

Advanced 380V/220V Air Cooled Condenser for Blast Freezer walk in cooler room refrigeration

Our Product Introduction

for more products please visit us on coldroomunit.com

Basic Information

- Place of Origin: China
- Brand Name: Damai
- Certification: CE;ISO
- Model Number: DM-FNN
- Minimum Order Quantity: 1
- Price: \$200~\$100000
- Packaging Details: Wooden Case
- Delivery Time: 15 Work Days
- Payment Terms: T/T
- Supply Ability: 1000000pcs/year

DAMAI COLD CHAIN EQUIPMENT

Product Specification

- Keyword: Blast Freezer Condenser
- Cooling Method: Air Cooling
- Voltage: 380V/220V
- Origin: China
- Motor Type: Direct Drive
- Number Of Fans: 2-6
- Application: Commercial/Industrial
- Type: Air-Cooled
- Highlight: 220V Air Cooled Condenser,
380V Air Cooled Condenser,
Blast Freezer Air Cooled Condenser

Product Description

Product Description:

The Air-Cooled Condenser is a type of radiating facility that is used to match cooling equipment. It comes in three different types: H, V, and U. The H type is designed for side blowing while the V and U types are roof blowing.

The Air-Cooled Condenser has a well-structured design that offers excellent interchangeability. It can easily be equipped with different kinds of compressors to suit the specific needs of each customer.

Additionally, the Air-Cooled Condenser offers a variety of window fin options to meet the unique needs and preferences of different customers.

Technical Parameters:

Applications:

With a minimum order quantity of just one, the DM-FNN is accessible to businesses of all sizes. Prices range from \$200 to \$100,000 depending on the specific configuration and number of fans, which can range from two to six. No matter the size, this air cooled fnh refrigeration condenser is built to last, with direct drive motors and air-cooling technology that ensures reliable performance even in tough conditions.

Whether you need to cool a small walk-in freezer or a large industrial warehouse, the DM-FNN is up to the task. And with a supply ability of up to 1,000,000 units per year, you can be sure that Damai has the capacity to meet your needs quickly and efficiently. When you order the DM-FNN, you can expect it to arrive at your facility in a wooden case, ready for installation within 15 work days. Payment terms are flexible, with T/T accepted. So if you're looking for a refrigeration air cooled condenser that you can rely on for years to come, consider the DM-FNN from Damai. With its high-quality construction and proven performance, it's the perfect choice for any cold storage application.

Packing and Shipping:

Product Packaging:

The air cooler condenser will be securely packaged in a wooden box.

All necessary padding and protection will be used to prevent any damage during transit.

The product will also be accompanied by an instruction manual and any required accessories.

Shipping:

The air cooler condenser will be shipped via a reliable courier service.

Shipping times may vary depending on the destination, but typically take between 15-20 business days.

Customers will be provided with a tracking number so they can monitor the progress of their shipment.

FAQ:

Here are some frequently asked questions and answers about the Damai DM-FNN Air Cooler Condenser:

Q: What is the brand name of this product?

A: The brand name of this air cooler condenser is Damai.

Q: Where is this product manufactured?

A: This product is manufactured in China.

Q: What is the minimum order quantity for this product?

A: The minimum order quantity for this product is 1.

Q: What is the price range for this product?

A: The price for this product ranges from \$200 to \$100000.

Q: How is this product packaged?

A: This product is packaged in a wooden case.

Q: What is the delivery time for this product?

A: The delivery time for this product is 15 work days.

Q: What are the accepted payment terms for this product?

A: The accepted payment terms for this product is T/T.

Q: What is the supply ability of this product?

A: The supply ability of this product is 1000000pcs/year.
