

## Customization Air Compressor for 380V/220V Voltage in Industrial Applications

Our Product Introduction

for more products please visit us on [coldroomunit.com](http://coldroomunit.com)

### Basic Information

- Place of Origin: China
- Brand Name: Damai
- Model Number: DM-YSJ

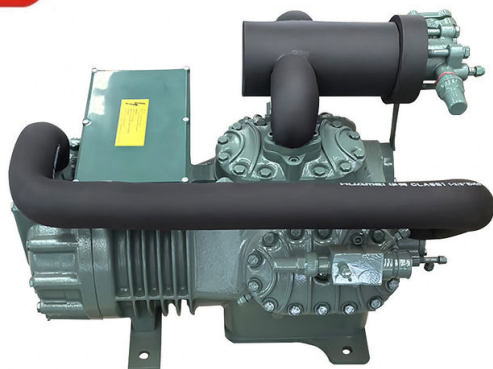

### Product Specification

- Color: Customization
- Dimensions: 50x30x40cm
- Warranty: 1 Year
- Power: 1500W
- Weight: 15kg
- Power Source: Electric
- Frequency: 50Hz/60Hz
- Type: Portable
- Highlight: 220V Air Compressor, 380V Air Compressor, Industrial Applications Air Compressor

## Product Description

### Product Description:

The Damai Compressor operates on a frequency of 50Hz/60Hz, making it suitable for use in different countries and regions. Whether you are working on a DIY project or a professional job, this compressor is the ideal tool for your needs. The compressor is designed with customizability in mind, allowing you to choose the color that best suits your preferences. With dimensions of 50x30x40cm, it is a compact and portable unit that can be easily moved around your workspace or transported to different job sites.

The Air Compressor Head is a critical component of the Damai Compressor, responsible for generating the compressed air that powers your tools and equipment. With its efficient design and high-quality materials, the Air Compressor Head delivers reliable and consistent performance, ensuring that your compressor system operates smoothly and efficiently.

The Damai Compressor System is an all-in-one solution that includes everything you need to get started with your compressed air applications. Whether you are using it for home improvement projects, automotive repairs, or industrial applications, the Damai Compressor System provides the power, versatility, and reliability you need to get the job done.

In conclusion, the Damai Compressor is a versatile and reliable air compressor that provides the power and performance you need to tackle any job. With its electric power source, high power rating, customizable color, and efficient compressor head, this compressor is the ideal tool for your compressed air applications.

### Technical Parameters:

#### Compressor Specifications

Here are the technical specifications of the different compressors:

Compressor type	Nominal motor power HP/KW	Displacement(50Hz)m³/h		Number of Cylinder	Aspirator,exhaust valve take-over		Oil injection volume(L)	Power supply V/Ø/Hz	Electrical parameter		Crankcase Heater (220) W	Oil supply method	Weight (including freezing oil)Kg
		Low Pressure	High Pressure		DL	SL			Max operating current(A)	Starting current/Motor locked current(A)			
4H-15.2	15/10.5		73.6	4xΦ70x55	Ø28 1-1/8"	Ø42 1-5/8"	4.5	380~	31	81/132	140	Forced-lubrication	197
4H-25.2	25/18.5		73.6	4xΦ70x55	Ø28 1-1/8"	Ø54 2-1/8"	4.5	420 YY/3/50	45	116/193	140		205
4G-20.2	20/15		84.5	4xΦ75x55	Ø28 1-1/8"	Ø54 2-1/8"	4.5	440~480 YY	37	97/158	140		200
4G-30.2	30/22		84.5	4xΦ75x55	Ø28 1-1/8"	Ø54 2-1/8"	4.5	/3/60	53	135/22	140		209

## Applications:

One of the most common applications for the Damai DM-YSJ compressor is in cold storage facilities. The compressor's powerful electric motor and 380V/220V voltage make it ideal for maintaining consistent temperatures in cold storage rooms and refrigeration units. Additionally, the compressor's customizable color options allow it to blend seamlessly into any environment.

If you're in need of an engine air compressor for your automotive repair shop or garage, the Damai DM-YSJ is an excellent choice. Its portable design makes it easy to move around and use in various locations, while its powerful motor can handle a wide range of air compressor tasks. Whether you're inflating tires, powering pneumatic tools, or performing other automotive maintenance tasks, the Damai DM-YSJ can get the job done quickly and efficiently.

## Packing and Shipping:

### Product Packaging:

The Damai Compressor product will be packed securely in a sturdy cardboard box with ample padding to prevent any damage during shipping. The box will be labeled with the product name and any necessary handling instructions to ensure safe delivery.

### Shipping:

We offer free standard shipping on all Damai Compressor orders within the United States. Shipping times may vary depending on the destination, but customers can expect their order to arrive within 5-7 business days. Expedited shipping options are also available at an additional cost.

## FAQ:

Q: What is the brand name of this compressor?

A: The brand name is Damai.

Q: What is the model number of this compressor?  
A: The model number is DM-YSJ.  
Q: Where is this compressor manufactured?  
A: This compressor is manufactured in China.  
Q: What is the weight of this compressor?  
A: The weight of this compressor is 75kg.  
Q: What is the maximum pressure this compressor can deliver?  
A: The maximum pressure this compressor can deliver is 8 bar.
