

Commercial Refrigeration QX1903VDL Compressor Freezer Room Condensing Unit with Coil Evaporator

Our Product Introduction

for more products please visit us on coldroomunit.com

Basic Information

- Brand Name: DM
- Certification: CE;ISO
- Model Number: DM-UNIT-FNH
- Minimum Order Quantity: 1
- Price: \$2000~\$100000
- Packaging Details: Wooden Case
- Delivery Time: 30 Work Days
- Payment Terms: T/T,L/C
- Supply Ability: 1000000pcs/year

Product Specification

- Evaporator Type: Coil
- Showroom Location: None
- Compressor Temperature: 45
- Core Components: Compressor
- Voltage: 220-240V
- Model: Condensing Unit
- Lubrication Style: Lubricated
- Loading Port: Ningbo/Shanghai
- Highlight: **Coil Evaporator Condensing Unit,
Commercial Refrigeration Condensing Unit,
Freezer Room Condensing Unit**

Product Description

Product Description:

The U-type air-cooled condensing unit is specifically crafted for use in commercial and industrial refrigeration settings, offering a combination of high efficiency, dependable performance, and space-saving design. Utilizing a unique U-shaped configuration, this condensing unit is engineered to excel in heat dissipation and airflow optimization, resulting in a consistently stable operation, even in challenging environments.

With its compact and efficient design, the U-type air-cooled condensing unit is ideal for applications where space is at a premium, providing reliable cooling solutions without compromising performance. The innovative layout of this unit promotes enhanced thermal transfer and airflow management, enabling it to operate effectively under varying demands and conditions while maintaining energy efficiency.

Features:

Efficient Cooling: Equipped with high-performance compressors and air-cooled condensers for rapid and consistent cooling.

Compact U-Shape Design: Space-saving structure allows for easy installation and improved airflow management.

Durable Construction: Made with corrosion-resistant materials, ensuring long-term performance in various environments.

Versatile Applications: Ideal for cold rooms, food storage, supermarket refrigeration, and more.

Low Maintenance: User-friendly design allows for easy access to components, reducing downtime and maintenance efforts.

Zhejiang Damai Cold Chain Equipment Co., Ltd.

Zhejiang Damai Cold Chain Equipment Co., Ltd., is a leading manufacturer of refrigeration units, like condensers, air coolers, all kinds of units, and solution provider for cold storage rooms.

We, Damai Cold Chain, are located in Zhejiang Province China, already supplied our machines, designing and installation services to more than 80 countries and districts clients in the world.

At present, we can supply clients for Bitzer, Copeland, Danfoss, Carrier, Damai and other brands compressors and refrigeration units, we also can supply clients for OEM & ODM service.

We want to establish a bright future with potential partners together!

Technical Parameters:

Lubrication Style	Lubricated
Core Components	Compressor
Sample	Available
Model	Condensing Unit
Showroom Location	None
Voltage	220-240V
Compressor Model	4GE-23Y
Package Size	Depending On The Product
Oem	Available
Loading Port	Ningbo/Shanghai

Applications:

Introduction to U-Type Air-Cooled Condensing Unit

The U-type air-cooled condensing unit plays a crucial role in a wide range of commercial and industrial refrigeration applications where efficient cooling is paramount. Its compact design and excellent thermal performance set it apart as an ideal choice for various settings. Applications in Various Industries

It finds widespread use in cold storage rooms, walk-in freezers, food processing facilities, supermarkets, and beverage cooling systems. Moreover, it is well-suited for environments such as pharmaceutical storage, floral preservation, and logistics centers that demand controlled temperatures.

Features and Flexibility

Thanks to its compatibility with multiple refrigerants and versatile installation options, the U-type condensing unit offers a flexible and practical solution for both new installations and system upgrades.

Customization:

Product Customization Services for Air Cooled Condensing Units - Commercial Refrigeration Condensing Unit - Air Cooled Condensing Units:

- Brand Name: DM
- Model Number: DM-UNIT-FNH
- Place Of Origin: China
- Certification: CE; ISO

- Minimum Order Quantity: 1
- Price: \$2000~\$100000
- Packaging Details: Wooden Case
- Delivery Time: 30 Work Days
- Payment Terms: T/T
- Supply Ability: 1000000pcs/year
- Voltage: 220-240V
- Loading Port: Ningbo/Shanghai
- Transport Package: Sea Shipment
- Lubrication Style: Lubricated
- OEM: Available

Support and Services:

Our Product Technical Support and Services team for the Condensing Unit product is dedicated to providing assistance with any technical issues or questions you may have. Our team of experts is available to help troubleshoot problems, provide guidance on installation and maintenance, and offer solutions to ensure optimal performance of your condensing unit.

FAQ:

Q: What is the brand name of this condensing unit? -----

A: The brand name is DM.

Q: What is the model number of this condensing unit?

A: The model number is DM-UNIT-FNH.

Q: Where is this condensing unit manufactured?

A: It is manufactured in China.

Q: What certifications does this condensing unit have?

A: It is certified with CE and ISO.

Q: What is the minimum order quantity for this condensing unit?

A: The minimum order quantity is 1.
