

Metal / Plastic Danfoss Expansion Valves for Refrigeration Systems

Our Product Introduction

for more products please visit us on coldroomunit.com

Basic Information

- Place of Origin: China
- Brand Name: DM brand
- Certification: CE
- Model Number: DM-FJ-11TR
- Minimum Order Quantity: 1
- Price: \$2000 -\$10000000
- Packaging Details: Customized according to customers
- Delivery Time: 30 work day
- Payment Terms: T/T, L/C, D/A
- Supply Ability: 1pcs/per 25day

Product Specification

- Application: Refrigeration Systems
- Type: Replacement Parts
- Power: 500W
- Weight: Varies Depending On Size
- Temperature Range: -20°C To 10°C
- Installation: Easy To Install
- Efficiency: Energy Saving
- Warranty: 1 Year
- Durability: Long-lasting
- Compatibility: Universal
- Size: Various Sizes
- Material: Metal/Plastic
- Highlight: **Metal Danfoss Expansion Valves,
Plastic Danfoss Expansion Valves,
Refrigeration Systems Danfoss Expansion
Valves**

Danfoss Expansion Valves The Perfect Fit for Your Refrigeration and Air Cooling

1. Application field:

Danfoss expansion valves are mainly used for refrigeration systems in our store and are used in conjunction with air coolers.

The expansion valve product line provided by Danfoss includes thermal expansion valves and electronic expansion valves, which are suitable for various refrigeration equipment.

Table parameters

Refrigerant	Models	Pressure equaliser	Capillary (M)	Connections		Product Code No					
				inlet x outlet		N series -40~+10°C		NM series -40~-5°C	NL series -40~-15°C	B series -60~-25°C	
				in. x in.	mm x mm	without MOP	with MOP	with MOP	with MOP	without MOP	with MOP

Or there are other models that you can privately chat with me about separately.

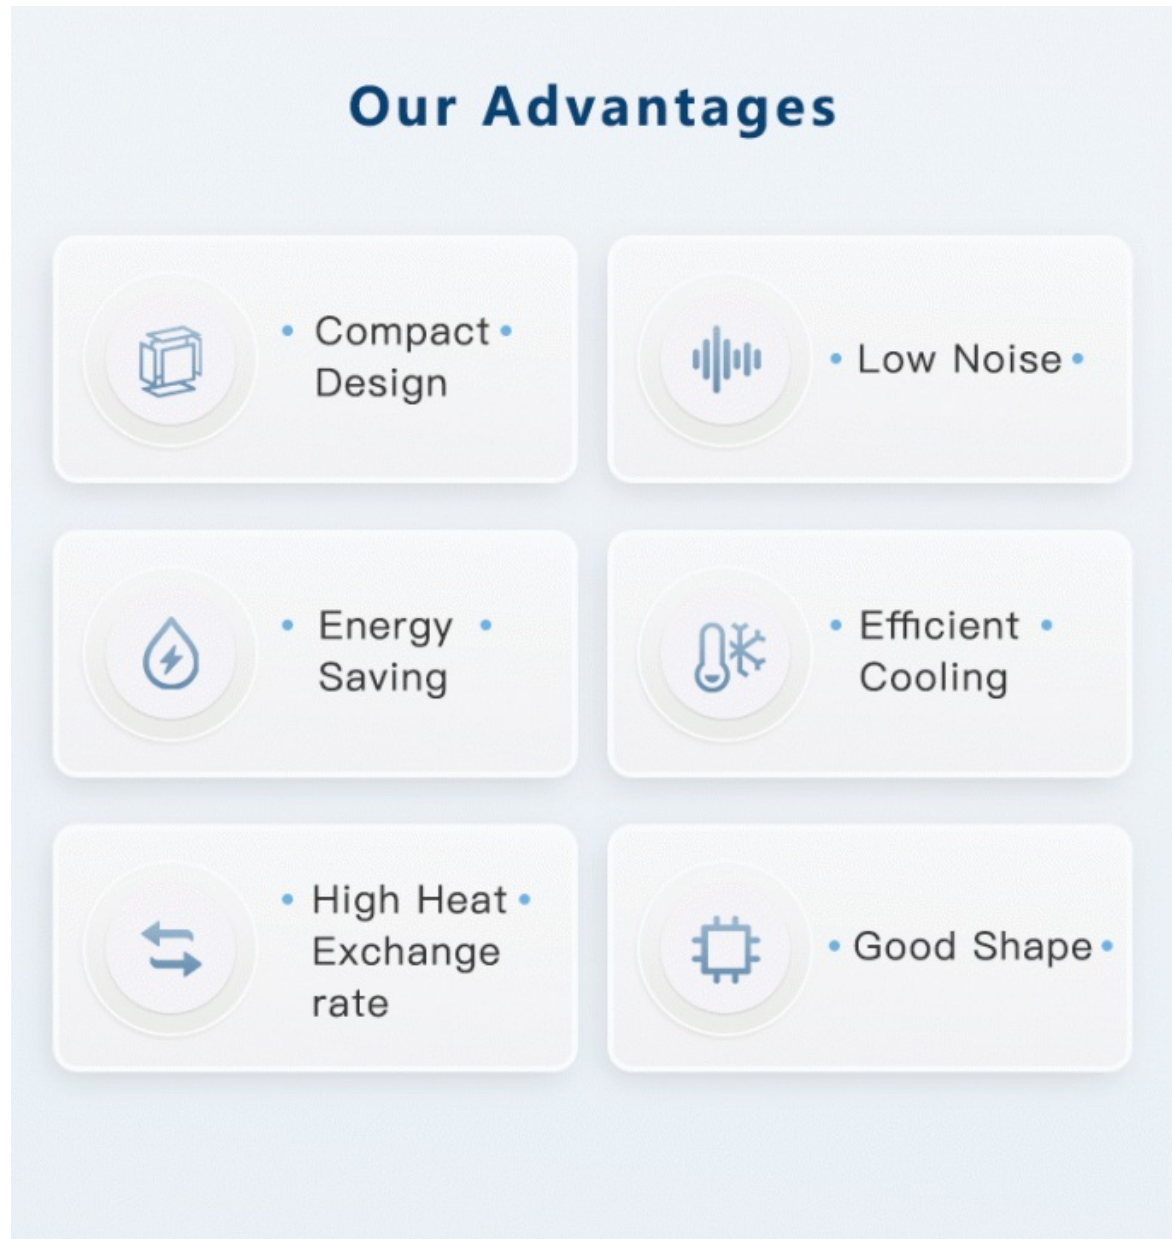

Product Legend

Every product has been inspected to ensure quality and is matched with the interface of the air cooler

Danfoss offers a range of high-performance solenoid valves, including direct acting, pilot operated, and boost operated. A simple and economical method for controlling and regulating fluids and gases. The valve body and wire coil of Danfoss solenoid valves are usually supplied separately before assembly, but can also be provided as a complete set of equipment according to demand.

Advantage

Why choose our company ?

1. Because our company has CAC official .
2. We have a good one-year after-sales service.
3. We have over 20 years of sales experience.
4. We have our own factory.
5. We will try our best to provide a professional response as soon as possible.

Product advantages

1. Quite operation.
2. Seamless connection.
3. Easy installation
4. Beautiful and elegant placement of circuit devices.
5. Using the best equipment.
6. Not easily damaged

Product Legend

Pre-sales:

We provide assistance to our customers, provide valid information according to the requirements of our guests, answer questions, leave a professional impression, and lay the foundation for future sales.

Selling:

let our customers know more about our products, and enthusiastically answering questions for customers and providing customers with a pleasant buying experience.

After-sales:

After the products are sold, the professionals provide training services, check and maintain the products regularly, if there is problems for the quality, Will solve it for customers in time.
