

Commercial / Industrial Cast Iron Globe Valve Flanged Type For Refrigeration Unit

Our Product Introduction

for more products please visit us on coldroomunit.com

Basic Information

- Place of Origin: China
- Brand Name: DM brand
- Certification: CE
- Model Number: DM-FJ-DN40
- Minimum Order Quantity: 1
- Price: \$2000 - \$10000000
- Packaging Details: Customized according to customers
- Delivery Time: 30 work day
- Payment Terms: T/T, L/C, D/A
- Supply Ability: 1pcs/per 25day

Product Specification

- Usage: Commercial/Industrial
- Temperature Range: -10°C To 10°C
- Application: Refrigerator
- Material: Stainless Steel
- Size: Standard
- Voltage: 220V
- Type: Compressor
- Compatibility: Universal
- Power: 500W
- Color: Silver
- Weight: 2kg
- Installation: Easy
- Name: Cast Iron Globe Valve Flanged Type
- Highlight: **Industrial Cast Iron Globe Valve, Cast Iron Globe Valve Flanged Type, Refrigeration Unit Cast Iron Globe Valve**

Product Description

Refrigeration Flanged Cast Iron Globe Valve Of Refrigeration Unit Cooling System Cold Storage

Our Product Introduction

for more products please visit us on coldroomunit.com

Application :

- 1.Laundry and dry cleaning equipment
- 2.Industrial washing equipment
- 3.High pressure steam sterilizer/sterilizer
- 4.Compressor and vacuum pump
- 5.Plastic molding machine
- 6.Steam boiler
- 7.Food processing machinery
- 8.Nozzle and fire extinguishing system
- 9.Dental equipment
- 10.Coffee machine
- etc.

Product Photos:

Every product has been inspected to ensure quality and is matched with the interface of the air cooler

Advantage

Our industrial refrigeration valves have a beautiful and beautiful appearance, advanced and unique structure, light and flexible operation, excellent sealing performance, no leakage, high reliability, and long service life. Widely used

in refrigeration, refrigeration, air conditioning industries, as well as refrigeration and refrigeration systems in food, beverage, beer, pharmaceutical, shipbuilding, gas, chemical, petroleum and other industries. High performance valves require high-quality components to ensure that industrial refrigeration valves are cost-effective and can completely replace expensive imported valves, and strive for excellence in your products.

Our Advantages

• Compact Design

• Low Noise •

• Energy Saving

• Efficient Cooling

• High Heat Exchange rate

• Good Shape •

FAQ:

Q: Are you trading company or manufacturer?

A: We are professional manufacturer specialized in orthopedic and sport products. And we trade our products with our clients directly.

Q: How many different types of products your company manufactures?A: Now we have more than 1,000 products. We have a strong advantage of OEM, just give us the actual products or your idea that you want, we will manufacture for you.

Q: What's your MOQ?

A: If we have the products in stock, it will be no MOQ. If we need to produce, we can discuss the MOQ according to customer's exact situation.

Q: Visting factory is allowed or not?

A: Yes, we welcome customers visiting our factory. Our factory is located Shaoxin city, Zhejiang province, China mainland.

Product Legend

Pre-sales:

We provide assistance to our customers, provide valid information according to the requirements of our guests, answer questions, leave a professional impression, and lay the foundation for future sales.

Selling:

let our customers know more about our products, and enthusiastically answering questions for customers and providing customers with a pleasant buying experience.

After-sales:

After the products are sold, the professionals provide training services, check and maintain the products regularly, if there is problems for the quality, Will solve it for customers in time.
