

0.2mm Fin Thickness Air Cooled Condenser with Corrosion Resistance Up To 1000 Hours Salt Spray Test

Our Product Introduction

for more products please visit us on coldroomunit.com

Basic Information

- Brand Name: Damai
- Certification: CE;ISO
- Model Number: DM-FNH
- Minimum Order Quantity: 1
- Price: \$200~\$100000
- Packaging Details: Wooden Case
- Delivery Time: 15 Work Days
- Payment Terms: T/T;L/C
- Supply Ability: 1000000pcs/year

Product Specification

- Corrosion Resistance: Salt Spray Test Up To 1000 Hours
- Quality: OEM Quality
- Coil Rows: 2
- Noise Level: 25-35 DB
- Warranty: 1 Year
- Bracket Included: Yes
- Maximum Working Pressure: 300 Psi
- Hs Code: 8404200000
- Highlight: **0.2mm Fin Thickness Air Cooled Condenser, Corrosion Resistance Air Cooled Condenser**

Product Description

DM-FNH Condenser

DM FNH is designed for high-efficiency heat exchange in compact refrigeration and air-conditioning systems. Featuring a unique H-shaped coil configuration, it maximizes the heat transfer surface area within limited spaces, ensuring optimal thermal performance. Manufactured with premium-quality copper tubes and aluminum fins, the H-type condenser offers excellent corrosion resistance, mechanical strength, and long service life. Its compact design, combined with efficient airflow management, makes it a preferred choice for a variety of cooling applications.

Product Description:

The H-type condenser is a high-efficiency heat exchange unit specifically designed for refrigeration and air conditioning systems. Its unique horizontal "H" configuration ensures optimized airflow, enhanced heat dissipation, and compact structure. Constructed with high-grade copper tubes and aluminum fins, the condenser offers excellent thermal conductivity and corrosion resistance, making it ideal for long-term operation in harsh environments.

Features:

Horizontal "H" Shape Design: The air cooler features a unique "H" shape design that helps minimize its footprint while maximizing heat transfer efficiency.

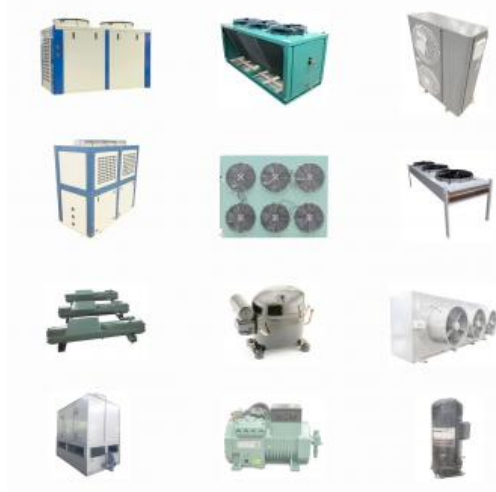

High-Performance Construction: Constructed with high-quality copper tubes and aluminum fins, the air cooler ensures optimal performance for efficient cooling.

Anti-Corrosion Coating: An optional anti-corrosion coating is available to enhance the air cooler's service life and durability.

Multiple Capacities: With various capacities available, the air cooler can be customized to meet different cooling requirements for diverse applications.

Easy Installation and Maintenance: The air cooler is designed for convenience, featuring accessible connections that make installation and maintenance tasks effortless.

Customizable Fan Options: Improve airflow and reduce noise levels by selecting from a range of customizable fan options tailored to your specific needs.

Zhejiang Damai Cold Chain Equipment Co.,Ltd.

Zhejiang Damai Cold Chain Equipment Co., Ltd., is a leading manufacturer of refrigeration units, like condensers, air coolers, all kinds of units, and solution provider for cold storage rooms.

We, Damai Cold Chain, are located in Zhejiang Province China, already supplied our machines, designing and installation services to more than 80 countries and districts clients in the world.

At present, we can supply clients for Bitzer, Copeland, Danfoss, Carrier, Damai and other brands compressors and refrigeration units, we also can supply clients for OEM & ODM service.

We want to establish a bright future with potential partners together!

Technical Parameters:

| | |
|--------------------------|----------------------------------|
| Coil Rows | 2 |
| Maximum Working Pressure | 300 Psi |
| Bracket Included | Yes |
| Corrosion Resistance | Salt Spray Test Up To 1000 Hours |
| Warranty | 1 Year |
| Fin Thickness | 0.2mm |
| Noise Level | 25-35 DB |
| Type | Fin And Tube |
| Cooling Capacity | Depends On Size And Material |
| Hs Code | 8404200000 |

Applications:

Cold storage and walk-in freezers are essential components in various industries where temperature control is crucial, such as food storage, pharmaceuticals, and manufacturing. These facilities provide a controlled environment to preserve perishable goods and maintain product quality.

Commercial refrigeration systems are commonly used in businesses such as restaurants, supermarkets, and convenience stores to store and display food products at optimal temperatures. These systems play a key role in ensuring food safety and freshness for consumers. Industrial chillers and process cooling equipment are utilized in manufacturing plants, data centers, and other industrial applications to regulate temperatures during production processes. These systems help maintain equipment efficiency and product quality.

HVAC systems, which stand for Heating, Ventilation, and Air Conditioning, are installed in buildings and facilities to provide thermal comfort and acceptable indoor air quality. HVAC systems are crucial for maintaining a healthy and productive environment for occupants. Supermarkets and food processing plants rely heavily on refrigeration and cooling systems to store and process perishable food items. These facilities require efficient refrigeration solutions to ensure food safety, extend shelf life, and minimize waste.

Customization:

Product Customization Services for Refrigeration Air Cooled Condenser:

Air Cooled Condenser Model: DM-HNH

Brand Name: Damai

Place Of Origin: China

Certification: CE;ISO

Minimum Order Quantity: 1

Price Range: \$200~\$100000
Packaging Details: Wooden Case
Delivery Time: 15 Work Days
Payment Terms: T/T;L/C
Supply Ability: 1000000pcs/year
Type: Fin And Tube
Hs Code: 8404200000
Quality: OEM Quality
Fan Motor: Single Or Three Phase
Coil Rows: 2
Product Attributes: Air Cooled Fnh Refrigeration Condenser for Cold Storage

Support and Services:

The Product.Technical Support and Services for the Air Cooler Condenser include: -----
- Installation assistance
- Troubleshooting guidance
- Maintenance tips
- Warranty information

FAQ:

Q: What is the brand name of this Air Cooler Condenser? -----
A: The brand name is Damai.
Q: What is the model number of this Air Cooler Condenser?
A: The model number is DM-HNH.
Q: Where is this Air Cooler Condenser manufactured?
A: It is manufactured in China.
Q: What certifications does this Air Cooler Condenser have?
A: It is certified with CE and ISO.
Q: What are the payment terms for purchasing this Air Cooler Condenser?
A: The payment terms are T/T and L/C.
