

## Air Cooler Condenser for Blast Freezer Air Cooling 2-6 Fans Professional Grade Cooling Equipment

Our Product Introduction

for more products please visit us on [coldroomunit.com](http://coldroomunit.com)

### Basic Information

- Place of Origin: China
- Brand Name: Damai
- Certification: CE;ISO
- Model Number: DM-FNU
- Minimum Order Quantity: 1
- Price: \$200~\$100000
- Packaging Details: Wooden Case
- Delivery Time: 15 Work Days
- Payment Terms: T/T
- Supply Ability: 1000000pcs/year

### Product Specification

- Number Of Fans: 2-6
- Origin: China
- Cooling Method: Air Cooling
- Application: Commercial/Industrial
- Type: Air-Cooled
- Keyword: Blast Freezer Condenser
- Motor Type: Direct Drive
- Voltage: 380V/220V
- Highlight: **2-6 Fans Air Cooler Condenser,  
Professional Grade Air Cooler Condenser,  
Blast Freezer Air Cooler Condenser**

## Product Description

### Product Description:

The air-cooled condenser plays a crucial role in refrigeration and air conditioning systems by using ambient air to remove heat from the refrigerant. It is extensively employed in commercial refrigeration, industrial cooling, and HVAC systems. Engineered for optimal efficiency and longevity, this condenser delivers consistent performance under different environmental circumstances.

### Features:

No water resource is needed for operation, making it highly adaptable to different environments. The system features a simple structure that allows for easy installation and maintenance. Energy efficiency is significantly influenced by the ambient temperature conditions. While operating costs are low, energy consumption is relatively high. This system is well-suited for small to medium-sized refrigeration setups. There are various structural variations available, making it suitable for a range of applications.

### Technical Parameters:

Cooling Method	Air Cooling
Type	Air-Cooled
Voltage	380V/220V
Origin	China
Number Of Fans	2-6
Motor Type	Direct Drive
Keyword	Blast Freezer Condenser
Application	Commercial/Industrial

### Applications:

#### Cold Storage and Freezer Rooms:

Our company specializes in the design and installation of cold storage and freezer rooms for various industries. We offer custom solutions to meet your specific storage needs, ensuring optimal temperature control and storage conditions for your products.

#### Supermarket Refrigeration Systems:

We provide advanced refrigeration systems tailored for supermarkets to maintain the freshness and quality of perishable goods. Our systems are energy-efficient and reliable, helping supermarket owners reduce operating costs while delivering a superior shopping experience to customers.

#### Industrial Process Cooling:

Our industrial process cooling solutions are designed to meet the unique requirements of different manufacturing processes. We offer cutting-edge cooling technology to ensure precise temperature control and maximum efficiency in industrial operations.

#### Commercial Air Conditioning:

For commercial spaces, we offer top-of-the-line air conditioning systems that are both effective and energy-efficient. Our solutions help create a comfortable environment for employees and customers, enhancing productivity and satisfaction in commercial establishments.

#### Food Processing and Preservation:

With our expertise in food processing and preservation, we provide innovative solutions to help food businesses maintain

quality and safety standards. From processing facilities to storage areas, our solutions ensure proper temperature management for optimal food preservation.

### Customization:

Product Customization Services:

Brand Name: Damai

Model Number: DM-FNU

Place of Origin: China

Certification: CE;ISO

Minimum Order Quantity: 1

Price: \$200~\$100000

Packaging Details: Wooden Case

Delivery Time: 15 Work Days

Payment Terms: T/T

Supply Ability: 1000000pcs/year

Number Of Fans: 2-6

Keyword: Blast Freezer Condenser

Voltage: 380V/220V

Motor Type: Direct Drive

Type: Air-Cooled

Keywords: Air Cooled Fnh Refrigeration Condenser for Cold Storage, Steam Condenser, Freezer Room Condensing Unit
