Basic Information

- Place of Origin: China
- Brand Name: Damai
- Certification: CE
- Model Number: DM-YSJ
- Minimum Order Quantity: 1
- Packaging Details: Customized according to customers
- Delivery Time: 15 work day
- Payment Terms: L/C, T/T

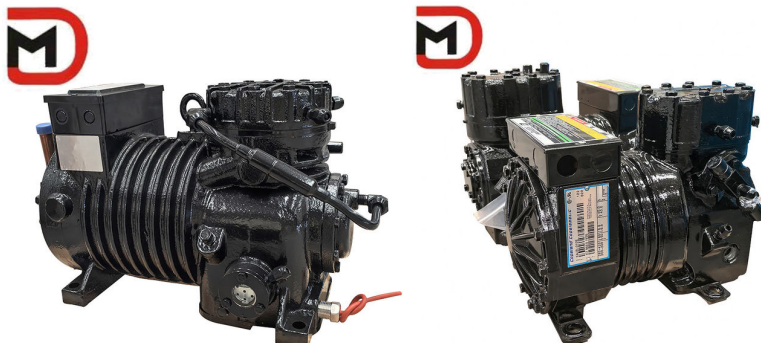

Product Specification

- Type: Portable
- Weight: 75kg
- Dimensions: 50x30x40cm
- Frequency: 50Hz/60Hz
- Capacity: 20L
- Voltage: 380V/220V
- Power: 1500W
- Warranty: 1 Year
- Highlight: **Industrial Grade Compressor,
Cold Room Compressor,
Walk in Freezer Compressor**

Product Description

Product Description:

The Damai Compressor operates on both 380V/220V voltage options, providing users with flexibility and convenience. Despite its compact size, this air compressor packs a punch, with a weight of 75kg. This makes it a powerful and durable option for those seeking a reliable air compressor for their workspace.

The Damai Compressor is a portable air compressor that can be used for a variety of tasks, such as powering pneumatic tools or inflating tires. Its compact design and lightweight construction make it easy to move from one job site to another, while its powerful motor ensures that it can handle even the toughest tasks with ease.

Features:

Product Name: Damai Compressor

Voltage: 380V/220V

Model: Compressor

Warranty: 1 Year

This Engine Air Compressor is perfect for use in walk in freezer Air Compressor applications.
