

Air Cooler Condenser for Freezer Room Copper and Dryer Included Long-Lasting Performance

Our Product Introduction

for more products please visit us on coldroomunit.com

Basic Information

- Brand Name: Damai
- Certification: CE;ISO
- Model Number: DM-FNH
- Minimum Order Quantity: 1
- Price: \$200~\$100000
- Packaging Details: Wooden Case
- Delivery Time: 15 Work Days
- Payment Terms: T/T;L/C
- Supply Ability: 1000000pcs/year

Product Specification

- Tube Pitch: 1.25-1.5 Times Tube Diameter
- Application Fields: Freezer Room
- Origin: China
- Installation Type: Integrated With The Unit
- Warranty: 1 Year
- Material: Copper
- Quality: OEM Quality
- Dryer Included: Yes
- Highlight: Freezer Room Air Cooler Condenser,
Long-Lasting Performance Air Cooler
Condenser
, Dryer Included Air Cooler Condenser

Product Description

DM-FNH Condenser

DM FNH is designed for high-efficiency heat exchange in compact refrigeration and air-conditioning systems. Featuring a unique H-shaped coil configuration, it maximizes the heat transfer surface area within limited spaces, ensuring optimal thermal performance. Manufactured with premium-quality copper tubes and aluminum fins, the H-type condenser offers excellent corrosion resistance, mechanical strength, and long service life. Its compact design, combined with efficient airflow management, makes it a preferred choice for a variety of cooling applications.

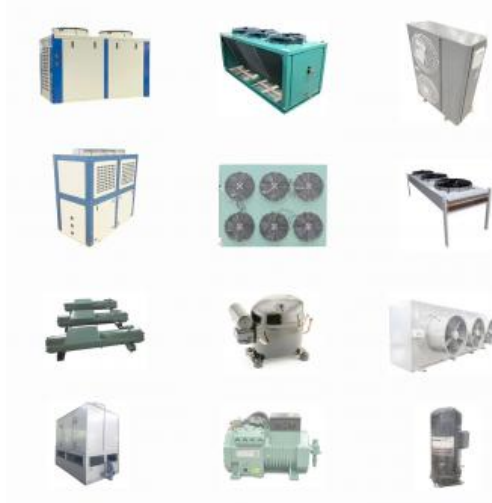

Product Description:

The H-type condenser is a compact and durable heat exchange component engineered to deliver superior cooling performance. With its signature "H" shaped coil layout, it maximizes surface area exposure to airflow, ensuring rapid heat rejection. Designed for compatibility with various condensing units, it supports efficient assembly and reliable operation in demanding refrigeration environments.

Features:

Unique H-type coil configuration is utilized to improve heat dissipation, ensuring efficient cooling performance. The unit features a sturdy frame and durable weather-resistant construction to withstand various environmental conditions. It is designed to be compatible with multiple refrigerant types, such as R404A, R134a, and R507, offering flexibility in refrigerant options. High-efficiency axial fans are incorporated for superior airflow distribution, maximizing cooling efficiency. This unit is suitable for both horizontal and vertical installations, providing versatility in placement options. Pre-charged with nitrogen for protection during shipping, ensuring the integrity of the unit upon arrival.

Zhejiang Damai Cold Chain Equipment Co., Ltd.

Zhejiang Damai Cold Chain Equipment Co., Ltd. is a leading manufacturer of refrigeration units, like condensers, air coolers, all kinds of units, and solution provider for cold storage rooms.

We, Damai Cold Chain, are located in Zhejiang Province China, already supplied our machines, designing and installation services to more than 80 countries and districts clients in the world.

At present, we can supply clients for Bitzer, Copeland, Danfoss, Carrier, Damai and other brands compressors and refrigeration units, we also can supply clients for OEM & ODM service.

We want to establish a bright future with potential partners together!

Technical Parameters:

Material	Copper
Pressure Drop	Depends On Fin And Tube Type

Quality	OEM Quality
Motor Power	1/2 HP
Tube Pitch	1.25-1.5 Times Tube Diameter
Bracket Included	Yes
Fin Spacing	10 Fins Per Inch
Number Of Rows	4
Dryer Included	Yes
Application Fields	Freezer Room

Applications:

Condensing units are essential for commercial and industrial refrigeration systems. They play a crucial role in maintaining the desired temperature for various applications, ensuring the quality and safety of products stored within. These units are designed for efficiency, reliability, and durability in demanding environments.

Food cold chain logistics relies heavily on advanced preservation systems to ensure the freshness and quality of perishable goods. These systems help maintain the integrity of food from production to consumption, minimizing food waste and meeting stringent regulatory requirements. Proper cold chain management is vital for food safety and consumer confidence.

Modular cold rooms and freezer warehouses offer flexible and scalable solutions for storage and preservation needs. These customizable units provide temperature-controlled environments suitable for a variety of products, including pharmaceuticals, fresh produce, and frozen goods. Their modular design allows for easy installation and expansion based on changing requirements.

Meat processing, dairy storage, and beverage cooling plants require specialized refrigeration equipment to maintain product quality and meet industry standards. These facilities rely on efficient cooling systems to ensure proper temperature control and food safety. Tailored solutions are essential to cater to the specific requirements of each sector.

Integrated systems for supermarket and retail cooling equipment help businesses create optimal shopping environments for customers while keeping products fresh. From refrigerated display cases to walk-in coolers, these systems are designed to provide consistent cooling performance, energy efficiency, and easy maintenance. Customized solutions can enhance the shopping experience and increase operational efficiency for retailers.

Customization:

Product Customization Services for the Air Cooler Condenser:.....

- Brand Name: Damai
- Model Number: DM-FNH
- Place Of Origin: China
- Certification: CE;ISO

- Minimum Order Quantity: 1
- Price: \$200~\$100000
- Packaging Details: Wooden Case
- Delivery Time: 15 Work Days
- Payment Terms: T/T;L/C
- Supply Ability: 1000000pcs/year
- Tube Pitch: 1.25-1.5 Times Tube Diameter
- Bracket Included: Yes
- Warranty: 1 Year
- Number Of Rows: 4
- Material: Copper

Support and Services:

The Product.Technical.Support and Services for the Air Cooler Condenser include: -----

- Installation guidance and assistance
- Troubleshooting common issues and providing solutions
- Regular maintenance recommendations
- Warranty coverage information
- Product updates and upgrades

FAQ:

- Q: What is the brand of this Air Cooler Condenser?
A: The brand name is Damai.
- Q: What is the model number of this Air Cooler Condenser?
A: The model number is DM-FNH.
- Q: Where is this Air Cooler Condenser manufactured?
A: It is manufactured in China.
- Q: What certifications does this Air Cooler Condenser have?
A: It is certified with CE and ISO.
- Q: What is the packaging details for this Air Cooler Condenser?
A: The packaging details include a Wooden Case.
