

Effective Cooling Solution Cold Room Air Cooler , Cold Storage Room Evaporator

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: DM
- Certification: CE ISO
- Model Number: DM-COOLER-DSL
- Minimum Order Quantity: 1
- Price: 1000-100000
- Packaging Details: Customization
- Delivery Time: 20day
- Payment Terms: TT, L/C
- Supply Ability: 300000/Year

Product Specification

- Condition: New
- Fan Qty: 1pcs To 2,3,4 Pcs
- Storage: Low Temperature Storage
- Coil Tube: Copper
- Customized: Acceptable
- Casing: Steel Plate With Plastic Spray
- Material Of Fin: Material Of Fin
- Temperature: High, Medium, Low Temperature
- Highlight: **Cold Storage Room Evaporator, Effective Cooling Solution Cold Room Evaporator, Cold Room Air Cooler**

Product Description

Product Description:

- 1. Motor:** High-efficiency, energy-saving motor
- 2. Fan Blade:** Durable, corrosion-resistant designed for optimal airflow.
- 3. Cooling Pads:** Cooling pads for effective evaporative cooling.
- 4. Airflow Capacity:** High airflow to ensure efficient cooling for larger areas.
- 5. Control Panel:** Manual or digital control panel to adjust fan speed, temperature settings, and water levels.

- 6. Air Filter:** Filters to clean the air, removing dust and debris.
- 7. Exhaust Air Outlet:** Adjustable or multi-directional outlets for distributing cool air evenly across a room.
- 8. Housing Material:** Sturdy, corrosion-resistant plastic or metal casing to protect internal components.
- 9. Noise Reduction Design:** Design features aimed at minimizing operational noise, for quieter performance.

Applications:

DM Cold Room Evaporator, model number DM-COOLER-DSL, is a high-quality product designed for various commercial refrigeration needs. Originating from China, this product is certified with CE and ISO standards, ensuring its reliability and performance.

With a minimum order quantity of 1 and a price range from 1000 to 100000, the DM Cold Room Evaporator offers flexibility for different business requirements. The packaging details are customizable, allowing for tailored solutions for each order.

The delivery time for this product is 20 days, and payment terms accepted include TT and L/C. With a supply ability of 300000 units per year, customers can rely on the availability of the DM Cold Room Evaporator for their projects.

The casing of the evaporator is made of steel plate with plastic spray, ensuring durability and longevity. As an air cooler type, this product boasts high heat transfer efficiency, making it ideal for cold storage, cold room, and freezer room applications.

In addition, the DM Cold Room Evaporator features electric defrosting capabilities, enhancing its performance and reliability in maintaining optimal temperature levels. Whether it's a commercial refrigeration unit, evaporative air cooler, or cold room air cooler, this product is versatile and suitable for a wide range of scenarios.

Customization:

Product Customization Services for the Cold Room Evaporator:

Place of Origin: China

Packaging Details: Customization

Delivery Time: 20 days

Payment Terms: TT, L/C

Supply Ability: 300000/Year

Material Of Fin: Material Of Fin

Type: Air Cooler

Condition: New

Defrosting: Electric Defrosting

Dimensions: Custom

Keywords: Air Cooled Evaporator, Evaporator In Refrigeration System, Cold Room Evaporators

Support and Services:

The Cold Room Evaporator product comes with comprehensive Product Technical Support and Services to ensure optimal performance and customer satisfaction. Our team of experts is available to assist with installation, troubleshooting, and maintenance of the evaporator system. We provide detailed product documentation, user manuals, and instructional videos to help users understand and operate the equipment effectively.
