

walk in freezer cold room Air Cooler Condenser for Blast Freezer Air Cooling Method

Our Product Introduction

for more products please visit us on coldroomunit.com

Basic Information

- Place of Origin: China
- Brand Name: Damai
- Certification: CE
- Model Number: DM-FNU
- Minimum Order Quantity: 1
- Price: \$200~\$100000
- Packaging Details: Wooden Case
- Delivery Time: 15 Work Days
- Payment Terms: T/T
- Supply Ability: 1000000pcs/year

Product Specification

- Origin: China
- Keyword: Blast Freezer Condenser
- Number Of Fans: 2-6
- Cooling Method: Air Cooling
- Motor Type: Direct Drive
- Type: Air-Cooled
- Application: Commercial/Industrial
- Voltage: 380V/220V
- Highlight: industrial air cooler condenser,
industrial air cooling condenser

Product Description

Product Description:

The Air Cooled Fnh Refrigeration Condenser for Cold Storage operates on either 380V or 220V voltage and uses air cooling technology to provide optimum performance. With its powerful cooling capabilities, this condenser is perfect for blast freezer applications, ensuring that your products are kept at the optimal temperature.

Whether you are looking to install a new freezer room condensing unit or replace your existing air conditioner condenser evaporator, the Air Cooled FNU Refrigeration Condenser for Cold Storage is the ideal choice. It is built to last and is designed to withstand the toughest commercial and industrial environments.

With its compact design, this condenser is easy to install and requires minimal maintenance, making it a cost-effective choice for any business. Its air cooling technology ensures that it operates quietly and efficiently, minimizing energy costs and reducing your carbon footprint.

So, if you are looking for a reliable and efficient cooling solution for your commercial or industrial needs, look no further than the Air Cooled Fnh Refrigeration Condenser for Cold Storage. It is the perfect choice for blast freezer applications, providing efficient cooling in even the toughest environments.

Features:

Product Name: Air Cooler Condenser

Number Of Fans: 2-6

Application: Commercial/Industrial

Motor Type: Direct Drive

Cooling Method: Air Cooling

Type: Air-Cooled

Applications:

The Damai DM-FNU Air Cooler Condenser is made in China and is available for purchase with a minimum order quantity of 1 unit. The price of the product ranges from \$200 to \$100,000 depending on the model and specifications. The product is packaged in a sturdy wooden case for safe and secure transportation, and delivery time is typically 15 working days. Payment terms are T/T, and the supply ability is 1,000,000 units per year.

The Damai DM-FNU Air Cooler Condenser features 2-6 fans and a direct drive motor type, which provides reliable and efficient cooling performance. The voltage of the product is 380V/220V, making it suitable for use in a variety of settings. The product is designed for use in commercial and industrial settings and is suitable for a variety of cooling applications.

The Damai DM-FNU Air Cooler Condenser is an air cooled condenser that provides efficient and reliable cooling performance. The product is designed to be easy to install and maintain, making it a great choice for businesses of all sizes. Whether you need to cool a large commercial space or a small industrial facility, the Damai DM-FNU Air Cooler Condenser is the perfect solution.

Support and Services:

The Air Cooler Condenser is a high-quality and reliable product designed to provide efficient cooling for various applications. Our technical support team is available to assist with any issues or questions you may have regarding the installation, operation, or maintenance of the product.

Our services include:

Installation guidance

Remote technical support

On-site repair and maintenance

Product training

Warranty services

We are committed to ensuring that our customers receive the best possible support and service for their Air Cooler Condenser. Please do

not hesitate to contact us for any assistance you may need.

FAQ:

FAQs for Damai Air Cooler Condenser (Model: DM-FNU)

Q1. What is the origin of Damai Air Cooler Condenser?

A1. Damai Air Cooler Condenser is made in China.

Q3. What is the minimum order quantity for Damai Air Cooler Condenser?

A3. The minimum order quantity for Damai Air Cooler Condenser is 1 unit.

Q4. What is the price range for Damai Air Cooler Condenser?

A4. The price range for Damai Air Cooler Condenser is between \$200 to \$100000.

Q5. What is the packaging and delivery time for Damai Air Cooler Condenser?

A5. Damai Air Cooler Condenser is packaged in wooden cases and has a delivery time of 15 work days. Payment terms are T/T and the supply ability is 1000000pcs/year.
