

2 Coil Rows Freezer Room Condensing Unit Optimal Cooling Performance with and Bracket Included

Our Product Introduction

for more products please visit us on coldroomunit.com

Basic Information

- Brand Name: Damai
- Certification: CE;ISO
- Model Number: DM-FNH
- Minimum Order Quantity: 1
- Price: \$200~\$100000
- Packaging Details: Wooden Case
- Delivery Time: 15 Work Days
- Payment Terms: T/T;L/C
- Supply Ability: 1000000pcs/year

Product Specification

- Bracket Included: Yes
- Fin Thickness: 0.2mm
- Fan Motor: Single Or Three Phase
- Coil Rows: 2
- Warranty: 1 Year
- Maximum Working Pressure: 300 Psi
- Cooling Capacity: Depends On Size And Material
- Dryer Included: Yes
- Highlight: **Bracket Included Freezer Room Condensing Unit**
, Freezer Room Condensing Unit

Product Description

DM-FNH Condenser

DM FNH is designed for high-efficiency heat exchange in compact refrigeration and air-conditioning systems. Featuring a unique H-shaped coil configuration, it maximizes the heat transfer surface area within limited spaces, ensuring optimal thermal performance. Manufactured with premium-quality copper tubes and aluminum fins, the H-type condenser offers excellent corrosion resistance, mechanical strength, and long service life. Its compact design, combined with efficient airflow management, makes it a preferred choice for a variety of cooling applications.

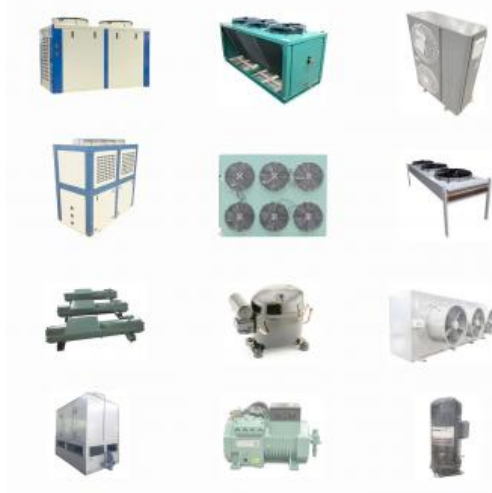

Product Description:

The H-type condenser is a high-efficiency heat exchange unit that is specially crafted for refrigeration and air conditioning systems. Its distinct horizontal "H" layout guarantees improved airflow, better heat dissipation, and a space-saving design. Made with premium copper tubes and aluminum fins, this condenser provides exceptional thermal conductivity and resistance to corrosion, making it the perfect choice for prolonged use in challenging conditions.

Features:

Utilizing a horizontal "H" shape design, our cooling system offers a compact footprint and enhances heat transfer efficiency. Featuring high-performance copper tubes paired with aluminum fin construction, our system ensures optimal cooling performance. An anti-corrosion coating is also available to prolong the service life of the system. Our cooling system is offered in various capacities to meet diverse cooling needs efficiently. Installation and maintenance are made easy with accessible connections. For enhanced airflow and noise reduction, we provide customizable fan options to tailor the cooling system to your preferences.

Zhejiang Damai Cold Chain Equipment Co.,Ltd.

Zhejiang Damai Cold Chain Equipment Co., Ltd., is a leading manufacturer of refrigeration units, like condensers, air coolers, all kinds of units, and solution provider for cold storage rooms.

We, Damai Cold Chain, are located in Zhejiang Province China, already supplied our machines, designing and installation services to more than 80 countries and districts clients in the world.

At present, we can supply clients for Bitzer, Copeland, Danfoss, Carrier, Damai and other brands compressors and refrigeration units, we also can supply clients for OEM & ODM service.

We want to establish a bright future with potential partners together!

Technical Parameters:

| | |
|----------------|---------------|
| Keyword | Blast Freezer |
| Dryer Included | Yes |

| | |
|------------------|-----------------------|
| Type | Fin And Tube |
| Warranty | 1 Year |
| Bracket Included | Yes |
| Fan Motor | Single Or Three Phase |
| Noise Level | 25-35 DB |
| Fin Thickness | 0.2mm |
| Quality | OEM Quality |
| Coil Rows | 2 |

APPLICATION

Applications:

Cold storage and walk-in freezers play a crucial role in preserving perishable goods by maintaining low temperatures. These storage solutions are essential in various industries such as food, pharmaceuticals, and chemicals.

Commercial refrigeration systems are designed to meet the specific needs of businesses, ensuring that products are stored at the right temperature to maintain quality and safety. These systems are commonly used in restaurants, grocery stores, and other commercial establishments.

Industrial chillers and process cooling equipment are utilized in manufacturing plants and industrial facilities to regulate temperatures during production processes. These systems help maintain consistency and efficiency in operations.

HVAC systems in buildings and facilities are responsible for controlling the indoor climate, ensuring comfort for occupants while also improving energy efficiency. Proper HVAC systems are crucial for maintaining a healthy and productive environment.

Supermarkets and food processing plants rely on efficient refrigeration systems to store and preserve perishable products. These systems help prevent spoilage and maintain the quality and freshness of food items, contributing to food safety and minimizing waste.

Customization:

Product Customization Services for Refrigeration Air Cooled Condenser
Air Condenser Cooler customization services for the Damai DM-HNH model.

Product Attributes:

Brand Name: Damai

Model Number: DM-HNH

Place Of Origin: China

Certification: CE;ISO

Minimum Order Quantity: 1

Price: \$200~\$100000

Packaging Details: Wooden Case

Delivery Time: 15 Work Days
Payment Terms: T/T;L/C
Supply Ability: 1000000pcs/year
Coil Rows: 2
Fin Thickness: 0.2mm
Transport Package: Wooden Case
Dryer Included: Yes
Noise Level: 25-35 DB
Customization options available for Freezer Room Condensing Unit.

Support and Services:

The Product Technical Support and Services for the Air Cooler Condenser include:

- Installation assistance and guidance for proper setup
- Troubleshooting support for any operational issues
- Maintenance tips and recommendations to ensure optimal performance
- Warranty information and assistance with claims
- Access to online resources such as user manuals and FAQs

FAQ:

Q: What is the brand name of the Air Cooler Condenser?

A: The brand name of the Air Cooler Condenser is Damai.

Q: What is the model number of the Air Cooler Condenser?

A: The model number of the Air Cooler Condenser is DM-HNH.

Q: Where is the Air Cooler Condenser manufactured?

A: The Air Cooler Condenser is manufactured in China.

Q: What certifications does the Air Cooler Condenser have?

A: The Air Cooler Condenser is certified with CE and ISO.

Q: What are the payment terms for purchasing the Air Cooler Condenser?

A: The payment terms for purchasing the Air Cooler Condenser are T/T and L/C.
