

Upgrade Your Cooling System with 1500W Cold Room Compressor and 380V/220V Voltage

Our Product Introduction

for more products please visit us on coldroomunit.com

Basic Information

- Place of Origin: China
- Brand Name: Damai
- Certification: CE
- Model Number: DM-YSJ
- Minimum Order Quantity: 1
- Packaging Details: Customized according to customers
- Delivery Time: 15 work day
- Payment Terms: L/C, T/T

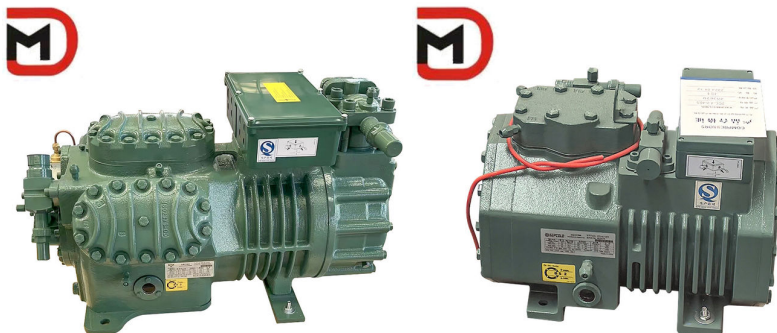

Product Specification

- Power Source: Electric
- Capacity: 20L
- Type: Portable
- Power: 1500W
- Weight: 75kg
- Model: Compressor
- Warranty: 1 Year
- Dimensions: 50x30x40cm
- Highlight: **1500W Cold Room Compressor,
380V Cold Room Compressor,
220V Cold Room Compressor**

Product Description

Product Description:

The Damai Compressor is powered by a powerful 500KW motor that delivers the energy you need to power your tools and equipment. This compressor is designed to be energy-efficient, which means that it can help you save money on your energy bills while still providing the power you need to get the job done.

Whether you are using it for industrial or commercial applications, the Damai Compressor is a reliable and efficient choice. Its hermetic compressor system ensures that it is able to deliver consistent performance, even under heavy use. So if you are looking for a high-quality compressor that will help you get the job done right, be sure to check out the Damai Compressor today.

Features:

Product Name: Damai Compressor

Color: Customization

Frequency: 50Hz/60Hz

Type: Portable

Engine Air Compressor

Compressor Tubes

Inflation Compressor

Technical Parameters:

Compressor type	Nominal motor power HP/KW	Displacement (50Hz)m³/h		Number of Cylinder x Diameter x Stroke (mm)	Aspirator, exhaust valve take-over		Oil injection volume (L)	Power supply V/Ø/Hz	Electrical parameter		Crankcase Heater (220V) W	Oil supply method	Weight (including freezing oil) Kg
		Low Pressure	High Pressure		DL	SL			Max operating current (A)	Starting current / Motor locked current (A)			
4H-15.2	15/10.5		73.6	4xΦ70x55	Ø28 1-1/8"	Ø42 1-5/8"	4.5	380 ~	31	81/132	140		197

Applications:

With a power output of 500KW , the Damai Compressor is a sturdy and durable machine that can handle heavy-duty tasks with ease. It can be used for a variety of applications such as spray painting, sandblasting, inflating tires, powering pneumatic tools, and much more. The Damai Compressor is designed to operate at a frequency of both 50Hz and 60Hz, making it suitable for use in different countries. It is made in China, ensuring high-quality manufacturing standards and the use of the best materials. One of the standout features of the Damai Compressor is its 1-year warranty, giving customers peace of mind and ensuring that any issues with the machine can be quickly resolved.

FAQ:

Q: What is the brand name of this compressor?

A: The brand name of this compressor is Damai.

Q: Where is this compressor manufactured?

A: This compressor is manufactured in China.
