

Customization Damai Compressor for 380V/220V Voltage and 50Hz/60Hz refrigeration unit

Our Product Introduction

for more products please visit us on coldroomunit.com

Basic Information

- Place of Origin: China
- Brand Name: Damai
- Certification: CE
- Model Number: DM-YSJ
- Minimum Order Quantity: 1
- Packaging Details: Customized according to customers
- Delivery Time: 15 work day
- Payment Terms: L/C, T/T

Product Specification

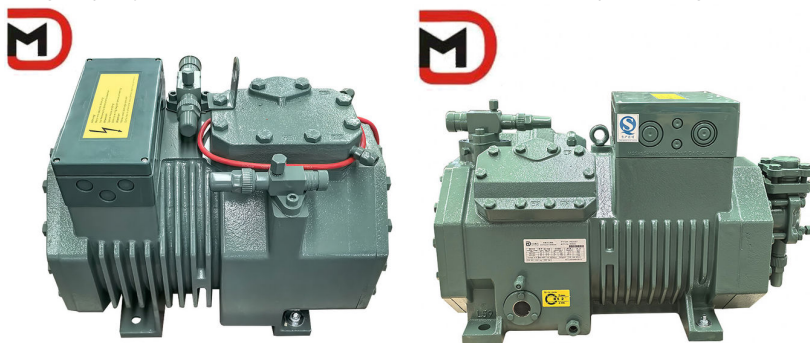

- Voltage: 380V/220V
- Frequency: 50Hz/60Hz
- Type: Portable
- Weight: 75kg
- Power Source: Electric
- Power: 500KW
- Model: Compressor
- Warranty: 1 Year
- Highlight: 220V Damai Compressor,
50Hz Damai Compressor,
380V Damai Compressor

Product Description

Product Description:

Weighing in at 75kg, the Damai Compressor is easy to transport and move around job sites. Its compact design and sturdy construction make it a reliable and durable choice for any professional or DIY enthusiast.

The Damai Compressor is a model of engine air compressors that are used to power a variety of tools and equipment, including nail guns, paint sprayers, and sanders. With its powerful motor, it can deliver consistent and reliable performance, even in tough conditions. Its high-capacity tank allows for extended use without the need for frequent refilling.

Features:

Product Name: Damai Compressor

Voltage: 380V/220V

Color: Customization

Power Source: Electric

Frequency: 50Hz/60Hz

Model: Compressor

Hermetic Compressor

Cold Room Compressor

Technical Parameters:

Compressor type	Nominal motor power HP/KW	Displacement (50Hz)m³/h		Number of Cylinder x Diameter x Stroke (mm)	Aspirator, exhaust valve take-over		Oil injection volume (L)	Power supply V/Ø/Hz	Electrical parameter		Crane capacity Heat (220) W	Oil supply method	Weight (including freezing oil) Kg
		Low Pressure	High Pressure		DL	SL			Max operating current (A)	Starting current (A)			
4H-15.2	15/10.5		73.6	4xΦ70x55	Ø28 1-1/8"	Ø42 1-5/8"	4.5	380 ~	31	81/132	140		197

Applications:

One of the most common applications for the DM-YSJ is in cold room compressors. With its powerful 1500W motor and top-of-the-line compressor tubes, this product is capable of providing reliable and consistent cooling in even the most demanding environments. But the DM-YSJ is not just for cold room compressors. This versatile product can also be used in a variety of other compressor systems, including air compressors, refrigeration compressors, and more. Its compact and portable design makes it easy to move and use in a wide range of different settings, from industrial facilities to commercial kitchens.

Whether you are looking for a reliable compressor for your business or simply need a powerful and efficient tool for your personal projects, the DM-YSJ is an excellent choice. With its high-quality construction, advanced features, and exceptional performance, this product is sure to meet your needs and exceed your expectations.

FAQ:

Q: What is the brand name of this compressor?

A: The brand name of this compressor is Damai.

Q: What is the model number of this compressor?

A: The model number of this compressor is DM-YSJ.

Q: Where is this compressor made?

A: This compressor is made in China.

Q: What is the voltage requirement for this compressor?

A: The voltage requirement for this compressor is 380V/50Hz.
