

Commercial Blast Freezer Air Conditioner Condenser Evaporator for Your Cooling Needs

Our Product Introduction

for more products please visit us on coldroomunit.com

Basic Information

- Place of Origin: China
- Brand Name: Damai
- Certification: CE;ISO
- Model Number: DM-FNU
- Minimum Order Quantity: 1
- Price: \$200~\$100000
- Packaging Details: Wooden Case
- Delivery Time: 15 Work Days
- Payment Terms: T/T
- Supply Ability: 1000000pcs/year

Product Specification

- Type: Air-Cooled
- Cooling Method: Air Cooling
- Number Of Fans: 2-6
- Application: Commercial/Industrial
- Origin: China
- Motor Type: Direct Drive
- Keyword: Blast Freezer Condenser
- Voltage: 380V/220V
- Highlight: industrial air cooling condenser,
industrial air conditioner condenser

Product Description

Product Description:

The Air Cooler Condenser is an H-type air cooled condenser that features a compact design and a high-performance cooling system. Its unique design allows it to cool large volumes of air quickly and efficiently, making it an ideal choice for commercial and industrial applications. The condenser is made of high-quality materials that are resistant to corrosion and wear, ensuring a long service life. Its compact size makes it easy to install and maintain, making it a cost-effective option for any cooling system.

The Air Cooler Condenser is also an excellent option for steam condenser applications. Its efficient cooling system allows it to handle high volumes of steam and condensate, making it an ideal choice for industrial steam systems. The condenser's air-cooled design eliminates the need for water cooling, which reduces installation and maintenance costs. The direct-drive motor ensures reliable operation and low maintenance requirements, making it an excellent choice for any industrial steam system.

In summary, the Air Cooler Condenser is a high-performance refrigeration air cooled condenser that is ideal for commercial and industrial applications. Its direct-drive motor, air-cooled design, and H-type construction make it an efficient and reliable option for cooling systems. It is also an excellent option for steam condenser applications, thanks to its efficient cooling system and resistance to corrosion and wear. If you are looking for a cost-effective and reliable cooling solution for your commercial or industrial application, the Air Cooler Condenser is an excellent choice.

Features:

Product Name: Air Cooler Condenser

Type: Air-Cooled

Origin: China

Motor Type: Direct Drive

Cooling Method: Air Cooling

Voltage: 380V/220V

Refrigeration Air Cooled Condenser, Refrigeration Air Cooled Condenser, Refrigeration Air Cooled Condenser

Technical Parameters:

Voltage	380V/220V
Motor Type	Direct Drive
Type	Air-Cooled
Keyword	Blast Freezer Condenser
Number Of Fans	2-6
Cooling Method	Air Cooling
Application	Commercial/Industrial
Origin	China

H-Type Air Cooled Condenser, Freezer Room Condensing Unit, Air Condenser Cooler

Applications:

The Damai DM-FNU Air Cooler Condenser is equipped with 2-6 fans, and features a direct drive motor, which ensures its high performance and efficiency. Its application is versatile, and it can be used in a variety of commercial and industrial settings, such as food processing plants, supermarkets, and restaurants. It is also a great fit for blast freezer condenser applications, where it can handle the rapid cooling demands of the freezer.

When it comes to purchasing the Damai DM-FNU Air Cooler Condenser, customers can rest assured that they will receive a high-quality product that meets their needs. The product has a minimum order quantity of 1, and is priced between \$200 and \$100,000, depending on the specific model and features. It is packaged in a wooden case for safe transportation, and has a delivery time of 15 work days.

Payment terms are T/T, and the product has a supply ability of 1,000,000pcs/year.

In summary, the Damai DM-FNU Air Cooler Condenser is a refrigeration air cooled condenser that is ideal for commercial and industrial settings. Its versatility and high performance make it a great fit for a variety of applications, such as cold storage and blast freezer condenser. Customers can trust in its quality and reliability, and can purchase it with confidence, knowing that it comes with CE and ISO certification.

Support and Services:

The Air Cooler Condenser product comes with a range of technical support and services to ensure optimal performance and longevity:

- Our team of trained technicians can provide installation, maintenance, and repair services for your Air Cooler Condenser.
- Our customer support team is available to answer any questions or concerns you may have about your product.
- We offer a warranty for each Air Cooler Condenser product, covering any defects or malfunctions.

- We provide online resources and documentation to assist with troubleshooting and maintenance.

FAQ:

Q1: What is the brand name of this Air Cooler Condenser?

A1: The brand name of this Air Cooler Condenser is Damai.

Q2: What is the model number of this Air Cooler Condenser?

A2: The model number of this Air Cooler Condenser is DM-FNU.

Q3: What is the certification of this Air Cooler Condenser?

A3: This Air Cooler Condenser is certified by CE and ISO.

Q4: What is the minimum order quantity of this Air Cooler Condenser?

A4: The minimum order quantity of this Air Cooler Condenser is 1.

Q5: What are the payment terms for this Air Cooler Condenser?

A5: The payment terms for this Air Cooler Condenser are T/T.
