

Low Temperature Air Cooler Compressor For Cold Storage Refrigeration 220V-240V 50Hz

Our Product Introduction

for more products please visit us on coldroomunit.com

Basic Information

- Place of Origin: CHINA
- Brand Name: DM
- Certification: CE;ISO
- Model Number: DM-YSJ-00016
- Minimum Order Quantity: 1
- Price: \$2000~\$100000
- Packaging Details: Wooden case
- Delivery Time: 30 Work days
- Payment Terms: T/T
- Supply Ability: 1000000pcs/year

Product Specification

- Air Flow: 500 M3/h
- Noise Level: ≤ 55 DB(A)
- Refrigerant: R410A
- Type: Portable
- Warranty: 1 Year
- Cooling Capacity: 22000 BTU
- Cooling Area: Up To 500 Sq. Ft.
- Timer: 24 Hours
- Highlight: Low Temperature Air Cooler Compressor,
Air Cooler Compressor 220V,
Cold Storage Compressor 240V

Product Description

Rotary Type Cold Storage Compressor for Refrigeration 220-240V/50Hz

Product Description:

Semi-hermetic Screw Compressor CSH Series

The Semi-hermetic Screw Compressor CSH Series is the perfect solution for those in need of a low temperature application and big capacity demand. As the refrigeration market develops, there is an increased demand for large freeze rooms. The Screw Compressor Rack is perfectly applicable to meet this demand.

The professional design of this compressor ensures the protection of inversion, overheat, overload, exhaust temperature, low oil level and oil flow. These features allow for efficient and reliable operation.

The Semi-hermetic Screw Compressor CSH Series has a wide range of applications in different fields. It can be used in supermarkets, the food industry, chemical industry, hotels, restaurants and even medical services. Its versatility, reliability, and efficiency make it a great choice for any business in need of refrigeration solutions.

Applications:

This air compressor is made in China and comes with CE and ISO certifications. The minimum order quantity is 1, and the price ranges from \$2000 to \$100000. The packaging details include a wooden case, and the delivery time is 30 workdays. Payment terms include T/T, and the supply ability is 1000000pcs/year.

The DM-YSJ-00012 Air Cooler Compressor has three fan speeds, making it easy to adjust the temperature to your liking. It can cool an area of up to 500 sq. ft., which makes it perfect for both small and large spaces. The remote control feature allows you to easily control the temperature from a distance, and the 24-hour timer ensures that the air compressor turns off when you want it to.

This product is perfect for a variety of occasions and scenarios. It can be used in homes, offices, and other indoor spaces. It is also great for outdoor events such as parties, weddings, and other gatherings. The DM-YSJ-00012 Air Cooler Compressor is ideal for those who want to keep their spaces cool and comfortable without having to rely on traditional air conditioning units.

The DM-YSJ-00012 Air Cooler Compressor is a reliable and durable product that is perfect for those who want to keep their spaces cool. It is an electric air compressor that is easy to use and provides a great cooling experience. The product comes with a one-year warranty, which ensures that you can enjoy its benefits for a long time. So, if you're looking for a high-quality air compressor, the DM-YSJ-00012 Air Cooler Compressor is the perfect choice for you.

Packing and Shipping:

Product Packaging:

The Air Cooler Compressor product will be securely packaged to ensure safe delivery to our customers. It will be wrapped in bubble wrap and placed in a sturdy cardboard box with foam inserts to prevent any damage during shipping.

Shipping:

We offer free shipping for the Air Cooler Compressor product throughout the United States. Orders will be shipped within 1-2 business days after the purchase has been made. Customers will receive a tracking number via email once the order has been shipped. Delivery time may vary depending on the location, but typically takes 3-5 business days.
