

24 Hours Timer Semi Hermetic Screw Compressor Low Noise With R410A Refrigerant

Our Product Introduction

for more products please visit us on coldroomunit.com

Basic Information

- Place of Origin: CHINA
- Brand Name: DM
- Certification: CE;ISO
- Model Number: DM-YSJ-00015
- Minimum Order Quantity: 1
- Price: \$2000~\$100000
- Packaging Details: Wooden case
- Delivery Time: 30 Work days
- Payment Terms: T/T
- Supply Ability: 1000000pcs/year

Product Specification

- Remote Control: Yes
- Timer: 24 Hours
- Type: Portable
- Air Flow: 500 M3/h
- Power Supply: 220-240V/50Hz
- Fan Speed: 3
- Cooling Capacity: 22000 BTU
- Warranty: 1 Year
- Highlight: **24 Hours Timer Semi Hermetic Screw Compressor**
, Semi hermetic Screw Compressor Low Noise

Product Description

24 Hours Timer Air Cooler Compressor with R410A Refrigerant and ≤ 55 DB A Noise Level

Product Description:

Semi-hermetic Screw Compressor CSH Series

The Semi-hermetic Screw Compressor CSH Series is a specialized piece of equipment designed for use in low-temperature applications with a high capacity demand. As the refrigeration market continues to develop, there is an increasing demand for large freeze rooms. Fortunately, the screw compressor rack is perfectly suited to meet this demand.

Our professional design ensures that our compressor is equipped with a variety of safety features to protect against inversion, overheating, overload, exhaust temperature fluctuations, low oil levels, and oil flow issues.

The versatility of the Semi-hermetic Screw Compressor CSH Series makes it suitable for a variety of industries including supermarkets, food, chemical, and medical. Regardless of your needs, we have the compressor to suit them.

Features:

Product Name: Air Cooler Compressor

Refrigerant: R410A

Fan Speed: 3

Remote Control: Yes

Cooling Capacity: 22000 BTU

Cooling Area: Up To 500 Sq. Ft.

This Electric Air Compressor is an Industrial Portable Compressor that is perfect for cooling areas of up to 500 sq. ft. with its 22000 BTU cooling capacity. It features 3 fan speeds and a remote control for easy operation.

Applications:

With its fan speed of 3 and noise level ≤ 55 DB(A), the DM Air Cooler Compressor is perfect for various occasions and scenarios. It can be used in industrial settings such as factories and warehouses where there is a need for proper temperature regulation. The compressor system can provide efficient cooling for cold storage compressors and help maintain the quality of goods stored. It can also be used in commercial settings such as supermarkets and restaurants where there is a need for regulated temperature for food storage and preparation.

The DM Air Cooler Compressor comes with a remote control for easy access and control. It also has a 1-year warranty, ensuring customers of its durability and reliability. The power supply required for the product is 220-240V/50Hz.

Packing and Shipping:

Product Packaging:

1 Air Cooler Compressor

1 Power Cord

1 User Manual

Shipping Information:

Ships within 1-2 business days

Free standard shipping within the United States

International shipping available; rates calculated at checkout
