

## Compressor Structure Air Cooled Condensing Units For Industrial Refrigeration System

Our Product Introduction

for more products please visit us on [coldroomunit.com](http://coldroomunit.com)

### Basic Information

- Place of Origin: China
- Brand Name: DM
- Certification: CE;ISO
- Model Number: DM-UNIT-U
- Minimum Order Quantity: 1
- Price: \$2000~\$100000
- Packaging Details: Wooden Case
- Delivery Time: 30 Work Days
- Payment Terms: T/T
- Supply Ability: 1000000pcs/year

### Product Specification

- Use Nature: Industry Refrigeration
- Refrigerant: R507 R404A
- Type: Outdoor
- Nominal Capacity: 3 HP To 40 HP
- Compressor Structure: Compressor Structure
- Condensing Temperature: 0~10c And -15~-25c
- Fans Species: Frequency Fan
- Loading Port: Ningbo/Shanghai
- Highlight: Industrial Refrigeration Condensing Units,  
Air Cooled Condensing Units,  
Compressor Structure Condensing Units

## Product Description

### Product Description:

1. U-shaped Tubes
2. Fins
3. Axial Fans
4. Fan Motor
5. Filter
6. Air Inlet/Outlet Grilles
7. Headers/Manifolds
8. Support Frame
9. Deflector Plates
10. Thermal Expansion Valves
11. Pressure Relief Valves
12. Electrical Controls
13. Compressor

### Applications:

Data Centers

Provides cooling for server racks and IT equipment.

Renewable Energy Systems

Integrated into solar-powered cooling systems or geothermal heat pumps.

Medical Facilities

Used in refrigerated trucks, shipping containers, and railway cooling systems.

Residential Heat Pumps

Supports heating and cooling in homes, especially in regions with extreme climates.

Agricultural Storage

Preserves perishable goods like fruits, vegetables, and flowers in cold storage facilities.

Petrochemical Plants

Cools equipment and processes in refineries or chemical production lines.

Electric Vehicle Charging Stations

Manages thermal loads in high-power charging systems.

### Packing and Shipping:

Product Packaging and Shipping:

The condensing unit is carefully packaged to ensure its safe transport and delivery. It is securely wrapped and placed in a sturdy cardboard box with adequate cushioning material to prevent any damage during transit. Additionally, the package is labeled with handling instructions and product information for easy identification.

For shipping, the condensing unit is typically sent via a reputable carrier service, such as FedEx or UPS, to ensure timely and reliable delivery to the customer's specified address. Tracking information is provided so that the customer can monitor the shipment's progress and anticipate its arrival.

**FAQ:**

- Q: What is the brand name of the condensing unit? -----
- A: The brand name is DM.
- Q: What is the model number of the condensing unit?
- A: The model number is DM-UNIT-U.
- Q: Where is the condensing unit manufactured?
- A: The condensing unit is manufactured in China.
- Q: What is the minimum order quantity for the condensing unit?
- A: The minimum order quantity is 1 unit.
