

Individual Quick Freezing Tunnel IQF Freezer Customized For Food Industrial

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: DM
- Certification: CE
- Model Number: DM-SDSD
- Minimum Order Quantity: 1
- Price: 5000
- Packaging Details: Customized according to customers
- Delivery Time: 30 work day
- Payment Terms: L/C, T/T, D/P, D/A
- Supply Ability: 1000pcs/year

Product Specification

- Product: Tunnel IQF Freezer
- Conveyor Speed: Customized
- Belt Speed: 0-10m/min
- Function: Individual Quick Freezing
- Automation: Continuous Quick-freezing Work
- Machinery Test Report: Provided
- Rapid Freezing: -35°C
- Size: Customized
- Highlight: Tunnel IQF Freezer Customized,
Individual Quick Freezing Tunnel,
Food Industrial Tunnel IQF Freezer

Product Description

Accuracy Quick Tunnel Freezer For Fast Belt Speed 0-10m/Min

Product Description:

The quick-freezing tunnel is a specialized piece of equipment designed for rapid cooling in the food, chemical, and industrial industries. It is engineered to quickly cool a wide range of objects including food, daily chemical products, and industrial production objects.

Applications:

Our cooling equipment is suitable for a wide range of objects, including food items, chemicals, and industrial materials. Our cutting-edge technology ensures that your products are cooled to their required temperature in a short amount of time, preventing any spoilage or damage.

Customization:

Looking for an expeditious blast freezer that can instantly chill your products? Look no further than DM's DM-SDSD Tunnel Blast Freezer, manufactured in China. With a direct expansion cooling system, this fast freezing system has a high-accuracy and can handle up to 1000kg/h of product. Its continuous quick-freezing work automation ensures your products are rapidly frozen to maintain their quality.

Quick Freezing Tunnel Specifications					
Model	Dimensions	Belt Size	Freezing Time	Power	Weight
	(L*W*H)	(L*W)	(min)	(KW)	(KG)
AS-6-0.8	6.5X1.72X2.1	6X0.8	3-20min	6KW	3000kg
AS-9-0.8	9.5X1.72X2.1	9X0.8	3-40min	8KW	3500kg
AS-14-0.8	14.5X1.72X2.1	14X0.8	3-65min	12KW	5000kg
AS-6-1.25	6.5X2.17X2.1	6X1.25	3-20min	7KW	3500kg
AS-9-1.25	9.5X2.17X2.1	9X1.25	3-40min	10KW	4500kg
AS-14-1.25	14.5X2.17X2.1	14X1.25	3-65min	16KW	6500kg

General technical parameters	
Height of feed port from ground	900mm
Height of frozen product	150mm
	380V
Exhaust pipe size	300mm

Support and Services:

The Quick Tunnel Freezer is a high-performance freezing solution designed to rapidly freeze products with minimal dehydration and maximum quality retention. Our technical support team is available to provide assistance with installation, maintenance, and troubleshooting to ensure optimal performance and longevity of your freezer. In addition, we offer comprehensive training services to ensure proper operation and maintenance procedures are followed, maximizing efficiency and minimizing downtime. Our service team is also available for on-site repairs and replacements of any necessary parts to minimize disruption to your production schedule. Contact us for more information on our technical support and service offerings for the Quick Tunnel Freezer.

Packing and Shipping:

Product Packaging:

The Quick Tunnel Freezer product will be packaged in a sturdy cardboard box with foam inserts to protect the product during shipping. The box will be labeled with the product name, company logo, and handling instructions.

Shipping:

We offer free standard shipping for all orders within the United States. Expedited shipping options are available at an additional cost. Once your order is placed, our team will prepare the product for shipment within 1-2 business days. You will receive a tracking number via email once your order has been shipped.

Product Legend

FAQ:

Q: Where was this freezer manufactured?

A: This freezer was manufactured in China.

Q: What is the capacity of this freezer?

A: The capacity of this freezer varies depending on the model. Please refer to the product specifications for more information.

Q: What is the warranty for this freezer?

A: Please refer to the warranty information provided with the product for details on the warranty for this freezer.
