

## Customizable and Durable Blast Freezer Condenser for Freezer Room Condensing Unit Voltage 380V/220V

Our Product Introduction

### Basic Information

- Place of Origin: China
- Brand Name: Damai
- Certification: CE;ISO
- Model Number: DM-FNU
- Minimum Order Quantity: 1
- Price: \$200~\$100000
- Packaging Details: Wooden Case
- Delivery Time: 15 Work Days
- Payment Terms: T/T
- Supply Ability: 1000000pcs/year

### Product Specification

- Origin: China
- Application: Commercial/Industrial
- Cooling Method: Air Cooling
- Keyword: Blast Freezer Condenser
- Number Of Fans: 2-6
- Voltage: 380V/220V
- Motor Type: Direct Drive
- Type: Air-Cooled
- Highlight: **industrial freezer room condensing unit,  
industrial condensing air conditioning unit**

**Product Description:**

With its 2-6 fans, this air cooled condenser is designed to cool even the most demanding environments. Its blast freezer condenser is capable of cooling large volumes of air, making it ideal for use in large cold storage facilities, walk-in freezers, and blast freezers. One of the key features of this air cooled condenser is its H-Type design. This allows for a larger surface area, which in turn increases the heat transfer rate and improves overall efficiency. The H-Type design also allows for a smaller footprint, making it easier to install in tight spaces.

The H-Type Air Cooled Condenser is designed to work with a wide range of refrigerants, including R404a, R134a, and R22. This makes it a versatile option for various refrigeration systems. Its robust construction ensures that it can operate in even the harshest of environments, making it a reliable choice for industrial and commercial applications. Overall, the H-Type Air Cooled Condenser is an excellent choice for those looking for a high-performance air cooled condenser. Its reliability, efficiency, and versatility make it a popular choice for commercial and industrial applications. Whether you need to cool a large cold storage facility or a walk-in freezer, this air cooled condenser is up to the task.

**Features:**

- Product Name: Air Cooler Condenser
  - Keyword: Blast Freezer Condenser
  - Number Of Fans: 2-6
  - Motor Type: Direct Drive
  - Type: Air-Cooled
  - Voltage: 380V/220V
- Looking for an Air Condenser Cooler? Our Air Cooler Condenser, also known as an Air Cooled Condenser or Refrigeration Air Cooled Condenser, is perfect for blast freezer applications. With 2-6 fans and a direct drive motor, it's the ideal choice for your refrigeration needs. And with both 380V and 220V voltage options, it's adaptable to your specific requirements.

### Applications:

One of the key applications for the Damai DM-FNU Air Cooler Condenser is in freezer rooms. With its powerful cooling capabilities and high-quality construction, this unit is perfect for keeping freezer rooms at the optimal temperature for storing frozen foods and other perishable items. Whether you are running a small convenience store or a large warehouse facility, this air cooler condenser can help you keep your products fresh and cool.

Overall, the Damai DM-FNU Air Cooler Condenser is a versatile and high-quality cooling unit that is perfect for a wide range of commercial and industrial applications. With its robust construction, powerful cooling capabilities, and reliable performance, it is an excellent choice for businesses and organizations that need to keep their products and equipment cool and at the optimal temperature.

### Support and Services:

- Installation support
- Maintenance and repair services
- Troubleshooting assistance
- Warranty support

Our team of experts is dedicated to providing you with the highest level of customer service and support. Contact us today for assistance with your Air Cooler Condenser.

### FAQ:

**Q: Where is this air cooler condenser made?**

A: This air cooler condenser is made in China.

**Q: What is the minimum order quantity for this air cooler condenser?**

A: The minimum order quantity for this air cooler condenser is 1.

**Q: What is the price range for this air cooler condenser?**

A: The price range for this air cooler condenser is between \$200 and \$100000.

**Q: What are the packaging details for this air cooler condenser?**

A: The packaging details for this air cooler condenser are wooden cases.

**Q: What is the delivery time for this air cooler condenser?**

A: The delivery time for this air cooler condenser is 15 work days.

**Q: What are the payment terms for this air cooler condenser?**

A: The payment terms for this air cooler condenser are T/T.

**Q: What is the supply ability for this air cooler condenser?**

A: The supply ability for this air cooler condenser is 1000000pcs/year.

**Zhejiang Damai Cold Chain Equipment Co., Ltd.**
