

## 20L Compressor With 60kg Capacity Walk In Cooler Freezer Room Air Condenser Unit

### Our Product Introduction

for more products please visit us on [coldroomunit.com](http://coldroomunit.com)

#### Basic Information

- Place of Origin: China
- Brand Name: Damai
- Certification: CE
- Model Number: DM-YSJ
- Minimum Order Quantity: 1
- Packaging Details: Customized according to customers
- Delivery Time: 15 work day
- Payment Terms: L/C, T/T

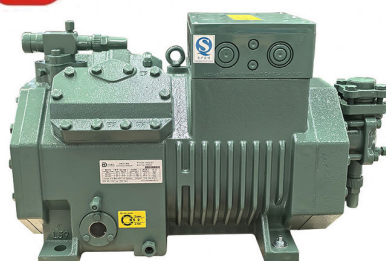

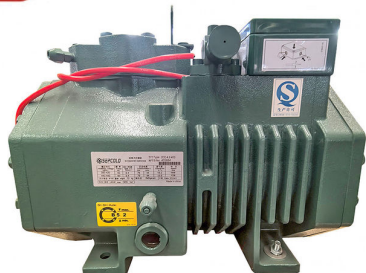

#### Product Specification

- Power Source: Electric
- Capacity: 20L
- Power: 1500W
- Color: Customization
- Weight: 15kg
- Frequency: 50Hz/60Hz
- Type: Portable
- Model: Compressor
- Highlight: Freezer Room 20L Compressor,  
Walk In Cooler 20L Compressor

## Product Description

### Product Description:

With a voltage rating of 380V/220V and a frequency of 50Hz/60Hz, this compressor is perfect for a wide range of industrial and commercial applications. Whether you need to power up compressor tubes, inflation compressors, or cold storage compressors, the Damai Compressor is up to the task.

This compressor is built to last, with durable components and a compact design that can withstand the most demanding environments. The dimensions of the compressor are 50x30x40cm, making it easy to transport and store, while still providing plenty of power and performance.

### Technical Parameters:

Compressor Specifications

The following table details the specifications of the compressors.

Compressor type	Nominal motor power HP/KW	Displacement (50Hz) m³/h	Number of Cylinder x Diameter x Stroke (mm)	Aspirator, exhaust valve take-over	Oil injection volume(L)	Power supply V/Ø/Hz	Electrical parameter	Crank case Heater (220) W	Oil supply method	Weight (including freezing oil) Kg	Low Pressure	High Pressure	D L	S L	Max operating current (A)	Starting current/ Motor locked current (A)
4H-15.2	15/10.5	73.6	4xΦ70x55	Ø28 1-1/8" Ø42 1-5/8"	4.5	380~	31	81/132	140	Forced-lubrication	197					
4H-25.2	25/18.5	73.6	4xΦ70x55	Ø28 1-1/8" Ø54 2-1/8"	4.5	420Y Y/3/50	45	116/193	140	205						
4G-20.2	20/15	84.5	4xΦ75x55	Ø28 1-1/8" Ø54 2-1/8"	4.5	440~ 480Y Y	37	97/158	140	200						
4G-30.2	30/22	84.5	4xΦ75x55	Ø28 1-1/8" Ø54 2-1/8"	4.5	/3/60	53	135/22	140	209						

### Applications:

The Damai Compressor is perfect for a variety of applications, including but not limited to:

Compressor Tubes: This compressor is ideal for powering compressor tubes, which are used in various industries, including HVAC, refrigeration, and pneumatic systems. The DM-YSJ model is capable of generating high-pressure air, making it perfect for powering compressor tubes.

**Piston Compressor:** The Damai Compressor is a piston compressor, which means it uses a series of pistons to compress air. This type of compressor is commonly used in automotive repair shops, small manufacturing plants, and other industrial settings.

**Air Compressor:** This product can also be used as an air compressor, which is used to power pneumatic tools such as nail guns, impact wrenches, and paint sprayers. The DM-YSJ model has a voltage of 380V/220V, making it suitable for a wide range of applications. In addition to its versatility, the Damai Compressor also comes with a 1-year warranty, giving you peace of mind in case anything goes wrong. Whether you're a professional mechanic, HVAC technician, or just someone who likes to work on DIY projects at home, the Damai Compressor is a reliable and efficient tool that will help you get the job done.

## Packing and Shipping:

### Product Packaging:

The Damai Compressor product will be carefully packaged in a sturdy cardboard box with ample padding to ensure it arrives in excellent condition. The package will include the compressor unit, power cord, and user manual.

### Shipping:

The Damai Compressor product will be shipped via standard ground shipping within the United States. Shipping times may vary depending on the destination, but customers can expect their package to arrive within 5-7 business days from the date of shipment. International shipping is not currently available for this product.

## FAQ:

Q: What is the brand name of the compressor?

A: The brand name of the compressor is Damai.

Q: What is the model number of the compressor?

A: The model number of the compressor is DM-YSJ.

Q: Where is the Damai compressor manufactured?

A: The Damai compressor is manufactured in China.

Q: What is the power rating of the Damai compressor?

A: The power rating of the Damai compressor is 1.5 horsepower.

Q: What is the maximum pressure that the Damai compressor can deliver?

A: The Damai compressor can deliver a maximum pressure of 8 bar or 115 psi.
