

## 500M3/H Air Flow Industrial Air Cooler Compressor Portable 220V-240V 50Hz

Our Product Introduction

for more products please visit us on [coldroomunit.com](http://coldroomunit.com)

### Basic Information

- Place of Origin: CHINA
- Brand Name: DM
- Certification: CE;ISO
- Model Number: DM-YSJ-00012
- Minimum Order Quantity: 1
- Price: \$2000~\$100000
- Packaging Details: Wooden case
- Delivery Time: 30 Work days
- Payment Terms: T/T
- Supply Ability: 1000000pcs/year

### Product Specification

- Warranty: 1 Year
- Noise Level:  $\leq 55$  DB(A)
- Compressor Type: Rotary
- Refrigerant: R410A
- Cooling Area: Up To 500 Sq. Ft.
- Cooling Capacity: 22000 BTU
- Fan Speed: 3
- Power Supply: 220-240V/50Hz
- Highlight: Industrial Air Cooler Compressor,  
Air Cooler Compressor Portable,  
Air Cooled Compressor 220V

## Product Description

### 500 M3/h Air Flow Industrial Portable Compressor with 220-240V/50Hz Power Supply

#### Product Description:

Semi-hermetic Screw Compressor CSH Series

Our Semi-hermetic Screw Compressor CSH Series is designed for low temperature applications and high capacity demands. With the growth of refrigeration market, the need for bigger freeze rooms has increased, and our screw compressor rack is a perfect fit for these demands.

We take your safety seriously, which is why we've created a compressor with professional design features to protect against inversion, overheat, overload, exhaust temperature, low oil level, and oil flow. Our compressor is not just for commercial use in supermarkets, food industry, chemical industry, hotels and restaurants, but it can also be used for medical services.

Features of Semi-hermetic Screw Compressor CSH Series:

Specialized for low temperature applications and high capacity demands.

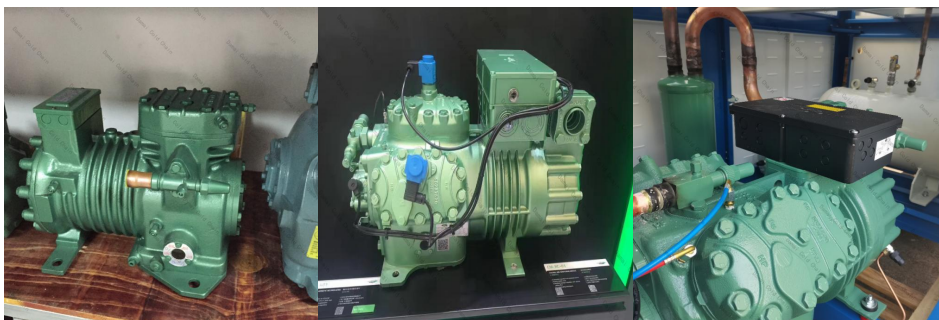

Compressor rack can be used for bigger freeze rooms.

Professional design features for your safety.

Widely used in different fields like commercial refrigeration, food industry, chemical industry, hotels, restaurants, and medical services.

At our company, we strive to bring you the latest technology in refrigeration equipment. With our Semi-hermetic Screw Compressor CSH Series, you can have peace of mind knowing that you have reliable equipment that would serve you for a long time.

#### Product Photos:

#### Features:

Product Name: Air Cooler Compressor

Air Flow: 500 M3/h

Cooling Area: Up To 500 Sq. Ft.

Type: Portable

Compressor Type: Rotary

Refrigerant: R410A

Industrial Portable Compressor

Cold Storage Compressor

#### Applications:

Introducing the DM-YSJ-00012 Air Cooler Compressor, a high-quality portable compressor designed to meet the cooling needs of various industries. This electric air compressor is manufactured in China, ensuring its durability and reliability. This product is CE and ISO certified, assuring its safety and quality.

The DM-YSJ-00012 Air Cooler Compressor is perfect for cold storage facilities, as it can effectively regulate the temperature and humidity of the area. It is also ideal for industrial settings, where a portable and powerful compressor is needed to power machines and tools. With an air flow rate of 500 M3/h, this compressor can provide sufficient cooling for large areas.

This industrial portable compressor is designed for easy transportation and installation. It comes with a remote control, allowing you to adjust the settings from a distance. The product also comes with a 1-year warranty, ensuring that you can use it with peace of mind.

The DM-YSJ-00012 Air Cooler Compressor is available for purchase at a reasonable price range of \$2000 to \$100000, depending on the quantity and specifications of the product. It comes in a sturdy wooden case packaging to prevent damages during transportation. The delivery time for this product is 30 work days, and payment terms are T/T.

With a supply ability of 1000000pcs/year, the DM-YSJ-00012 Air Cooler Compressor is suitable for various occasions and scenarios.

Whether you need it for cold storage, industrial, or commercial purposes, this product will provide the cooling and power you need. Get yours today and experience its high-quality performance and durability.

### Packing and Shipping:

Product Packaging:

1 Air Cooler Compressor

1 Power Cord

1 User Manual

Shipping:

Product will be shipped within 2 business days after payment is received.

Shipping method: Standard Ground

Shipping time: 5-7 business days

Shipping cost: Free
