

PU Panels Deep Freezer Cold Room Customized Size For Food Storage

Our Product Introduction

for more products please visit us on coldroomunit.com

Basic Information

- Place of Origin: CHINA
- Brand Name: DM
- Certification: CE;ISO
- Model Number: DM-0005
- Minimum Order Quantity: 1
- Price: \$2000~\$100000
- Packaging Details: Wooden case
- Delivery Time: 30 Work days
- Payment Terms: T/T
- Supply Ability: 300000

Product Specification

- Cooling System: Compressor/ Condenser/ Evaporator
- Alarm System: Temperature Alarm/Power Failure Alarm
- Panel Material: High Density PU Foam
- Material: PU(Polyurethane)
- Size: Any Size Is Ok
- Usage: Cold Storage
- Condenser Type: Air Cooled/Water Cooled
- Core Components: Pressure Vessel, Motor, Bearing
- Name: Freezer Cold Room
- Highlight: **PU Panels Deep Freezer Cold Room,
Deep Freezer Cold Room Customized,
PU Panel Cold Room Freezer**

Product Description

PU Panels Deep Freezer Cold Room For Maximum Storage Efficiency And Size

Product Description:

Product Details

Model Number: DM-LK-0020

Dimension (L*W*H): Customized

Material of Panels: Polyurethane cold storage board

Copper Tube Connector: Fitting reducer

Voltage: 380V/460V/220V (customizable)

Controller: Automatic electric controller, PLC

Refrigerant: R404a/R22a/R134a

Quality Assurance: 2.6Mpa leak-proof stress test

Door Type: Swing Door/Sliding Door/Double Door/Single Door

Cold Room Compressor Type: Piston, screw, scroll, etc.

Use Nature: Fresh Keeping Freezing

Trademark: N/M

Density of Panel: 40-42kg/cm3

Certification: ISO, CE

Core Material: Rock wool, Polyurethane

Temperature of Room: -60°C to +20°C (optional/customizable)

Fittings: All necessary fittings are included, optional

Technical Parameters:

Compressor	Konor / Danfoss
Voltage	220V, 380V
Usage	Store food
Condition	New
Panel	PU Panels
Defrost Type	Electric Defrosting
Core Components	Pressure Vessel, Motor, Bearing
Panel Material	High Density PU Foam
Cooling System	Compressor/ Condenser/ Evaporator
Size	Customized

Factory Picture:

Features:

Product Name:

The product we are offering is called a Cold Room which is used for storing food.

Defrost Type:

The Cold Room comes with three defrosting options:

Electric Defrosting

Compressed Air Defrosting

Hot gas defrosting

Compressor:

The Cold Room is equipped with a compressor from one of three brands: Danfoss, Copeland, or Bitzer.

Condenser Type:

The Cold Room also comes with two condenser options:

Air Cooled

Water Cooled

Applications:

Cold Storage Room for Food Storage

The DM-LK-0020 Cold Storage Room is a highly efficient unit suitable for businesses that need to store food products at low temperatures to keep them fresh for longer periods of time. The advanced cold room air cooling system keeps the room's internal temperature consistent. An electric defrost system ensures that the room is easy to maintain, while the high-density PU foam panel material provides superior insulation, making it highly energy-efficient. The room comes equipped with a temperature alarm and power failure alarm, providing assurances that your food products will always be protected.

Blast Cold Room for Industrial Applications

The DM-LK-0020 Cold Storage Room is also widely recommended for industrial applications where products need to be rapidly cooled. The advanced cooling system in the room can rapidly reduce the temperature to the required level, making it ideal for businesses that need to store sensitive materials such as pharmaceuticals, chemicals, or other items.

Cold Storage Room for Agricultural Products

The DM-LK-0020 Cold Storage Room is also widely used for cold storage for agricultural products, such as fruits and vegetables. The unit's energy-efficient design can keep the products fresh for a longer time period by maintaining a consistent temperature. Additionally, the room's Konor/Danfoss compressor ensures that it is still operating efficiently even in extreme weather conditions.

Conclusion

Whether you are looking for a cold storage room for food storage, industrial applications, or agricultural products, the DM-LK-0020 Cold Storage Room is a reliable and cost-effective solution for all your needs. With features like an advanced cooling system, high-quality construction, temperature alarm, and power failure alarm, it is guaranteed to meet all your cold storage requirements. This product is CE and ISO certified, ensuring the highest standards of quality and safety. The unit is available at a price between \$2000 to \$100000 depending on the size and configuration requested, and with a minimum order quantity of 1 unit. Delivery time lasts for 30 working days, and we accept T/T payment terms.

FAQ:

A: The brand name of this freezer cold room is DM.

2. Q: What is the model number of this freezer cold room?

A: The model number of this freezer cold room is DM-0020.

3. Q: Where is this freezer cold room manufactured?

A: This freezer cold room is manufactured in China.

4. Q: What certifications does this freezer cold room have?

A: This freezer cold room is certified with CE and ISO.

5. Q: What is the minimum order quantity for this freezer cold room?

A: The minimum order quantity for this freezer cold room is 1.

6. Q: What is the price range for this freezer cold room?

A: The price range for this freezer cold room is between \$2000 and \$100000.

7. Q: What is the packaging detail for this freezer cold room?

A: The packaging detail for this freezer cold room is a wooden case.

8. Q: What is the delivery time for this freezer cold room?

A: The delivery time for this freezer cold room is 30 work days.

9. Q: What are the payment terms for this freezer cold room?

A: The payment terms for this freezer cold room are T/T.

10. Q: What is the supply ability for this freezer cold room?

A: The supply ability for this freezer cold room is 300000.
