

## Cold Room Type Commercial Evaporative Air Cooler With Durable Copper Coil Tube

Our Product Introduction

for more products please visit us on [coldroomunit.com](http://coldroomunit.com)

### Basic Information

- Place of Origin: China
- Brand Name: DM
- Certification: CE ISO
- Model Number: DM-COOLER-DSL
- Minimum Order Quantity: 1
- Price: 1000-100000
- Packaging Details: Customization
- Delivery Time: 20day
- Payment Terms: TT, L/C
- Supply Ability: 300000/Year

### Product Specification

- Application: Cold Storage/Cold Room/Freezer Room
- Casing: Steel Plate With Plastic Spray
- Defrosting: Electric Defrosting
- Dimensions: Custom
- Tyoe: Air Cooler
- Cold Room Type: Cold Storage (Cold Room)
- Coil Tube: Copper
- Customized: Acceptable
- Highlight: **Commercial Evaporative Air Cooler,  
Cold Room Evaporative Air Cooler,  
Copper Coil Tube Cold Room Evaporator**

## Product Description

### Product Description:

**Motor:** High-efficiency, energy-saving motor

**Fan Blade:** Durable, corrosion-resistant designed for optimal airflow.

**Cooling Pads:** cooling pads for effective evaporative cooling.

**Airflow Capacity:** High airflow to ensure efficient cooling for larger areas.

**Control Panel:** Manual or digital control panel to adjust fan speed, temperature settings, and water levels.

**Air Filter:** Filters to clean the air, removing dust and debris.

**Exhaust Air Outlet:** Adjustable or multi-directional outlets for distributing cool air evenly across a room.

**Housing Material:** Sturdy, corrosion-resistant plastic or metal casing to protect internal components.

**Noise Reduction Design:** Design features aimed at minimizing operational noise, for quieter performance.

### Applications:

When considering the Product Application Occasions and Scenarios for the DM Cold Room Evaporator (Model: DM-COOLER-DSL), it is essential to highlight its versatile use in various settings. The DM brand, originating from China, ensures top-notch quality with CE and ISO certifications, making it a reliable choice for commercial and industrial purposes.

The DM Cold Room Evaporator is ideal for Cold Storage, Cold Room, and Freezer Room applications, where maintaining precise temperature control is crucial. As a part of a refrigeration system, this evaporator plays a key role in cooling environments efficiently and effectively.

With its copper coil tube construction, the DM Cold Room Evaporator guarantees excellent heat exchange capabilities, ensuring optimal performance in Cold Storage environments. The customizable dimensions of the evaporator make it suitable for a wide range of cold room setups, accommodating varying spatial requirements.

Customers can expect timely Delivery within 20 days, and the Packaging Details can be customized to meet specific shipping requirements. The DM Cold Room Evaporator's acceptance of customization further enhances its appeal for businesses seeking tailored refrigeration solutions.

### Customization:

Product Customization Services for the Industrial Evaporator - Cold Room Evaporators

Brand Name: DM

Place of Origin: China

Certification: CE ISO

Minimum Order Quantity: 1

Price: 1000-100000

Packaging Details: Customization

Supply Ability: 300000/Year

Customized: Acceptable

Application: Cold Storage/Cold Room/Freezer Room

Fan Qty: 1pcs To 2,3,4 Pcs

Type: Air Cooler

Cold Room Type: Cold Storage (Cold Room)

### Support and Services:

Our Cold Room Evaporator product comes with comprehensive Product Technical Support and Services to ensure optimal performance and efficiency. Our team of dedicated technical experts is available to assist you with any product-related queries, troubleshooting, and maintenance needs. We provide installation guidance, product training, and ongoing support to help you maximize the benefits of your Cold Room Evaporator. Rest assured that our technical support services are designed to enhance your overall user experience and satisfaction with our product.
