

2-6 Fan Air Cooled Condenser for Optimal Heat Dissipation and Cooling

Our Product Introduction

for more products please visit us on coldroomunit.com

Basic Information

- Place of Origin: China
- Brand Name: Damai
- Certification: CE;ISO
- Model Number: DM-DV
- Minimum Order Quantity: 1
- Price: \$200~\$100000
- Packaging Details: Wooden Case
- Delivery Time: 15 Work Days
- Payment Terms: T/T
- Supply Ability: 1000000pcs/year

Product Specification

- Motor Type: Direct Drive
- Origin: China
- Keyword: Blast Freezer Condenser
- Number Of Fans: 2-6
- Voltage: 380V/220V
- Application: Commercial/Industrial
- Type: Air-Cooled
- Cooling Method: Air Cooling
- Highlight: **2-6 Fan Air Cooled Condenser,
Optimal Heat Dissipation Air Cooled Condenser,
6 Fan Air Cooled Condenser**

Product Description

Product Description:

Air Cooler Condenser – High-Efficiency Heat Exchange Solution

The Air Cooler Condenser plays a vital role in refrigeration and HVAC systems as it is specifically engineered for effective heat dissipation in various cooling scenarios. Crafted with premium aluminum fins and copper tubing, this component guarantees exceptional thermal conductivity and prolonged durability.

Equipped with robust fan motors that operate at low noise levels, this condenser promotes improved air circulation, thus enhancing cooling efficiency and reducing overall energy consumption. Its versatility extends to compatibility with a range of refrigerants such as R134a, R404A, R410A, and R290, enabling seamless integration into a variety of industry applications.

Features:

Key Features:

- ✓ Superior heat dissipation for stable and efficient cooling
- ✓ Corrosion-resistant materials ensure long-term reliability
- ✓ Energy-saving, low-noise fan motors for optimal performance
- ✓ Customizable fan quantity and size to meet specific requirements
- ✓ Easy installation and low maintenance

Zhejiang Damai Cold Chain Equipment Co.,Ltd.

Zhejiang Damai Cold Chain Equipment Co., Ltd., is a leading manufacturer of refrigeration units, like condensers, air coolers, all kinds of units, and solution provider for cold storage rooms.

We, Damai Cold Chain, are located in Zhejiang Province China, already supplied our machines, designing and installation services to more than 80 countries and districts clients in the world.

At present, we can supply clients for Bitzer, Copeland, Danfoss, Carrier, Damai and other brands compressors and refrigeration units, we also can supply clients for OEM & ODM service.

We want to establish a bright future with potential partners together!

Technical Parameters:

Number Of Fans	2-6
Keyword	Blast Freezer Condenser
Motor Type	Direct Drive
Origin	China
Cooling Method	Air Cooling
Voltage	380V/220V
Type	Air-Cooled
Application	Commercial/Industrial

Applications:

Applications:

Cold Storage & Freezer Rooms: Provides dependable cooling to maintain food freshness.

Industrial & Commercial Refrigeration: Essential for supermarkets, food processing facilities, and warehouses.

HVAC Systems: Facilitates air conditioning and ventilation in commercial structures.

Cold Chain Logistics: Ensures uniform temperature control during transportation and storage.

Support and Services:

Our Product Technical Support and Services team for the Air Cooler Condenser product is dedicated to providing assistance with any technical issues or questions you may have. Our knowledgeable staff is available to help troubleshoot problems, offer guidance on maintenance and operation, and provide information on product specifications.
