

Wall Mounted Air Cooler Condenser for Industrial Cooling Applications Walk In Freezer Room

Basic Information

- Brand Name:
- Model Number: DM-HNV

Damai

1

T/T

- Minimum Order
 Quantity:
- Price: \$200~\$100000
- Packaging Details: Wooden Case
- Delivery Time: 15 Work Days
- Payment Terms:
- Supply Ability: 100000pcs/year

Product Specification

	, Wall Mounted Air Cooler Condenser
Highlight:	Industrial Cooling Applications Air Cooler Condenser
Weight:	300 Kg
Pressure Drop:	Depends On Fin And Tube Type
Corrosion Resistance:	Salt Spray Test Up To 1000 Hours
Dryer Included:	Yes
Cooling Method:	Direct Cooling
Customization:	Available
Power Consumption:	1000 W
 Installation Type: 	Wall Mounted

Our Product Introduction

Product Description:

The Air-Cooled Condenser is a type of heat dissipation apparatus that is designed to work in conjunction with cooling equipment. It comes in three variations: H, V, and U. The H type is characterized by side blowing, while the V and W types feature top blowing. This condenser boasts a well-thought-out structure and excellent interchangeability. It can be paired with various types of compressors to suit different requirements.

Additionally, it is available with both window fins and honeycomb fins, catering to a wide range of customer preferences.

Applications:

Applications of Air-Cooled Condenser:

1. Cold Storage Facilities - Air-cooled condensers are used for preserving various products such as food, pharmaceuticals, or chemicals in cold storage facilities.

2. Industrial Workshops - These condensers play a crucial role in cooling machinery and process areas in industrial settings like plastics manufacturing and metalworking workshops.

Smart Air Cooler Solution for Powerful, Fast, and Energy-Saving Performance

3. Commercial Refrigeration - Air-cooled condensers are employed in places like supermarkets, restaurants, and logistics warehouses to maintain the required temperature for storing perishable goods.

4. Agricultural Cooling - Post-harvest, fruits and vegetables require pre-cooling to maintain their freshness, and air-cooled condensers are used for this purpose in agricultural settings.

5. Freeezr **Systems** - Large buildings, data centers, and server rooms utilize air-cooled condensers as a part of their Heating, Ventilation, and Air Conditioning (HVAC) systems to regulate temperature effectively.

6. Special Environments - In high-temperature zones and explosion-proof areas such as mines and oil refineries, air-cooled condensers are integral for cooling purposes to maintain safe working conditions.

Customization:

Product Customization Services for the Air Condenser Cooler: Brand Name: Damai Model Number: DM-HNV Place Of Origin: China Certification: CE;ISO Minimum Order Quantity: 1 Price: \$200~\$10000 Packaging Details: Wooden Case Delivery Time: 15 Work Days Payment Terms: T/T Corrosion Resistance: Salt Spray Test Up To 1000 Hours Dryer Included: Yes

Support and Services:

Our Product Technical Support and Services for the Air Cooler Condenser include:

- Installation guidance and assistance to ensure proper setup of the condenser.
- Troubleshooting support to address any issues or malfunctions that may arise.
- Maintenance tips to help prolong the lifespan and efficiency of the condenser.
- Warranty services to provide coverage for any manufacturing defects or faults.

Packing and Shipping:

Product Packaging:

The Air Cooler Condenser is carefully packaged in a sturdy cardboard box to ensure safe delivery. Inside the box, the condenser is wrapped in protective foam padding to prevent any damage during shipping. Shipping Information:

We offer fast and reliable shipping for the Air Cooler Condenser product. Orders are typically processed within 1-2 business days and shipped via trusted carriers to ensure timely delivery to your doorstep.

FAQ:

What is the brand of the Air Cooler Condenser?
 Answer: The brand of the Air Cooler Condenser is Damai.
 Where is the Air Cooler Condenser manufactured?
 Answer: The Air Cooler Condenser is manufactured in China.
 What certifications does the Air Cooler Condenser have?
 Answer: The Air Cooler Condenser is certified with CE and ISO.
 What is the minimum order quantity for the Air Cooler Condenser?
 Answer: The minimum order quantity for the Air Cooler Condenser is 1.
 What are the payment terms accepted for the Air Cooler Condenser?
