

Direct Drive Motor Type Air Cooler Condenser Perfect for Commercial/Industrial Applications 380V/220V Voltage

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: Damai
- Certification: CE;ISO
- Model Number: DM-DV
- Minimum Order Quantity: 1
- Price: \$200~\$100000
- Packaging Details: Wooden Case
- Delivery Time: 15 Work Days
- Payment Terms: T/T
- Supply Ability: 1000000pcs/year

Product Specification

- Application: Commercial/Industrial
- Voltage: 380V/220V
- Origin: China
- Keyword: Blast Freezer Condenser
- Motor Type: Direct Drive
- Cooling Method: Air Cooling
- Type: Air-Cooled
- Number Of Fans: 2-6
- Highlight: 380V Air Cooler Condenser,
Industrial Air Cooler Condenser,
220V Air Cooler Condenser

Product Description

Product Description:

The V-Type Air Cooled Condenser is a highly efficient heat rejection unit designed for a variety of industrial and commercial applications. Engineered to provide optimal performance, this condenser utilizes a space-saving V-shaped configuration that maximizes airflow and heat transfer efficiency.

It is ideal for use in HVAC systems, refrigeration, and cooling processes where air is the primary cooling medium.

Applications:

Air conditioning systems, refrigeration units, industrial cooling systems, and process cooling are all types of cooling methods used in various settings.

Air conditioning systems are commonly found in homes, offices, and public buildings to regulate indoor temperature and provide comfort during hot weather. Refrigeration units are used in supermarkets, restaurants, and food storage facilities to keep products at optimal temperatures. Industrial cooling systems are utilized in manufacturing plants, data centers, and other industrial settings to maintain machinery and equipment at appropriate operating temperatures.

Process cooling is a specific type of cooling used in industrial processes such as chemical manufacturing, power generation, and pharmaceutical production. It involves removing heat from a system or process to ensure efficient operation and product quality.

Support and Services:

The Product Technical Support and Services for the Air Cooler Condenser product include:

- Installation assistance - Troubleshooting guidance - Repair and maintenance services - Warranty information - Product usage tips and recommendations

FAQ:

Q: What is the brand name of this Air Cooler Condenser product?

A: The brand name is Damai.

Q: What is the model number of this Air Cooler Condenser?

A: The model number is DM-DV.

Q: Where is this Air Cooler Condenser manufactured?

A: It is manufactured in China.

Q: What certifications does this Air Cooler Condenser have?

A: It is certified with CE and ISO.

Q: What is the minimum order quantity for this Air Cooler Condenser?

A: The minimum order quantity is 1.
