

Energy-saving Air Cooled Condensing Units for 45C Compressor Temperature and Lubricated Style

Our Product Introduction

for more products please visit us on coldroomunit.com

Basic Information

- Brand Name: DM
- Certification: CE;ISO
- Model Number: DM-UNIT-FNH
- Minimum Order Quantity: 1
- Price: \$2000~\$100000
- Packaging Details: Wooden Case
- Delivery Time: 30 Work Days
- Payment Terms: T/T,L/C
- Supply Ability: 1000000pcs/year

DAMAI COLD CHAIN EQUIPMENT

Product Specification

- Oem: Available
- Sample: Available
- Port: Ningbo Port
- Compressor Temperature: 45
- Compressor: QX1903VDL
- Showroom Location: None
- Transport Package: Sea Shipment
- Package Size: Depending On The Product
- Highlight: **45C Compressor Temperature Condensing Units**
, Lubricated Style Air Cooled Condensing Units,
Energy-saving Air Cooled Condensing Units

Product Description

Product Description:

The U-type air-cooled condensing unit is specially engineered for use in commercial and industrial refrigeration systems. Its design prioritizes high efficiency, dependable performance, and easy installation in various settings. The unit's unique U-shaped configuration promotes superior heat dissipation and enhances airflow for consistent operation, even in challenging environments. With its focus on delivering reliable cooling solutions, this condensing unit is ideal for applications requiring consistent and efficient refrigeration. The compact design allows for flexible installation while maintaining optimal performance levels. The U-type layout maximizes the unit's ability to dissipate heat effectively, ensuring reliable operation in demanding conditions.

Features:

- Efficient Cooling:** Equipped with high-performance compressors and air-cooled condensers for rapid and consistent cooling.
- Compact U-Shape Design:** Space-saving structure allows for easy installation and improved airflow management.
- Durable Construction:** Made with corrosion-resistant materials, ensuring long-term performance in various environments.
- Versatile Applications:** Ideal for cold rooms, food storage, supermarket refrigeration, and more.
- Low Maintenance:** User-friendly design allows for easy access to components, reducing downtime and maintenance efforts.

Zhejiang Damai Cold Chain Equipment Co., Ltd.

Zhejiang Damai Cold Chain Equipment Co., Ltd., is a leading manufacturer of refrigeration units, like condensers, air coolers, all kinds of units, and solution provider for cold storage rooms.

We, Damai Cold Chain, are located in Zhejiang Province China, already supplied our machines, designing and installation services to more than 80 countries and districts clients in the world.

At present, we can supply clients for Bitzer, Copeland, Danfoss, Carrier, Danai and other brands compressors and refrigeration units, we also can supply clients for OEM & ODM service.

We want to establish a bright future with potential partners together!

Technical Parameters:

Showroom Location	None
-------------------	------

Loading Port	Ningbo/Shanghai
Compressor Temperature	45
Lubrication Style	Lubricated
OEM	Available
Transport Package	Sea Shipment
Evaporator Type	Coil
Voltage	220-240V
Package Size	Depending On The Product
Core Components	Compressor

Applications:

The U-type air-cooled condensing unit is extensively utilized in different commercial and industrial refrigeration systems where dependable and effective cooling is imperative. Its compact design and robust thermal performance render it perfect for cold storage rooms, walk-in freezers, food processing facilities, supermarkets, and beverage cooling systems. Moreover, it is well-suited for applications in pharmaceutical storage, floral preservation, and logistics centers that necessitate temperature-controlled environments. Thanks to its compatibility with various refrigerants and versatile installation options, the U-type condensing unit offers a flexible solution for both new installations and system upgrades.

Customization:

Product Customization Services for Freezer Room Condensing Unit - Air Cooled Condensing Units

Brand Name: DM

Model Number: DM-UNIT-FNH

Place Of Origin: China

Certification: CE;ISO

Minimum Order Quantity: 1

Price: \$2000~\$100000

Packaging Details: Wooden Case

Delivery Time: 30 Work Days

Payment Terms: T/T

Supply Ability: 1000000pcs/year

Evaporator Type: Coil

Sample: Available

Loading Port: Ningbo/Shanghai
Showroom Location: None
Compressor Temperature: 45

Support and Services:

Our Product Technical Support and Services for the Condensing Unit include: - Installation assistance - Troubleshooting guidance - Maintenance tips - Repair services - Warranty information

FAQ:

Q: What is the brand name of the Condensing Unit?

A: The brand name is DM.

Q: What is the model number of the Condensing Unit?

A: The model number is DM-UNIT-FNH.

Q: Where is the Condensing Unit manufactured?

A: The Condensing Unit is manufactured in China.

Q: What certifications does the Condensing Unit have?

A: The Condensing Unit is certified with CE and ISO.

Q: What is the minimum order quantity for the Condensing Unit?

A: The minimum order quantity is 1 unit.
