elegant placement of circuit devices.
5. Using the best equipment.
6. Not easily damaged

Why choose our company ?

1. Because our company has CAC official .
2. We have a good one-year after-sales service.
3. We have over 20 years of sales experience.
4. We have our own factory.
5. We will try our best to provide a professional response as soon as possible.
