

## Single Phase Fan Motor Refrigeration Air Cooled Condenser with OEM of OEM

Our Product Introduction

for more products please visit us on [coldroomunit.com](http://coldroomunit.com)

### Basic Information

- Brand Name: Damai
- Certification: CE;ISO
- Model Number: DM-FNH
- Minimum Order Quantity: 1
- Price: \$200~\$100000
- Packaging Details: Wooden Case
- Delivery Time: 15 Work Days
- Payment Terms: T/T;L/C
- Supply Ability: 1000000pcs/year

### Product Specification

- Noise Level: 25-35 DB
- Hs Code: 8404200000
- Maximum Working Pressure: 300 Psi
- Fan Motor: Single Or Three Phase
- Corrosion Resistance: Salt Spray Test Up To 1000 Hours
- Quality: OEM Quality
- Keyword: Blast Freezer
- Cooling Capacity: Depends On Size And Material
- Highlight: **OEM Air Cooled Condenser,  
Single Phase Air Cooled Condenser,  
Refrigeration Air Cooled Condenser**

## Product Description

### DM-FNH Condenser

**DM FNH** is designed for high-efficiency heat exchange in compact refrigeration and air-conditioning systems. Featuring a unique H-shaped coil configuration, it maximizes the heat transfer surface area within limited spaces, ensuring optimal thermal performance. Manufactured with premium-quality copper tubes and aluminum fins, the H-type condenser offers excellent corrosion resistance, mechanical strength, and long service life. Its compact design, combined with efficient airflow management, makes it a preferred choice for a variety of cooling applications.

### Product Description:

The H-type condenser is a high-efficiency heat exchange unit specially created for refrigeration and air conditioning systems. Its distinct horizontal "H" layout guarantees improved airflow, better heat dissipation, and a space-saving structure. Made with top-quality copper tubes and aluminum fins, this condenser provides outstanding thermal conductivity and protection against corrosion, which makes it perfect for continuous use in challenging conditions.

### Features:

Horizontal "H" shape design is utilized to achieve a compact footprint and promote efficient heat transfer within the cooling system. Constructed with high-performance copper tubes and aluminum fins, this design ensures optimal heat dissipation. An anti-corrosion coating can be applied to enhance the service life of the cooling system, providing long-lasting protection. Our cooling systems are available in various capacities to meet a range of cooling requirements, providing flexibility and customization options. With accessible connections, installation and maintenance of our systems are made easy, simplifying the process for users. Enhance airflow and reduce noise by choosing from a selection of customizable fan options, tailoring the cooling system to your specific needs.

### Zhejiang Damai Cold Chain Equipment Co., Ltd.

Zhejiang Damai Cold Chain Equipment Co., Ltd., is a leading manufacturer of refrigeration units, like condensers, air coolers, all kinds of units, and solution provider for cold storage rooms.

We, Damai Cold Chain, are located in Zhejiang Province China, already supplied our machines, designing and installation services to more than 80 countries and districts clients in the world.

At present, we can supply clients for Bitzer, Copeland, Danfoss, Carrier, Damai and other brands compressors and refrigeration units, we also can supply clients for OEM & ODM service.

We want to establish a bright future with potential partners together!

### Technical Parameters:

Transport Package	Wooden Case
-------------------	-------------

Type	Fin And Tube
Corrosion Resistance	Salt Spray Test Up To 1000 Hours
Coil Rows	2
Maximum Working Pressure	300 Psi
Keyword	Blast Freezer
Cooling Capacity	Depends On Size And Material
Noise Level	25-35 DB
Quality	OEM Quality
Dryer Included	Yes

### Applications:

Cold storage and walk-in freezers are essential components for preserving perishable goods in various industries. These units provide controlled environments to maintain the quality and freshness of products, ensuring they remain safe for consumption or use. Commercial refrigeration systems play a crucial role in businesses that rely on refrigerated storage and display of items such as food, beverages, and medications. These systems help maintain optimal temperatures to extend the shelf life of goods and prevent spoilage. Industrial chillers and process cooling equipment are utilized in manufacturing plants and industrial facilities to regulate temperatures during production processes. These systems ensure consistent cooling to enhance efficiency and product quality. HVAC systems are integral to creating comfortable indoor environments in buildings and facilities. They control air temperature, humidity, and quality to provide a pleasant indoor climate for occupants, improving productivity and well-being. Supermarkets and food processing plants heavily rely on refrigeration and cooling systems to store and preserve perishable goods. These facilities use specialized equipment to maintain the freshness and safety of food products throughout the supply chain.

### Customization:

Product Customization Services for the Air Cooler Condenser: -----

Brand Name: Damai  
Model Number: DM-HNH  
Place Of Origin: China  
Certification: CE;ISO  
Minimum Order Quantity: 1  
Price: \$200~\$100000  
Packaging Details: Wooden Case  
Delivery Time: 15 Work Days

Payment Terms: T/T;L/C  
Supply Ability: 1000000pcs/year  
Hs Code: 8404200000  
Keyword: Blast Freezer  
Coil Rows: 2  
Quality: OEM Quality  
Transport Package: Wooden Case  
Keywords: Steam Condenser, H-Type Air Cooled Condenser, Steam Condenser

### Support and Services:

Our Product Technical Support and Services for the Air Cooler Condenser include: .....

- Installation guidance and troubleshooting assistance
- Maintenance tips and best practices
- Warranty information and claims processing
- Product manuals and documentation
- Technical training and support for service providers

### FAQ:

**Q: What is the brand name of the Air Cooler Condenser?**

A: The brand name is Damai.

**Q: What is the model number of the Air Cooler Condenser?**

A: The model number is DM-HNH.

**Q: Where is the Air Cooler Condenser manufactured?**

A: The Air Cooler Condenser is manufactured in China.

**Q: What certifications does the Air Cooler Condenser have?**

A: The Air Cooler Condenser is certified with CE and ISO.

**Q: What is the minimum order quantity for the Air Cooler Condenser?**

A: The minimum order quantity is 1.
