

Refrigerating System Air Cooled Condensing Unit with and ECM Evaporator Fan Motor

Our Product Introduction

for more products please visit us on coldroomunit.com

Basic Information

- Brand Name: DM
- Certification: CE;ISO
- Model Number: DM-UNIT-FNH
- Minimum Order Quantity: 1
- Price: \$2000~\$100000
- Packaging Details: Wooden Case
- Delivery Time: 30 Work Days
- Payment Terms: T/T,L/C
- Supply Ability: 1000000pcs/year

Product Specification

- Evaporating Temp: -10~+7celsius Degree
- Controller Brand: CAREL
- Power Type: DC
- Trademark: DM
- Sample: Available
- Condenser Type: Air Cooled Condenser
- Evaporator Fan Motor: ECM
- Usage: Refrigerating System
- Highlight: **Air Cooled Condensing Unit,
ECM Evaporator Fan Motor Condensing Unit,
Refrigerating System Condensing Unit**

Product Description

Product Description:

V-Type Air-Cooled Condensing Unit – Powerful Cooling, Compact Design

Our **V-Type Air-Cooled Condensing Unit** is built for performance, reliability, and energy savings. Featuring an innovative V-shaped coil layout, this unit offers greater heat exchange capacity in a smaller footprint—making it perfect for tight spaces and high-demand cooling applications.

It's equipped with energy-efficient axial fans, corrosion-resistant aluminum fins, and high-quality copper tubing, ensuring fast heat rejection and long-lasting durability. Whether your goal is to reduce energy costs or boost system performance, this condensing unit delivers consistent, worry-free operation in all environments.

When space is tight and performance matters—this is your cooling solution.

Features:

Compact V-Shape Coil Design – Optimized for high heat transfer and space efficiency

Quiet Axial Fans – Delivers strong airflow with minimal noise

Fast & Reliable Heat Dissipation – Copper tube and aluminum fin construction

Weather-Resistant Build – Galvanized steel housing with anti-rust coating

Easy to Install & Maintain – User-friendly layout with service access

Multiple Refrigerant Compatibility – Works with R404A, R134a, R407C, R290, etc.

Customizable Fan & Capacity Options – Tailor-made to suit different system sizes

Technical Parameters:

Compressor	Optional
Fan Diameter	400~750mm
Evaporating Temp	-10~+7 Celsius Degree
Noise	Low Noise
Usage	Refrigerating System
Condenser Type	Air Cooled Condenser
Suitable For	Supermarket, Food Storage, Cold Room

Fan Number	2~4
Controller Brand	CAREL
Power Type	DC

Applications:

Cold rooms & freezer storage
 Supermarkets & convenience stores
 Beverage & dairy processing plants
 Pharmaceutical cold storage
 Cold chain warehouses
 Agricultural cooling
 Industrial refrigeration systems

Customization:

Product Customization Services for the Commercial Refrigeration Condensing Unit
 Air Cooled Condensing Units, Air Cooled Condensing Units

Brand Name: DM

Model Number: DM-UNIT-FNH

Place Of Origin: China

Certification: CE;ISO

Minimum Order Quantity: 1

Price: \$2000~\$100000

Packaging Details: Wooden Case

Delivery Time: 30 Work Days

Payment Terms: T/T

Supply Ability: 1000000pcs/year

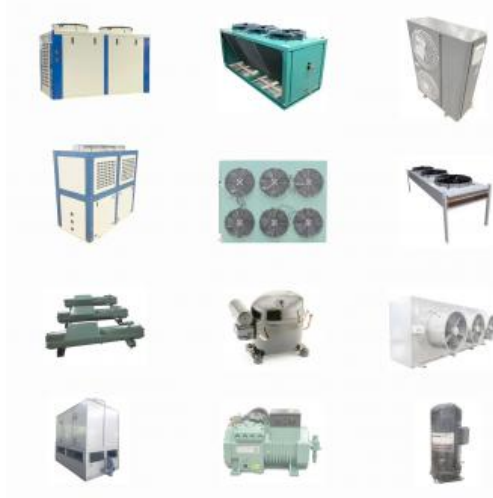

Showroom Location: None

Compressor: Optional

Suitable For: Supermarket, Food Storage, Cold Room

Condenser Type: Air Cooled Condenser

Sample: Available

Zhejiang Damai Cold Chain Equipment Co.,Ltd.

Zhejiang Damai Cold Chain Equipment Co., Ltd., is a leading manufacturer of refrigeration units, like condensers, air coolers, all kinds of units, and solution provider for cold storage rooms.

We, Damai Cold Chain, are located in Zhejiang Province China, already supplied our machines, designing and installation services to more than 80 countries and districts clients in the world.

At present, we can supply clients for Bitzer, Copeland, Danfoss, Carrier, Danai and other brands compressors and refrigeration units, we also can supply clients for OEM & ODM service.

We want to establish a bright future with potential partners together!

Support and Services:

Our Product Technical Support and Services for the Condensing Unit include:

- Installation guidance and support
- Troubleshooting assistance
- Regular maintenance recommendations

- Warranty information and claims processing
- Access to online resources and manuals
- Training programs for technicians
