

Industrial Air Cooler Condenser 2-6 Fans for Commercial/Industrial Air Cooling Solutions

Our Product Introduction

for more products please visit us on coldroomunit.com

Basic Information

- Place of Origin: China
- Brand Name: Damai
- Certification: CE;ISO
- Model Number: DM-DV
- Minimum Order Quantity: 1
- Price: \$200~\$100000
- Packaging Details: Wooden Case
- Delivery Time: 15 Work Days
- Payment Terms: T/T
- Supply Ability: 1000000pcs/year

Product Specification

- Origin: China
- Cooling Method: Air Cooling
- Application: Commercial/Industrial
- Motor Type: Direct Drive
- Type: Air-Cooled
- Voltage: 380V/220V
- Number Of Fans: 2-6
- Keyword: Blast Freezer Condenser
- Highlight: **Commercial Air Cooler Condenser,
2-6 Fans Air Cooler Condenser,
Industrial Air Cooler Condenser**

Product Description

Product Description:

Air Cooler Condenser – High-Efficiency Heat Exchange Solution

The Air Cooler Condenser plays a vital role in refrigeration and HVAC systems. It is specifically engineered to facilitate efficient heat dissipation across a range of cooling applications. Constructed using top-grade aluminum fins and copper tubing, this condenser ensures exceptional thermal conductivity and robust durability.

Equipped with high-performance, low-noise fan motors, this condenser promotes optimal air circulation, thereby enhancing cooling efficiency and minimizing energy consumption. Its compatibility extends to various refrigerants, such as R134a, R404A, R410A, and R290, enabling seamless integration with diverse industry requirements.

Features:

Key Features:

- Superior heat dissipation for stable and efficient cooling
- Corrosion-resistant materials ensure long-term reliability
- Energy-saving, low-noise fan motors for optimal performance
- Customizable fan quantity and size to meet specific requirements
- Easy installation and low maintenance

Zhejiang Damai Cold Chain Equipment Co.,Ltd.

Zhejiang Damai Cold Chain Equipment Co., Ltd., is a leading manufacturer of refrigeration units, like condensers, air coolers, all kinds of units, and solution provider for cold storage room.

We, Damai Cold Chain, are located in Zhejiang Province China, already supplied our machines, designing and installation services to more than 80 countries and districts clients in the world.

At present, we can supply clients for Bitzer, Copeland, Danfoss, Carrier, Damai and other brands compressors and refrigeration units, we also can supply clients for OEM & ODM service.

We want to establish a bright future with potential partners together!

Technical Parameters:

Number Of Fans	2-6
Keyword	Air Cooled Fnh Refrigeration Condenser for Cold Storage, Refrigeration Air Cooled Condenser, Air Cooled Fnh Refrigeration Condenser for Cold Storage
Voltage	380V/220V
Application	Commercial/Industrial
Type	Air-Cooled
Origin	China
Cooling Method	Air Cooling

Motor Type	Direct Drive
------------	--------------

Applications:

Applications:

- ? Cold Storage & Freezer Rooms – Provides reliable cooling for food preservation.
- ? Industrial & Commercial Refrigeration – Used in supermarkets, food processing plants, and warehouses.
- ? HVAC Systems – Supports air conditioning and ventilation in commercial buildings.
- ? Cold Chain Logistics – Ensures consistent temperature control during transport and storage.

Support and Services:

The Product Technical Support and Services for the Air Cooler Condenser include:

- Installation guidance and support
- Troubleshooting assistance for any operational issues
- Regular maintenance recommendations and schedules
- Warranty coverage details and claims process
- Access to online resources such as manuals and FAQs
