

## Stainless Steel Refrigeration Parts Low Temperature Cryogenic Stop Valve For Cold Room

Our Product Introduction

for more products please visit us on [coldroomunit.com](http://coldroomunit.com)

### Basic Information

- Place of Origin: China
- Brand Name: DM brand
- Certification: CE
- Model Number: DM-FJ-DN150
- Minimum Order Quantity: 1
- Price: \$2000 -\$10000000
- Packaging Details: Customized according to customers
- Delivery Time: 30 work day
- Payment Terms: T/T, L/C, D/A
- Supply Ability: 1pcs/per 25day

### Product Specification

- Power: 500W
- Usage: Refrigeration Equipment
- Temperature Range: -10°C To 10°C
- Application: Commercial Refrigeration
- Type: Compressor Start Relay
- Frequency: 50Hz
- Material: Stainless Steel
- Voltage: 115 Volts
- Size: Standard
- Refrigerant: R134a
- Color: Silver
- Installation: Easy To Install
- Weight: 0.32 Ounces
- Highlight: **Stainless Steel Refrigeration Parts,  
Cold Room Refrigeration Parts,  
Low Temperature Cryogenic Stop Valve**

## Product Description

### Low Temperature Cryogenic Stop Valve Of Large Industrial Refrigeration System For Cold Room

### Application :

- 1.Laundry and dry cleaning equipment
- 2.Industrial washing equipment
- 3.High pressure steam sterilizer/sterilizer
- 4.Compressor and vacuum pump
- 5.Plastic molding machine
- 6.Petrochemical industry
- 7.Food processing machinery
- 8.Nozzle and fire extinguishing system
- 9.Dental equipment
- 10.Coffee machine
- etc.

### Product parameter list:

Refrigerant	Models	Pressure equaliser	Capillary (M)	Connections		Product Code No					
				inlet x outlet		N series -40~+10°C		NM series -40~-5°C	NL series -40~-15°C	B series -60~-25°C	
				in. x in.	mm x mm	without MOP	with MOP	with MOP	with MOP	without MOP	with MOP

### Product Photos:

### Advantage

## Our Advantages

• Compact Design •

• Low Noise •

• Energy Saving •

• Efficient Cooling •

• High Heat Exchange rate •

• Good Shape •

### FAQ:

**Q: What is the model number of this valve?**

A: The model number of this valve is DM-FJ-DN150.

**Q: Where is this valve manufactured?**

A: This valve is manufactured in China.

**Q: Are you trading company or manufacturer?**

A: We are professional manufacturer specialized in orthopedic and sport products. And we trade our products with our clients directly.

**Q: How many different types of products your company manufactures?**A: Now we have more than 1,000 products. We have a strong advantage of OEM, just give us the actual products or your idea that you want, we will manufacture for you.

**Q: Visting factory is allowed or not?**

A: Yes, we welcome customers visiting our factory. Our factory is located Shaoxin city,Zhejiang province,China mainland.

### Pre-sales:

We help our clients, provide serious information according to their requirements, answer questions and give a professional impression, which is the foundation of future sales.

### After-sales:

After products are sold, professionals provide training services, and regularly check and maintain products, if there are quality problems, will be solved to customers in a timely manner.
