

Bracket Included Yes Air Cooled Fnh Refrigeration Condenser for Cold Storage Cooling Capacity Depends On Size And Material

Our Product Introduction

for more products please visit us on coldroomunit.com

Basic Information

- Brand Name: Damai
- Certification: CE;ISO
- Model Number: DM-FNH
- Minimum Order Quantity: 1
- Price: \$200~\$100000
- Packaging Details: Wooden Case
- Delivery Time: 15 Work Days
- Payment Terms: T/T;L/C
- Supply Ability: 1000000pcs/year

Product Specification

- Warranty: 1 Year
- Maximum Working Pressure: 300 Psi
- Bracket Included: Yes
- Cooling Capacity: Depends On Size And Material
- Type: Fin And Tube
- Fin Thickness: 0.2mm
- Fan Motor: Single Or Three Phase
- Coil Rows: 2
- Highlight: **Bracket Included Air Cooled Condenser, Fnh Refrigeration Air Cooled Condenser, Cold Storage Air Cooled Condenser**

Product Description

DM-FNH Condenser

DM FNH is designed for high-efficiency heat exchange in compact refrigeration and air-conditioning systems. Featuring a unique H-shaped coil configuration, it maximizes the heat transfer surface area within limited spaces, ensuring optimal thermal performance. Manufactured with premium-quality copper tubes and aluminum fins, the H-type condenser offers excellent corrosion resistance, mechanical strength, and long service life. Its compact design, combined with efficient airflow management, makes it a preferred choice for a variety of cooling applications.

Product Description:

The H-type condenser is a high-efficiency heat exchange unit specifically designed for refrigeration and air conditioning systems. Its unique horizontal "H" configuration ensures optimized airflow, enhanced heat dissipation, and compact structure. Constructed with high-grade copper tubes and aluminum fins, the condenser offers excellent thermal conductivity and corrosion resistance, making it ideal for long-term operation in harsh environments.

Features:

- Horizontal "H" shape design:** The system features a compact footprint and efficient heat transfer with its innovative "H" shape design.
- High-performance construction:** Built with high-performance copper tubes and aluminum fins for exceptional heat dissipation.
- Anti-corrosion coating:** An anti-corrosion coating can be applied to enhance the system's durability and extend its service life.
- Multiple capacities:** Available in various capacities to cater to different cooling requirements and applications.
- Easy installation and maintenance:** The system is designed for easy installation and maintenance, with accessible connections for hassle-free management.
- Customizable fan options:** Offers customizable fan options to enhance airflow and reduce noise levels for improved performance.

Zhejiang Damai Cold Chain Equipment Co., Ltd.

Zhejiang Damai Cold Chain Equipment Co., Ltd., is a leading manufacturer of refrigeration units, like condensers, air coolers, all kinds of units, and solution provider for cold storage rooms.

We, Damai Cold Chain, are located in Zhejiang Province China, already supplied our machines, designing and installation services to more than 80 countries and districts clients in the world.

At present, we can supply clients for Bitzer, Copeland, Danfoss, Carrier, Danfoss and other brands compressors and refrigeration units, we also can supply clients for OEM & ODM service.

We want to establish a bright future with potential partners together!

Technical Parameters:

Corrosion Resistance	Salt Spray Test Up To 1000 Hours
Dryer Included	Yes

Type	Fin And Tube
Hs Code	8404200000
Cooling Capacity	Depends On Size And Material
Fin Thickness	0.2mm
Fan Motor	Single Or Three Phase
Maximum Working Pressure	300 Psi
Warranty	1 Year
Keyword	Blast Freezer

Applications:

Cold storage and walk-in freezers

When it comes to keeping perishable items fresh, cold storage and walk-in freezers play a crucial role. These facilities are designed to maintain low temperatures to preserve food products for extended periods.

Commercial refrigeration systems

Businesses that deal with large volumes of perishable goods rely on commercial refrigeration systems to keep their products at optimal temperatures. These systems are essential for maintaining quality and preventing spoilage.

Industrial chillers and process cooling

Industrial facilities often use chillers for process cooling to regulate temperatures during various manufacturing processes. These systems are crucial for ensuring efficiency and consistency in industrial operations.

HVAC systems in buildings and facilities

Heating, ventilation, and air conditioning (HVAC) systems are essential for creating comfortable and healthy indoor environments in buildings and facilities. These systems help regulate temperature, humidity, and air quality for occupants.

Supermarkets and food processing plants

Supermarkets and food processing plants require reliable refrigeration systems to store and preserve fresh produce and perishable items. These systems are vital for ensuring food safety and quality standards are met.

Customization:

Product Customization Services for the Air Cooler Condenser:

- Brand Name: Damai
- Model Number: DM-HNH
- Place Of Origin: China
- Certification: CE;ISO
- Minimum Order Quantity: 1

- Price: \$200~\$100000
- Packaging Details: Wooden Case
- Delivery Time: 15 Work Days
- Payment Terms: T/T;L/C
- Supply Ability: 1000000pcs/year
- Noise Level: 25-35 DB
- Transport Package: Wooden Case
- Cooling Capacity: Depends On Size And Material
- Dryer Included: Yes
- Quality: OEM Quality

Support and Services:

The Air Cooler Condenser product comes with comprehensive Product Technical Support and Services to ensure optimal performance and customer satisfaction. Our dedicated technical support team is available to assist with any product-related inquiries, troubleshooting, or maintenance needs. Additionally, we offer services such as installation support, maintenance plans, and product training to help customers maximize the efficiency and longevity of their Air Cooler Condenser.

FAQ:

Q: What is the brand name of the Air Cooler Condenser?

A: The brand name of the Air Cooler Condenser is Damai.

Q: What is the model number of the Air Cooler Condenser?

A: The model number of the Air Cooler Condenser is DM-HNH.

Q: Where is the Air Cooler Condenser manufactured?

A: The Air Cooler Condenser is manufactured in China.

Q: What certifications does the Air Cooler Condenser have?

A: The Air Cooler Condenser is certified with CE and ISO.

Q: What is the minimum order quantity for the Air Cooler Condenser?

A: The minimum order quantity for the Air Cooler Condenser is 1 unit.
